

Project Narrative

February 20, 2025
APN: 135-60-108

Description:

This is a request to remove the existing 462sqft workshop and replace it with a new 400sqft workshop. The existing building has been damaged by multiple storms; it has been determined that this structure is unsafe and is beyond repair.

Existing Workshop Details

- Size: 462 sqft
- Color: White
- Age: 30+ years

Historic Preservation has issued the COA under Record Number ADM25-00028 for the new 20'x20' workshop/storage building.

Thank you,
Lori Shuman
