

# City Council Report

**Date:** June 21, 2021  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Three-Year Term Contract with Two Years of Renewal Options for Pavement Management Solution for the Transportation Department **(Citywide)**

## Recommendation

Council is requested to approve the award as recommended.

A committee representing the Transportation Department and Purchasing evaluated responses. The evaluation committee recommends awarding the contract to the highest scored proposal from Transmap Corporation, at \$100,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

## Background / Discussion

This contract will provide automated distress survey data for the pavement management system used to ascertain the Pavement Condition Index (PCI) for the arterial sections of City of Mesa streets inventory. The current data from the PCI assessment will be used for forecasting treatments each fiscal year for pavement preservation and street overlay program.

City of Mesa received two proposal responses of which both vendors met the minimum qualifications. The evaluation committee evaluated the proposal responses in accordance with the City's established policies and procedures. The evaluation committee completed the scoring of the responses against the scoring criteria in the solicitation. Award is recommended to the highest scored respondent.
