

**INTERGOVERNMENTAL AGREEMENT BETWEEN  
CITY OF MESA  
AND  
MARICOPA COUNTY, ARIZONA**

This Intergovernmental Agreement (“Agreement”), effective on the date last signed below, is between the City of Mesa, an Arizona municipal corporation (“MESA”) and Maricopa County, a political subdivision of the state of Arizona (“COUNTY”).

COUNTY is authorized to enter into this Agreement pursuant to A.R.S. §11-201, §11-251 and §11-952. MESA is authorized to enter into this Agreement pursuant to A.R.S. §11-952.

The purpose of this Agreement is to fulfill the need for the establishment and maintenance of modern and reliable radio communication systems for MESA and COUNTY. Use of MESA sites by COUNTY and use of COUNTY sites by MESA will enhance the communications systems of both parties.

NOW THEREFORE, in consideration of the mutual promises and undertakings of the parties set forth herein and other good and valuable consideration, the sufficiency and adequacy of which the parties acknowledge, it is hereby agreed as follows:

1. Site Availability. This Agreement includes all MESA and COUNTY radio sites where space and technical parameters allow non-interfering operation between existing services and any new services proposed by MESA or COUNTY. MESA and COUNTY will make its respective radio sites available for the co-location of the radio communications equipment of the other, to the fullest extent that is technically and legally feasible, pursuant to the terms of this Agreement.
2. Site-Specific Terms. MESA and COUNTY will enter into a Site-Specific Supplemental Agreement (“SSSA”) for each site utilized under this Agreement. SSSAs will be reviewed and updated as needed by MESA and COUNTY.
3. Definitions. The agency whose site is utilized will be referred to as the “Host Agency” and the agency utilizing the site will be referred to as the “Benefiting Agency” in this Agreement and any SSSAs.
4. Component Costs. Unless otherwise specified in SSSAs, all radio communications system components will be provided by the Benefiting Agency and the cost of planning, construction, installation, operation, engineering, and maintenance of those systems will be borne by the Benefiting Agency. If any improvements that exist on the sites need to be removed and/or relocated to construct or install the Benefiting Agency’s equipment and/or communication systems, the removal and/or relocation of the improvements and the associated costs shall be borne solely by the Benefiting Agency.
5. Benefiting Agency Obligations. The Benefiting Agency agrees to:
  - (a) Provide maintenance for Benefiting Agency’s radio communications equipment using agency personnel or technical personnel from an outside service provider acceptable to the Host Agency. A Benefiting or Host Agency representative **must** be present when work is performed by an outside service provider.

- (b) Contact the Host Agency to coordinate installation or removal of equipment. Installation and construction of the communication systems and equipment on the sites is contingent upon Benefiting Agency obtaining all legally required permits and approvals from the appropriate jurisdiction. Approval of an SSSA or any amendment to an SSSA shall not be considered the granting of a permit or receipt of any type of approval from the Host Agency or the agency with jurisdiction.
- (c) Provide the Host Agency with current copies of Federal Communications Commission (FCC) and National Telecommunications and Information Administration (NTIA) licenses needed to operate radio communications equipment.
- (d) Notify the Host Agency when entering or leaving Host Agency's buildings.
- (e) Obtain any right-of-way or access agreements necessary for Benefiting Agency or its outside service providers to access a radio communications site.
- (f) Ensure installed equipment meets all Motorola R56 2017 requirements and any other installation standards set forth by Host Agency.
- (g) Be responsible for providing quality control by means of physical inspections, radio acceptance, and other testing to ensure the installation of equipment meets Host Agency and FCC/NTIA standards.
- (h) Ensure the security of the sites and not allow unauthorized persons to have access thereto. Benefiting Agency will not allow nonofficial use of the sites without prior written consent of the Host Agency.
- (i) Upon request from Host Agency, provide copies of as-built drawings to Host Agency. Construction or installation of communication systems shall not cause interference with communication systems or equipment already on the site and the parties shall work together to ensure all communication systems work without interference.
- (j) Obtain approval from Host Agency before making any changes (except for normal maintenance and upkeep) to the equipment installed at the sites as described in the SSSAs.
- (k) Repair any adverse effects (including, but not limited to, radio frequency interference) caused by Benefiting Agency's equipment. Host Agency will notify Benefiting Agency of any adverse effects reported to it by external entities.
- (l) Use the site solely for communication systems for public safety and welfare and those uses necessary to operate such communication systems. This Agreement does not expressly or impliedly authorize the Benefiting Agency to install additional communication systems on the sites outside of any replacement/upgrade components to its communication systems already in place on a site pursuant to an SSSA or any amendment thereto. Should additional communication systems need to be added to any site, the parties shall enter into a new SSSA or amend the SSSA that pertains to the particular site. This Agreement shall be considered automatically revoked without further action by the Host Agency if the unauthorized use is not corrected within thirty (30) days after written notice, pursuant to Section 16 below, is received by the Benefiting Agency.

