Subject: 5-Year Term Contract for Solid Waste Disposal Processing for the Solid Waste Department (**Citywide**)

Recommendation

Council is requested to approve the award as recommended.

A committee representing the Solid Waste and Energy and Sustainability Departments and Procurement Services evaluated responses. The evaluation committee recommends awarding the contract to the highest scored proposals from Waste Management of Arizona, Inc. (a Mesa business) and Allied Waste Transportation, Inc. dba Republic Services of Phoenix (a Mesa business) at \$4,000,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

This contract allows the City of Mesa to transfer and dispose of solid waste materials collected by the Solid Waste Department to disposal facilities in and around the City. In addition, this contract allows Mesa residents to self-haul solid waste to the contracted facilities.

City staff issued a Request for Proposal (RFP) to all registered and known Solid Waste Disposal Processing providers. Two (2) proposal responses were received and evaluated and scored in accordance with the City's established policies and procedures and relative to the scoring criteria in the solicitation. Based on the evaluation results, the committee recommends awarding the contract to the highest-scoring respondents.
