

Temporary Traffic Control Permit Fee Update

Sustainability and Transportation Committee
September 2023

RJ Zeder, Transportation Director
Erik Guderian, Assistant Transportation Director
Ryan Hudson, City Traffic Engineer

- Temporary Traffic Control (TTC) Program
- Issues to Address
- Proposed TTC Fee Schedule Update
- Comparison

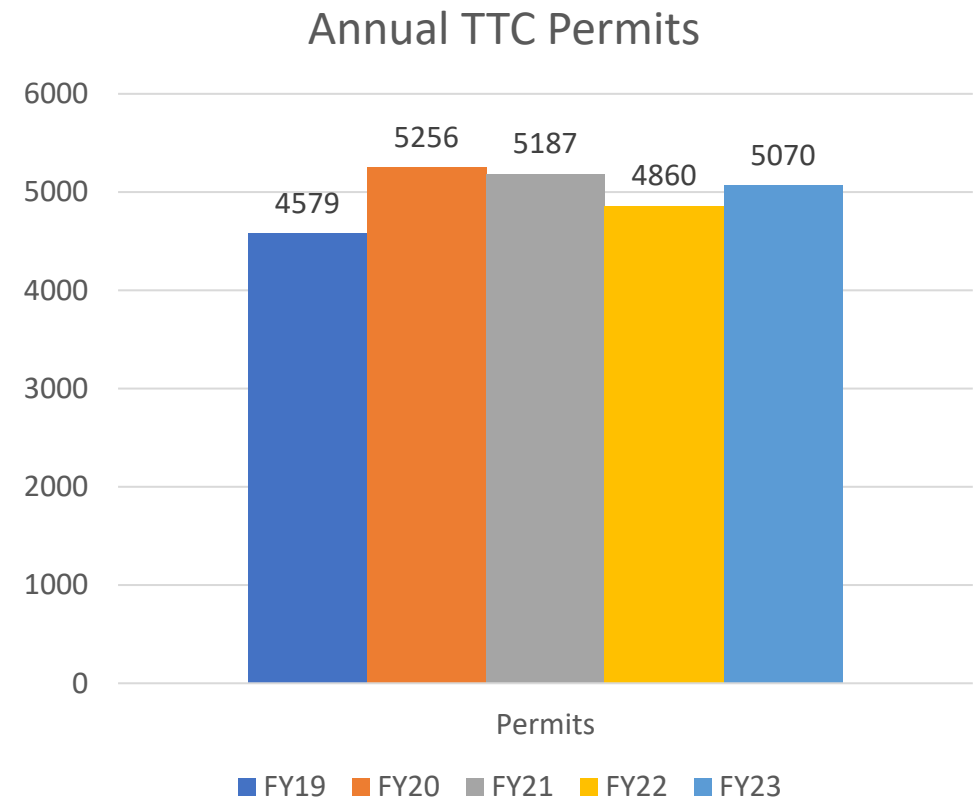

Mesa Municipal Code Title 10-10

- Authority for City Traffic Engineer to Issue Permits for all work within the City right of way
- Establishes a City TTC Manual
- Authorizes City Traffic Engineer or designee to enforce City TTC provisions
- TTC Permit does not approve/inspect a construction project, it assures the work zone is safe for the public and the workers

- TTC Staff – 8 full-time staff
 - Review TTC Permit submittals
 - Review TTC set up for compliance
- Permits Issued – 5,070 TTC Permits issued last fiscal year

Complaints we regularly hear:

- “The cones are up all day, and no one is working.”
- “Construction is taking too long.”
- “They are working in one spot, but there are cones up for a mile!”
- “I have to drive miles out of direction because of this closure.”

TTC Fee Schedule Update
