RE: Request for Formation of Irrigation Water Delivery District

Dear City of Mesa,

We as a neighborhood **Mesa Vista Estates**, are requesting consent to form an Irrigation Water Delivery District (IWDD) from the **City of Mesa**. The purpose of an IWDD is to create an equitable distribution of costs associated with the use and maintenance of the private neighborhood irrigation system. This is accomplished using an annual Maricopa County property assessment. We are asking the **City of Mesa** to pass this request for resolution, authorizing the formation of **Mesa Vista Estates IWDD**.

Enclosed you will find Salt River Project's approval along with maps of the proposed district, legal description, and the homeowner list. I will be the representative for the proposed IWDD. Once we receive approval from the **City of Mesa**, an Impact Statement to form will be sent to the Maricopa County Board of Supervisors to move the process forward. We appreciate your attention to this request. For questions, please contact me at the number below.

Sincerely,

Kaci Lint
