

City Council Report

Date: December 11, 2023
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Three-Year Term Contract with Two Years of Renewal Options for Barricade Rental Service for Special Events for various City Departments (**Citywide**)

Recommendation

Council is requested to approve the award as recommended.

A committee representing the Transportation, Energy Resources, Water Resources, and Parks, Recreation and Community Facilities Departments, and Purchasing evaluated responses. The evaluation committee recommends awarding the contract to the two, highest-scored respondents: Roadsafe Traffic Systems, Inc. (Primary); and Trafficade Service, LLC dba AWP Safety (Secondary) at \$300,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

Background / Discussion

Multiple City departments including Police, Parks and Recreation, and Transportation – Traffic Engineering and Field Operations will utilize this contract for their temporary traffic control needs at citywide special events and block parties. The Contractor will provide barricade equipment, supplies, delivery, installation, maintenance, and removal services using qualified personnel. Services will be provided on an as-needed basis, 24-hours a day, 7-days a week, including holidays. The Contractor will also service the City of Apache Junction as part of this contract.

The City solicited Request for Proposals and received three (3) responses which all met the minimum qualifications. The evaluation committee evaluated the responses relative to the scoring criteria in the solicitation and completed scoring the responses in accordance with the City's established policies and procedures. Based on the evaluation results, award is being recommended to the two, highest-scored respondents: Roadsafe Traffic Systems, Inc. as the Primary vendor, and Trafficade Service, LLC dba AWP Safety as the Secondary vendor.
