

# City Council Report

**Date:** January 13, 2020  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Four Month Renewal with Four Years of Renewal Options to the Term Contract for Tires for the Materials and Supply Warehouse (for the Fleet Services and Mesa Fire and Medical Departments) **(Citywide)**

## Recommendation

Council is requested to approve the contract renewal as recommended.

The Business Services Department and Purchasing recommend authorizing the renewal using the NASPO/State of Arizona cooperative contracts with Redburn Tire Company (Mesa location); at \$150,000 annually, based on estimated usage.

## Background / Discussion

This contract provides Bridgestone tires, primarily large tires for heavy-duty vehicles such as solid waste trucks and fire apparatus. Different brands of tires are required to meet the needs of varying vehicles and applications and to match existing tires on vehicles and equipment.

The NASPO/State of Arizona contracts were competitively bid and provide volume discounts to the State and its participating agencies. The City has been satisfied with each vendor's performance. This contract is advantageous to the City and it is in the City's best interest to renew the contract.