- (m) If the site will require upgrades, improvements, and/or retrofits to accommodate the Benefitting Agency's communication systems, then Benefitting Agency shall, at its sole cost and expense, reimburse Host Agency for the cost to design, permit, and construct the upgrades, improvements, and/or retrofits.
- (n) Pay, or cause to be paid, taxes of whatever character which may be levied or charged upon the rights of the Benefitting Agency to use the site and/or the communication systems pursuant to this Agreement.
- (o) Pay for any and all costs and expenses associated with the planning, construction, installation, operation and maintenance of the Benefitting Agency's communication systems. If any improvements currently existing on the sites need to be removed and or relocated to construct and/or install the Benefitting Agency's communication system, the removal and relocation of the improvements and the costs associated therewith shall be borne solely by the Benefitting Agency.

6. Host Agency Obligations. The Host Agency agrees to:

- (a) Provide engineering and rigger services, if requested by Benefitting Agency, to install radio communications equipment, antennas, and antenna feed lines. Benefitting Agency will reimburse Host Agency for these and any other Additional Services as described in Section 9.
- (b) Contact any associations and/or landlords (*e.g.*, BLM, Forest Service, State Land) to obtain any necessary permissions for this additional use and submit to the Benefitting Agency for reimbursement of any additional costs to these entities caused by the Benefitting Agency's installation of equipment.
- (c) Provide commercial AC power and, where available, standby AC power at cost. No markup of utility charges will occur and the total due will be the net amount per billing period from all sites under this Agreement and associated SSSAs. Other power arrangements may be agreed upon within the SSSAs.
- (d) Review and approve of the communication systems and equipment preliminary placement design within a reasonable time from submittal.
- (e) Provide access to and from the sites for construction, installation, operation and maintenance of the communication systems.
- (f) Provide building and tower space, if requested and available, to install the Benefitting Agency's communication systems.

7. Entry and Inspection. The Host Agency shall always have the right to enter onto and inspect the sites and the communication systems and equipment on the sites. Host Agency will notify Benefitting Agency of any unsatisfactory condition relative to the construction, management, operation and maintenance of the sites and the communication systems and equipment on the sites. Benefitting Agency shall take immediate action to correct such condition(s) at Benefitting

Agency's expense.

8. Litter and Trash Removal. All trash and debris on the Host Agency property caused by Benefiting Agency must be removed from the Host Agency property by Benefiting Agency and disposed of in an appropriate manner. No Benefiting Agency equipment or materials shall be stored outside of any enclosure.
  
9. Additional Services. Should the Host Agency be asked to perform any additional installation, maintenance, or other tasks ("Additional Services"), the Benefiting Agency will reimburse the Host Agency for all Additional Services requested at the current rates in effect:
  - (a) For each hour of employee time plus all related expenses for each class of employee engaged in the Additional Services. Authorized overtime must be reimbursed at one and one-half times the hourly rate.
  
