AMENDED OPERATING AGREEMENT
OF

AN ARIZONA LIMITED LIABILITY COMPANY

THIS AMENDED OPERATING AGREEMENT ("Agreement") is entered into the 7
day of August, 2024, by the following:

1. Roland Segal
2. Ehab S. Abdallah
3. Richard Cullen Miller

hereinafter, ("Members" or "Parties").

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which is hereby acknowledged, the Parties covenant, contract and agree as follows:

ARTICLE I
FORMATION OF LIMITED LIABILITY COMPANY

1. Formation of LLC. The Members formed an Arizona limited liability company named Legacy Recovery Center, LLC ("LLC"). The operation of the LLC shall be governed by the terms of this Agreement and the applicable laws of the State of Arizona relating to the formation, operation and taxation of an LLC, including the Arizona Limited Liability Company Act (Arizona Revised Statutes, Title 29, Chapter 7) hereinafter referred to as the "Act". To the extent permitted by the Act, the terms and provisions of this Agreement shall control if there is a conflict between such Act and this Agreement.

2. Articles or Organization. The Members filed Articles of Organization ("Articles") for record in the office of the Arizona Corporation Commission on October 8, 2021, thereby creating the LLC.

3. Business. The business of the LLC is the operation of a residential rehabilitation and recovery center and any and all other things necessary, desirable or incidental thereto. The LLC may sell or otherwise dispose of all or substantially all of its assets, subject to any restrictions set out in this Agreement, and any such sale or disposition shall be considered to be within the scope of the LLC's business.

4. Registered Office and Registered Agent. The place of business and registered office of the LLC shall be 4666 E. Redfield Road, Gilbert, Arizona 85234. The registered agent shall be

Ehab S. Abdallah, 8350 E. Raintree Dr., Suite 130, Scottsdale, Arizona 85262. The Members may change the LLC addresses and/or registered agent from time to time.

5. Duration. The LLC will commence business as of the date the Members contribute their capital investment in the LLC and will continue in perpetuity.

6. Fiscal Year. The LLC's fiscal and tax year shall end December 31.

ARTICLE II MEMBERS

7. Members. The Members of the LLC, their initial capital contributions, and their percentage interest in the LLC are:

<u>Initial Members</u>	<u>Percentage Interest in LLC</u>	<u>Capital Contribution</u>
Roland Segal	34.83%	\$290,000.00
Ehab S. Abdallah	34.83%	\$290,000.00
Richard Cullen Miller	30.33%	\$165,000.00

8. Additional Members. New members may be admitted only upon the consent of a majority of the Members and upon compliance with the provisions of this agreement.

ARTICLE III MANAGEMENT

9. Management. The Members hereby delegate the management of the LLC to the Members, subject to the limitations set out in this agreement. Richard Cullen Miller will serve as Chief Executive Officer (“CEO”) on a full-time basis and be responsible for the overall management and marketing of the LLC. Ehab S. Abdallah will serve as Chief Financial Officer (“CFO”) on a part-time basis and be responsible for the financials of the LLC. Roland Segal will serve as Chief Medical Officer (“CMO”) on a part-time basis and be responsible for the clinical services provided by the LLC.

- (a) Removal. Any officer or agent may be removed by a majority of the Members whenever they decide that the best interests of the LLC would be served thereby. Such removal shall be without prejudice to the contract rights, if any, of the person so removed.
- (b) Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or otherwise may be filled by the Members for the unexpired portion of the term.

- (c) Salaries. Officers' salaries shall be established by a majority vote of the Members, but shall not commence until the LLC becomes profitable with three months reserves of monthly net operating expenses.

10. Member Only Powers. Notwithstanding any other provision of this Agreement, only a majority of the Members may: (a) sell or encumber any real estate owned by the LLC, or (b) incur debt, expend funds, or otherwise obligate the LLC if the debt, expenditure, or other obligation exceeds \$1,000.00.

ARTICLE IV CONTRIBUTIONS, PROFITS, LOSSES, AND DISTRIBUTIONS

11. Interest of Members. Each Member shall own a percentage interest (sometimes referred to as a share) in the LLC. The Member's percentage interest shall be based on the amount of cash or other property that the Member has contributed to the LLC and that percentage interest shall control the Member's share of the profits, losses, and distributions of the LLC.

12. Contributions. The initial contributions and initial percentage interest of the Members are as set out in this Agreement.

