Subject: One-Year Term Contract for Insulated Pool Covers and Storage Reels
(Replacement/Addition) for the Parks, Recreation, and Community Facilities
Department **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Parks, Recreation and Community Facilities Department and Procurement Services recommend awarding the contract to the lowest, responsive, and responsible bidder, Heritage Pool Group dba Recreonics at \$301,500, based on estimated requirements.

Background / Discussion

This contract will provide thermal pool covers and storage reels which will be used to reduce aquatic center heating costs during winter months. The use of thermal covers has been proven to reduce utility heating costs by 50%. The City currently has thermal covers at two locations, Kino and Skyline Aquatic Centers. The covers at these pools have reached their lifespan and need to be replaced. The storage reels at these locations are not necessary. The other four facilities, Brimhall, Carson, Mesa, and Rhodes Aquatic Centers, need thermal covers and storage reels since they currently do not have any.