  - (b) For all parts or supplies purchased by the Host Agency to provide Additional Services. This will include actual costs incurred for the purchase of all parts or supplies plus any taxes, shipping, or other fees charged by the vendor. Neither agency will charge any subsequent mark-up, administrative, or handling charges on any parts or supplies purchased to perform the Additional Services.
  
10. Host Availability. Host Agency will provide the Additional Services Monday through Friday 8:00am to 4:00pm (excluding State holidays), with the following exceptions:
  - (a) Fixed radio equipment maintenance services to be provided twenty-four hours per day, seven days per week, and billed pursuant to Section 14. Anticipated response time for Network Operations Center ("NOC") to conduct initial investigation of fixed equipment outage will be one hour. However, actual repair time will depend on the nature of the issue, availability of repair parts, and the location and accessibility of the site.
  
  - (b) Anticipated response time for engineering design will be on an availability basis.
  
11. Attachments. Contact information for both parties at the time of the execution of this Agreement is included as "Attachment 1". Both parties must provide written notice of any changes to contact information to the other party as soon as reasonably possible. Updates to Attachment 1 will not be considered alterations to the Agreement for the purposes of Section 17.
  
12. Upgrade Requirement. The Host Agency may, at its discretion, designate certain equipment installed by the Benefiting Agency at Host's sites to be obsolete and/or incompatible with the operation of the Host Agency's communications system. The Benefiting Agency agrees to purchase and install replacement equipment within twelve months of written notice from the Host Agency. Failure to do so will result in removal of the designated obsolete/incompatible equipment and disabling of the communications functions provided by that equipment at the Benefiting Agency's expense.
  
13. Site Billing. The Host Agency will submit an invoice to the Benefiting Agency on an annual basis for site billing as described in the SSSAs. The final total will be the net amount due after all site-specific costs are computed. The invoice will include a list of all sites for which fees

are charged and the specific amount charged for each site. Unless otherwise agreed upon, invoices will be transmitted electronically via email and payment will be remitted via electronic funds transfer. Payment for the first year for any individual site will be prorated from the date last signed below to the end of the fiscal year. Thereafter, annual fees will be assessed July 1 – June 30. Payments will be due by July 31. Other payment arrangements may be agreed upon within the SSSAs.

14. Service Billing. The Host Agency will submit an invoice to the Benefiting Agency on a quarterly basis for all services performed pursuant to this Agreement. The final total will be the net amount due after all site-specific costs are computed. The billing will include a description of the locations involved and services performed. Unless otherwise agreed upon, billing will be transmitted electronically via email and payment will be remitted via electronic funds transfer. Other payment arrangements may be agreed upon within the SSSAs. All records regarding a bill or voucher, including employee time sheets and accounting logs, must be retained in compliance with A.R.S. § 35-214.
15. Term and Termination. This Agreement will expire on June 30, 2033. This Agreement may be renewed upon written notice one hundred and twenty (120) days prior to the expiration date and upon mutual agreement of the parties.
16. This Agreement may be terminated prior to the expiration date:
  - (a) At the end of any fiscal year due to non-appropriation of funds without any penalty or liability to the terminating party.
  - (b) By written notice for cause or for no cause at least sixty (60) days prior to the effective date of such termination.
  - (c) For failure of either party to comply with specific requirements of this Agreement which will constitute an event of default. A party shall provide written notice of default to the other party in accordance with the terms of this Agreement. A failure of the defaulting party to cure the default within thirty (30) days of receipt of the written notice will be sufficient cause for termination of this Agreement. Notwithstanding the foregoing, if the default cannot reasonably be cured within the thirty (30) day period, the parties may mutually agree to extend the time period to cure the default.
  - (d) In the event the defaulting party fails to perform its obligations under this Agreement, is in default and fails to cure the default, the other party may, at its option, terminate this Agreement and may, but shall not be required to, exercise any remedies now or hereafter available at law or in equity.
17. Ownership of Communication Systems. It is expressly understood and agreed that the Benefiting Agency retains title to all equipment installed by it and may modify, replace or remove such equipment when necessary. The parties acknowledge that all communication systems of the Benefiting Agency shall be deemed personal property of the Benefiting Agency.
18. Return of Property. Upon termination or expiration of this Agreement, property used to provide the above-stated services which belong to Benefiting Agency will, within a reasonable time period not to exceed ninety (90) days, be removed from service by the

Benefiting Agency or at the Benefiting Agency's expense and returned to the respective owner or to a mutually-agreed-upon location.