13. Additional Contributions. Only a majority of the Members of the LLC may call on the Members to make additional cash contributions as may be necessary to carry on the LLC's business. The amount of any additional cash contribution shall be based on the Member's then existing percentage interest. To the extent a Member is unable to meet a cash call, the other Members can contribute the unmet call on a pro rata basis based on the Members' percentage interests at that time, and the percentage interest of each Member will be adjusted accordingly.

14. Record of Contributions/Percentage Interests. This Agreement, any amendment(s) to this Agreement, and all Resolutions of the Members of the LLC shall constitute the record of the Members of the LLC and of their respective interest therein.

15. Profits and Losses. The profits and losses and all other tax attributes of the LLC shall be allocated among the Members on the basis of the Members' percentage interests in the LLC.

16. Distributions. Distributions of cash or other assets of the LLC (other than in dissolution of the LLC) shall be made in the total amounts and at the times as determined by a majority of the Members, except that no distributions shall be made until the LLC becomes profitable with three months reserves. Any such distributions shall be allocated among the Members on the basis of the Members' percentage interests in the LLC.

17. Change in Interests. If during any year there is a change in a Member's percentage interest, the Member's share of profits and losses and distributions in that year shall be determined under a method which takes into account the varying interests during the year.

ARTICLE V VOTING; CONSENT TO ACTION

18. Voting by Members. Members shall be entitled to vote on all matters which provide for a vote of the Members in accordance with each Member's percentage interest.

19. Majority Required. Except as otherwise required, a majority of the Members, based upon their percentage ownership, is required for any action.

20. Meetings - Written Consent. Action of the Members may be accomplished with or without a meeting. If a meeting is held, evidence of the action shall be by Minutes or Resolution reflecting the action of the Meeting, signed by a majority of the Members. Action without a meeting may be evidenced by a written consent signed by a majority of the Members.

21. Meetings. Meetings of the Members may be called by any Member owning 10% or more of the LLC, or, if Managers were selected, by any Manager of the LLC.

22. Majority Defined. As used throughout this agreement the term "Majority" of the Members shall mean a majority of the ownership interest of the LLC as determined by the records of the LLC on the date of the action.

ARTICLE VI DUTIES AND LIMITATION OF LIABILITY MEMBERS, OFFICERS AND PERSONS SERVING ON ADVISORY COMMITTEES; INDEMNIFICATION

23. Duties of Members: Limitation of Liability. The Members and officers shall perform their duties in good faith, in a manner they reasonably believe to be in the best interests of the LLC, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. No Member or officer shall have any liability to the LLC or any other Member by reason of being or having been a Member or officer. No Member or officer shall be liable to the LLC or to any other Member or officer for any loss or damage sustained by the LLC or any other Member or officer unless the loss or damage shall have been the result of fraud, deceit, gross negligence, willful misconduct, or a wrongful taking by that Member or officer.

24. Members Have No Exclusive Duty to LLC. The Members shall not be required to participate in the LLC as their sole and exclusive business. Members may have other business interests and may participate in other investments or activities in addition to those relating to the LLC. Neither the LLC nor any other Member shall have any right, by virtue of this Agreement, to share or participate in another member's business interests, investments or activities or the income or proceeds derived therefrom. No Member shall incur liability to the LLC or to any other Member by reason of participating in any such other business, investment or activity.

25. Protection of Members and Officers.

(a) As used herein, the term "Protected Party" refers to the Members and officers of the Company.

- (b) To the extent that, at law or in equity, a Protected Party has duties (including fiduciary duties) and liabilities relating thereto to the LLC or to any other Protected Party, a Protected Party acting under this Agreement shall not be liable to the LLC or to any other Protected Party for good faith reliance on:
 - (i) the provisions of this Agreement;
 - (ii) the records of the LLC; and/or
 - (iii) such information, opinions, reports or statements presented to the LLC by any person as to matters the Protected Party reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the LLC, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits or losses of the LLC or any other fact pertinent to the existence and amount of assets from which distributions to Members might properly be paid.
- c) The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Protected Party to the LLC or to any other Protected Party otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Protected Party.
- d) Whenever this Agreement permits or requires a Protected Party to make a decision in its "discretion" or under a grant of similar authority or latitude, the Protected Party shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the LLC or any other Person.
- e) Whenever this Agreement permits or requires a Protected Party to make a decision using a "good faith" or under another express standard, the Protected Party shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement or other applicable law.

