

City Council Report

Date: May 4, 2020
To: City Council
Through: John Pombier, Assistant City Manager
From: Ken Cost, Police Chief
Patrick Phelps, Police Information Technology Administrator
Subject: Proposed Police Department Fees and Charges for Fiscal Year 2020/21 (Citywide)

Purpose and Recommendation

The purpose of this report is to recommend modifications to the Police Department's Schedule of Fees & Charges associated with items released under public record law by the Mesa Police Department's Records Unit.

It is recommended that additional current media types are added to the Schedule of Fees and Charges.

Background and Discussion

The Police Department currently charges for various media types to distribute police public records. The Department would like to amend the current Miscellaneous fees and charges to the Police Department Schedule of Fees & Charges for Fiscal Year 2020/21:

Remove:

- Cassette Tape
- Cassette Tape (if transcribed)
- VCR Tape
- CD/DVD

Add:

- Audio Medium: Fee \$10
- Video Medium: Fee \$25

- For all Records Unit Services, Upon Receipt of Request, a Refund Will Not be Permitted

With changing media formats and ever-increasing electronic file sizes, the Police Department's Records Unit is requesting approval to update the fee schedule by removing the references to cassette and VCR tapes and listing fees charged by "Audio Medium" or "Video Medium".

The new fee for Video Medium will be \$25. A review of Arizona police agencies revealed fees between \$25 and \$29 for videos such as Body Worn Camera videos. The Records Unit has been charging a \$10 for this service and would like to increase the fee to \$25.

In addition, the department is requesting that transcribing be removed as this service is no longer offered.

Alternatives

The Police Department fee for audio and/or video requests remain unchanged.

Fiscal Impact

The Police Department estimates that approximately 3,400 Audio Medium requests and 670 Video Medium requests associated with incidents will be purchased by the public per year. The total fiscal impact is anticipated to be approximately \$10,050 per year.

Coordinated With

The Police Department has coordinated with the Office of Management and Budget To make proposed modifications to the Schedule of Fees & Charges.