19. **Return of Premises and Removal of Equipment.** At the termination or expiration of this Agreement, Benefiting Agency, at its sole cost, shall remove the communication systems and equipment and restore the site to as similar condition as possible as prior to the installation as directed by Host Agency within sixty (60) days, weather permitting. If the removal and restoration cannot reasonably be completed within the sixty (60) day period, the parties may mutually agree to extend the time period.

20. **Alteration in Writing, Notice.** This Agreement may be amended, altered, or changed only upon written agreement of both parties.

(a) All notices or other communications required or permitted by this Agreement or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by first class mail, certified mail return receipt requested or U.S. Postal Service Express Mail or other overnight courier, with postage prepaid. The addresses specified in this section shall be that party's address for delivery or mailing of notices. Any party may, by written notice to the others, specify a different address for notice.

(b) Any notice sent by certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by first class mail, the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantee next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier.

21. **SSSA Creation and Modification.** SSSAs may be created or modified by MESA or COUNTY and will be incorporated into this Agreement upon approval of the designated agents of each party.

22. Third Party Agreements. Unless otherwise explicitly stated in a SSSA, the Benefiting Agency, is **not** granted the authority to enter into any other agreement with a third party to install new communication equipment at the Host Agency's sites without formal written approval from the Host Agency.
23. Indemnification. Each party (as "indemnitor") agrees to indemnify, defend, and hold harmless the other party (as "indemnitee") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorneys' fees) (hereinafter collectively referred to as "claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such claims which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees or volunteers.
24. Conflict of Interest. The requirements of A.R.S. §38-511 apply to this Agreement. Either party may cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of such party is, at any time while this Agreement or any extension is in effect, an employee or agent of the other party with respect to the subject matter of this Agreement.
25. Arbitration. The parties to this Agreement agree to resolve all disputes arising out of or relating to this Agreement through arbitration, after exhausting applicable administrative review, to the extent required by A.R.S. §12-1518 except as may be required by other applicable statutes.
26. Records Retention. Pursuant to A.R.S. §35-214, both parties shall retain and shall contractually require each subcontractor to retain all data, books, and other records (collectively "Records") relating to this Agreement for a period of five years after completion of the Agreement. All Records shall be subject to inspection and audit by the State at reasonable times. Upon request, the parties shall produce the original of any or all such Records.
27. Allocation of Funds. Every payment obligation of COUNTY under this Agreement is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of the Agreement, this Agreement may be terminated by COUNTY, as the case may be, at the end of the period for which funds are available. No liability shall accrue to COUNTY in the event this provision is exercised, and neither COUNTY shall not be obligated or liable for any future payments or for any damages as a result of termination under this section.
28. Compliance with Laws. Each party shall comply with all federal, state, and local laws, rules, regulations, ordinances, and standards in fulfillment of this Agreement. Any changes in the governing laws, rules, and regulations during the term of this Agreement shall apply and do not require an amendment to this Agreement.
29. Employer Sanctions Law. Both parties warrant that they are in compliance with A.R.S. § 41-4401 and further acknowledge:
  - (a) That each party and its subcontractors, if any, warrant their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with A.R.S. § 23-214, Subsection A;

- (b) That a breach of a warranty under this Section shall be deemed a material breach of the Agreement that is subject to penalties up to and including termination of the Agreement; and;
- (c) That each party retains the legal right to inspect the papers of the other party or its subcontractor's employee(s) who work under this Agreement to ensure that the party or subcontractor is complying with the warranty provided under this Section and that each party agrees to make all papers and employment records of said employee(s) available during normal working hours in order to facilitate such an inspection.

