

City Council Report

Date: October 17, 2022
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Use of a Cooperative Contract for the purchase of Twelve, Police Motorcycles (Replacements) for the Mesa Police Department **(Citywide)**

Purpose and Recommendation

Council is requested to approve the award as recommended.

The Mesa Police Department, Fleet Services Department, and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with LZ Delta, LLC dba GO AZ Motorcycles at \$348,012.

Background / Discussion

This purchase will replace motorcycles that are no longer operating at peak performance and continue to degrade; their electrical systems cannot support the new police radios and equipment, the lighting on the motorcycles are also below current lighting standards, incandescent bulbs instead of LED with no DOT or SAE approved replacement bulbs.

BMW is the only police motorcycle manufacturer that offers a turn-key police motor vehicle with lighting, sirens, PA, and circuitry fully integrated without the additional need/cost of secondary up-fitters.

The State of Arizona cooperative contract has been competitively bid and meets the City's procurement requirements. Utilizing the State of Arizona contract allows the City to receive very competitive rates based on a formally solicited agreement. The City believes the price is fair and reasonable. And the State allows the City to receive the motorcycles within 8 to 10 months shorten delays due to microchips and supply chain shortages.
