NOTICE OF VIRTUAL NEIGHBORHOOD MEETING

Dear Neighbor:

Together with our client, Blandford Homes, we are pleased to invite you to participate in a virtual neighborhood meeting to discuss the following land use applications that have been submitted to the City of Mesa for property in your area. The applications are for the following land use changes within the Hawes Crossing Master Plan. A map showing the approximate boundaries of the affected areas within Hawes Crossing is attached to this letter.

- **Hawes Crossing Village 6-** A request to rezone approximately 46 acres from various zoning districts that support multi-family, office and commercial development to the RSL-2.5 zoning district. Approval of this request will allow for the development of single-family, detached homes.
- **Hawes Crossing Village 7-** Rezoning of approximately 110 acres from zoning districts that allow for mixed use, and industrial uses, to the RSL-2.5 zoning district to allow for single-family, detached homes. Similarly, a General Plan Amendment is requested to change the land use designations on the same 110 acres from designations that support Urban and Employment uses, to the *Urban Residential* placetype.
- **Hawes Crossing Village 8-** Rezoning of 115 acres from commercial and mixed-use zoning districts, to the Light Industrial and Neighborhood Commercial zoning districts. Additionally, a General Plan Amendment is requested to change the land use designations from the *Regional Center* Placetype to the *Regional Employment Center* and *Neighborhood Center* placetypes.

A virtual neighborhood meeting has been scheduled to give adjacent property owners in this area an opportunity to meet with the applicant and learn more about the proposed development that would result with the approval of these applications. If you wish to participate in the neighborhood meeting or submit questions in advance, please email Vanessa MacDonald by using the QR Code provided at the bottom of this letter, or at vanessa.macdonald@pewandlake.com, before 5:00 p.m. on the day of the meeting.
