

Fees and Charges Report

Date: June 1, 2026

To: City Council

Through: Michael Kennington, Deputy City Manager, Chief Financial Officer

From: Brian A. Ritschel, Office of Management & Budget Director

Subject: Citywide Administrative Updates to Schedule of Fees and Charges

Purpose and Recommendation

The Office of Management & Budget recommends administrative updates to various departmental Fee & Charges schedules, including renaming a fee and moving fees between departments.

Background

The Office of Management & Budget gathers information from all departments on desired updates to Fees & Charges Schedules on an annual basis. Departments recommend these updates in their own report. There are several clean-up items/adjustments that need to be made that the department would like to present as a whole for review.

Discussion

Departments that have minor updates to fee schedules, with no fiscal impact, include:

- **Community Services – Animal Control Division (Exhibit A)**
Copy the associated Animal Control fees from the Police Fee Schedule to the newly created Community Services Fee Schedule. Animal Control previously fell under Police, so its fees were listed in the Police Fee Schedule. It now operates under Community Services and provides services separate from Police.
- **Business Services – Revenue Collection Operations (Exhibit B)**
Move all Alarm Fines, Fees, and Assessments from the Police Fee Schedule to the Business Services Fee Schedule, as Business Services has administered and charged these fees for nearly a decade.
- **Mesa Fire & Medical (Exhibit C)**
Update the reference of 'MVA' to '911 Recording' in 'Fire Investigations, MVA, etc. under Photos/CD. Mesa Fire & Medical (MFMD) has never charged for MVA photos on CDs, and this correction is necessary to accurately reflect the documents MFMD provides.

- **Mesa Police Department (Exhibit D)**

Rename the Police Fee Schedule title, delete fee, and move fees under the appropriate departments.

- Rename the schedule from 'Police, City Prosecutor's Office & Animal Control Division' to just 'Police'.
- Remove the Video Medium fee from the Police Fee Schedule. The 2024 addition of the Police Video Recordings fee makes the existing Video Medium fee obsolete.
- Remove the Alarm Fines, Fees, and Assessments from the Police Fee Schedule and relocate to the Business Services Fee Schedule.

Alternatives

Taking no action will result in no fiscal impact, as the departments have been operating in this capacity.

Fiscal Impact

There is no fiscal impact to make these administrative updates and corrections to the applicable schedules.

Coordinated With

This report was coordinated with the Business Services, Community Services, Mesa Fire & Medical, and Mesa Police Department.
