

City Council Report

Date: August 29, 2022
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Use of Cooperative Contracts for a Term Contract with Renewal Options for Reservoir Inspections for the Water Resources Department **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Water Resources Department and Purchasing recommend authorizing the purchase using the Strategic Alliance for Volume Expenditures (S.A.V.E.)/City of Tempe cooperative contract with Applied Diving Services, Inc. and S.A.V.E./City of Chandler cooperative contract with Workhorse Diving and Salvage, LLC at \$150,000 annually, based on estimated usage.

Background / Discussion

The contract will provide reservoir inspections and sediment removal services. The Contractor will remove sediment and complete inspections of City potable water storage reservoirs, wastewater tanks, basins, and reclaimed water reservoirs as scheduled by the City of Mesa.

The City of Tempe and City of Chandler contracts were competitively bid and awarded and meet the City of Mesa's procurement requirements. City of Tempe, and City of Chandler, as members of S.A.V.E., acted as the lead agency for these solicitations. City of Mesa can utilize these contracts as a S.A.V.E. member. Water Resources and Purchasing believe both contracts are advantageous to the City, meet the immediate and future needs of the City, and going out for a bid would not result in significant cost savings to the City.