30. Environmental Compliance. If activities of the Benefiting Agency result in adverse environmental impacts on any site, the Benefiting Agency will be fully accountable for any resulting site assessment and cleanup cost required to restore the property. Host Agency will not seek compensation or restitution from Benefiting Agency as a "Potentially Responsible Party" for any release of a contaminant/hazardous substance on the property prior to the effective date of this Agreement.

- (a) Subject to the provisions set forth herein, Host Agency agrees the Benefiting Agency may use, generate and store any hazardous material at or on the sites as long as it is solely for the construction and/or installation, operation and maintenance of the communication systems.
- (b) Benefiting Agency shall provide to Host Agency, in writing, a complete list identifying all hazardous material or petroleum products and approximate quantities to be brought on site and when such products will be removed.
- (c) Additionally, Benefiting Agency shall prepare and implement any necessary remediation action plan in accordance with all applicable federal, state, and city statutes, laws, ordinances, rules and regulations. Benefiting Agency shall keep Material Safety Data Sheets documents on site for those materials and products.
- (d) Benefiting Agency shall report to Host Agency within twenty-four (24) hours of knowledge of any event or occurrence at the sites which may or does result in pollution or contamination adversely affecting lands, water or facilities owned or managed by the Host Agency, including the facilities which are subject of this Agreement.
- (e) Benefiting Agency shall protect, defend, indemnify and hold harmless Host Agency from and against all liabilities, costs, charges and expenses, including civil or criminal penalties, attorney's fees and court costs arising out of or related to any activity involving or use of a regulated substance under any applicable federal, state, or local environmental laws, regulations, ordinances or amendments thereto because of: (a) any such substance that came to be located on any site and/or the communication systems due to Benefiting Agency's use or occupancy of the sites pursuant to the terms of this Agreement, any SSSA or any amendment(s) to this Agreement or any SSSA; or (b) any release, threatened release or escape of any substance in, on, under or from said site that is caused, in whole or in part, by any conduct, action or negligence of the Benefiting Agency.
- (f) For the purposes of this Agreement, the term "regulated substances" shall include substances defined as "regulated substances," "hazardous waste," "hazardous substances," "hazardous materials," "toxic substances" or "pesticides" in the Resource Conservation

and Recovery Act, as amended by the Hazardous and Solid Waste Amendments of 1984, the Comprehensive Environmental Response, Compensation and Liability Act, as amended in 1986 to include Superfund Amendments and Reauthorization Act, the Hazardous Materials Transportation Act, the Toxic Substance Control Act, the Federal Insecticide, Fungicide and Rodenticide Act, the relevant local and state environmental laws, and the regulations, rules and ordinances adopted and publications promulgated pursuant to the local, state, and federal laws. This indemnification shall include, without limitation, claims or damages arising out of any violations of applicable environmental laws, regulations, ordinances, rules or subdivisions thereof. This environmental indemnity shall survive the expiration or termination of this Agreement or any amendment thereto and/or any transfer of all or any portion of the sites and shall be governed by the laws of the State of Arizona, if applicable. Benefiting Agency accepts sole responsibility and liability for all wastes produced by its operation, activities and occupation of the property and shall comply with all applicable laws concerning such wastes, including federal, state, and local regulatory requirements. Any such waste must be disposed of in compliance with the above.

- (g) Benefiting Agency agrees it shall be solely responsible for and assumes all responsibility for the actions of Benefiting Agency, its agents, employees and contractors in generating, storing, releasing, placing or allowing to remain on the property any hazardous substances, hazardous wastes, or toxic substances (hereinafter collectively referred to as “Hazardous Substances”), as those terms as defined and regulated under CERCLA, 42 U.S.C. 9601 et seq., RCRA, 42 U.S.C. 6901 et seq., or TSCA, 15 U.S.C. 2601 et seq. Benefiting Agency further agrees to comply with all environmental laws and regulations and to take such other actions as may be reasonably required to protect against environmental liabilities. Any such “hazardous substances” must be disposed of pursuant to and in compliance with all required laws and regulations concerning the use and disposal of such substances.
- (h) Management and proper disposal of all hazardous material is the responsibility of Benefiting Agency. Benefiting Agency must keep appropriate and required documentation relating to the management and disposal of all hazardous material.
- (i) Host Agency agrees to defend, indemnify, and hold harmless Benefiting Agency and its officials, electeds, agents and employees against all loss, liability, or expense relating to personal, property, or economic injury arising from the presence of Hazardous Substances located on any site (other than any such Hazardous Substances generated, stored, released, placed or allowed to remain on the property by the Benefiting Agency, its officials, electeds, agents, employees and contractors in violation of the law).