26. Indemnification and Insurance.

(a) Right to Indemnification.

- (i) Any person who is or was a member or officer of the LLC and who is or may be a party to any civil action because of his/her participation in or with the LLC, and who acted in good faith and in a manner which he/she reasonably believed to be in, or not opposed to, the best interests of the LLC, shall be indemnified and held harmless by the LLC.
- (ii) Any person who is or was a member or officer of the LLC and who is or may be a party to any criminal action because of his/her participation in or with the LLC, and who acted in good faith and had reasonable cause to

believe that the act or omission was lawful, shall be indemnified and held harmless by the LLC.

- (b) Advancement of Expenses. Expenses (including attorney's fees) incurred by an indemnified person in defending any proceeding shall be paid in advance of the proceeding's final disposition. Should the indemnified member or officer ultimately be determined to not be entitled to indemnification, that member or officer agrees to immediately repay to LLC all funds expended by the LLC on behalf of the member or officer.
- (c) Non-Exclusivity of Rights. The right to indemnification and the advancement of expenses conferred in this section shall not be exclusive of any right which any person may have or hereafter acquire under any statute, provision of this Agreement, contract, agreement, vote of Members or otherwise. The Members and officers are expressly authorized to adopt and enter into indemnification agreements for Members, officers and advisory committee members.
- (d) Insurance. The Members may cause the LLC to purchase and maintain insurance for the LLC, for its Members and officers, and/or on behalf of any third party or parties whom the members might determine should be entitled to such insurance coverage.
- (e) Effect of Amendment. No amendment, repeal or modification of this Article shall adversely affect any rights hereunder with respect to any action or omission occurring prior to the date when such amendment, repeal or modification became effective.

27. Duties of Persons Serving on Advisory Committees; Limitation of Liability; Indemnification. The Members shall have the right to form advisory committees. Persons serving on an advisory committee, whether or not a Member or officer, shall perform their duties in good faith, in a manner they reasonably believe to be in the best interests of the LLC, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. A person serving on an advisory committee shall not have any liability to the LLC or to any Member or officer for any loss or damage sustained by the LLC or any Member or officer unless the loss or damage was the result of fraud, deceit, gross negligence, willful misconduct, or a wrongful taking by such person.

ARTICLE VII DISSOCIATION OF MEMBER

28. Dissociation. A Member is dissociated as a member upon the occurrence of one or more of the following events:

- (a) A Member provides notice of withdrawal to the LLC thirty (30) days in advance of the withdrawal date. Withdrawal by a Member is not a breach of this Agreement.

(b) A Member assigns all of his/her interest to a third party.

(c) A Member dies.

(d) There is an entry of an order by a court of competent jurisdiction adjudicating the Member incompetent to manage his/her person or his/her estate.

(e) In the case of an estate that is a Member, the distribution by the fiduciary of the estate's entire interest in the LLC.

(f) A Member, without the consent of a majority of the Members: (1) makes an assignment for the benefit of creditors; (2) files a voluntary petition in bankruptcy; (3) is adjudicated a bankrupt or insolvent; (4) files a petition or answer seeking for himself any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law or regulation; (5) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against him in any proceeding of the nature described in this paragraph; (6) seeks, consents to, or acquiesces in the appointment of a trustee, receiver, or liquidator of the Member or of all or any substantial part of his properties; or (7) if any creditor permitted by law to do so should commence foreclosure or take any other action to seize or sell any Member's interest in the LLC.

(g) If within one hundred twenty (120) days after the commencement of any action against a Member seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law, or regulation, the action has not been dismissed and/or has not been consented to by a majority of the Members.

(h) If within ninety (90) days after the appointment, without a Member's consent or acquiescence, of a trustee, receiver, or liquidator of the Member or of all or any substantial part of the Member's properties, said appointment is not vacated or within ninety (90) days after the expiration of any stay, the appointment is not vacated and/or has not been consented to by a majority of the Members.

(i) Any of the events provided in applicable code provisions that are not inconsistent with the dissociation events identified above.

29. Effect of Dissociation. Any dissociated Member shall not be entitled to receive the fair value of his LLC interest solely by virtue of his dissociation. A dissociated Member that still owns an interest in the LLC shall be entitled to continue to receive such profits and losses, to receive such distribution or distributions, and to receive such allocations of income, gain, loss, deduction, credit or similar items to which he would have been entitled if still a Member. For all other purposes, a dissociated Member shall no longer be considered a Member and shall have no rights of a Member.