31. Insurance. The parties to this Agreement are each self-insured. During the entire time that this Agreement is in force, each party, at its sole cost and expense, shall carry and maintain levels of insurance that are considered standard for the uses and responsibilities set forth in this Agreement.

32. No Assignment. Neither party to this Agreement shall assign any of the rights received pursuant to the terms of this Agreement without the prior written consent of the other party.

33. No Partnership or Joint Venture. Nothing contained in this Agreement shall create any partnership, joint venture, or other such arrangement between the parties. Except as expressly provided herein, no term or provision of this Agreement is intended or shall be for the benefit of any person or entity not a party hereto, and no such other person or entity shall have any right or cause of action hereunder.
34. Venue: Governing Law. The proper venue for any proceeding at law or in equity shall be Maricopa County, Arizona and the parties hereby waive any right to object to venue. This Agreement shall be construed in accordance with and be governed by the laws of the State of Arizona.
35. Entire Agreement. This Agreement, together with any exhibits attached hereto constitutes the entire agreement between the parties and sets forth all the covenants, promises, agreements, conditions and understandings between the parties, and there are no covenants promises, agreements, conditions, or understandings, either oral or written, between the parties other than as set forth herein. This Agreement shall be construed as a whole and in accordance with its fair meaning and without regard to any presumption or other rule requiring construction against the drafting party. Each party has reviewed this Agreement and has had the opportunity to have it reviewed by legal counsel. This Agreement does not imply authority to perform any tasks, or accept any responsibility, not expressly stated in this Agreement. This Agreement does not create a duty or responsibility unless the intention to do so is clearly and unambiguously stated in this Agreement.
36. Waiver. Waiver by either party of any breach of any term, condition or covenant herein contained shall not be deemed to be a waiver of any other term, condition, or covenant herein, or of a subsequent breach of any term, covenant, or condition herein. Either party's consent to, or approval of, any subsequent or similar act shall not be deemed to render unnecessary the obtaining of either party's consent to, or approval of, any subsequent or similar act by the other, to be construed as the basis of an estoppel to enforce the provision or provisions of this Agreement requiring such consent.
37. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be valid under applicable law, but if any provision shall be invalid or prohibited thereunder, such provision shall be ineffective to the extent of such prohibition or invalidation but shall not invalidate the remainder of such provision or the remaining provisions of this Agreement.
38. Authority to Execute. Each party represents and warrants that the person who executes this Agreement is duly authorized to execute and deliver this Agreement on behalf of said governmental entity, and that all approvals have been obtained and that this Agreement is binding on said entity in accordance with its terms.
39. Headings. Sections and other headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.
40. Cooperation. The parties agree to cooperate in the execution and/or delivery to each other such other instruments and documents as may be reasonably necessary to fulfill the covenants and obligations to be performed by the parties pursuant to this Agreement.

41. Agreement as License. The Parties intend and mutually agree that this Agreement shall be construed as a mere license by Host Agency to Benefiting Agency to install the communication systems and equipment and operate them. This Agreement shall not be construed as a lease, sublease, rental agreement, or easement. It is understood and mutually agreed that Host Agency has no interest whatsoever in the communication systems or equipment.
42. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Electronic signatures shall have the same force and effect as original signatures.
43. Administration of Agreement. The Assistant County Manager for Maricopa County and/or the Real Estate Director for Maricopa County shall administer this Agreement, including execution of documents.