ARTICLE VIII
RESTRICTIONS ON TRANSFERABILITY OF LLC INTEREST;
SALE OF INTEREST

30. LLC Interest. The LLC interest is personal property. A Member has no interest in property owned by the LLC.

31. Encumbrance. A Member can encumber his LLC interest by a security interest or other form of collateral only with the consent of a majority of the other Members. Such consent shall only be given if the proceeds of the encumbrance are contributed to the LLC to respond to a cash call of the LLC.

32. Sale of Interest. A Member can sell his LLC interest only as follows:

(a) If a Member desires to sell his/her interest, in whole or in part, he/she shall give written notice to the LLC of his desire to sell all or part of his/her interest and must first offer the interest to the LLC. The price of the offered interest shall be equal to the selling Member's initial capital contribution. The decision to buy shall be made by the majority vote of the other Members. To the extent the LLC does not buy the offered interest of the selling Member, the other Members shall have the option to buy the offered interest at the same sale price. To the extent the LLC or the other Members do not buy the offered interest, the selling Member can then assign the interest to a non-member for the same sale price.

(b) A non-member purchaser of a Member's interest cannot exercise any rights of a Member unless all of the non-selling Members consent to the purchaser becoming a Member. The non-member purchaser will be entitled, however, to share in such profits and losses, to receive such distributions, and to receive such allocation of income, gain, loss, deduction, credit or similar items to which the selling Member would be entitled, to the extent of the interest assigned, and will be subject to calls for contributions under the terms of this Agreement. The purchaser, by purchasing the selling Member's interest, agrees to be subject to all the terms of this Agreement as if the purchaser were a Member.

ARTICLE IX
OBLIGATION TO SELL ON A DISSOCIATION
EVENT CONCERNING A MEMBER

33. Dissociation. Except as otherwise provided in this Agreement, upon the occurrence of a dissociation event with respect to a Member, the LLC and Members have the option to purchase the dissociated Member's interest in the same manner as provided in ARTICLE VIII and as if the dissociated Member had notified the LLC of the desire to sell the interest. The date the LLC received the notice as provided in ARTICLE VIII triggering the option shall be deemed to be the date that the LLC receives actual notice of the dissociation event.

ARTICLE X DISSOLUTION

34. Termination of LLC. The LLC will be dissolved and its affairs must be wound up only upon the written consent of a majority of the Members.

35. Final Distributions. Upon the winding up of the LLC, the assets must be distributed as follows: (a) to the LLC creditors; (b) to Members in satisfaction of liabilities for distributions; and (c) to Members first for the return of their contributions and secondly respecting their LLC interest, in the proportions in which the Members share in profits and losses.

ARTICLE XI TAX MATTERS

36. Capital Accounts. Capital accounts shall be maintained consistent with Internal Revenue Code and the applicable regulations thereunder.

37. Partnership Representative. The Members hereby designate Ehab S. Abdallah as the partnership representative for purposes of representing the LLC before the Internal Revenue Service if necessary.

ARTICLE XII RECORDS AND INFORMATION

38. Records and Inspection. The LLC shall maintain at its place of business the Articles of Organization, any amendments thereto, this Agreement, and all other LLC records required to be kept by the Act, and the same shall be subject to inspection and copying at the reasonable request, and the expense, of any Member.

39. Obtaining Additional Information. Subject to reasonable standards, each Member may obtain from the LLC from time to time upon reasonable demand for any purpose reasonably related to the Member's interest as a Member in the LLC: (1) information regarding the state of the business and financial condition of the LLC; (2) promptly after becoming available, a copy of the LLC's federal, state, and local income tax returns for each year; and (3) other information regarding the affairs of the LLC as is just and reasonable.

ARTICLE XIII MISCELLANEOUS PROVISIONS

40. Amendment. Except as otherwise provided in this Agreement, any amendment to this Agreement may be proposed by a Member. Unless waived by the Members, the proposing Member shall submit to the Members any such proposed amendment together with an opinion of counsel as to the legality of such amendment and the recommendation of the Member as to its adoption. A proposed amendment shall become effective at such time as it has been approved in writing by a majority of the Members. This Agreement may not be amended nor may any rights

hereunder be waived except by an instrument in writing signed by the party sought to be charged with such amendment or waiver, except as otherwise provided in this Agreement.

41. Applicable Law. To the extent permitted by law, this Agreement shall be construed in accordance with and governed by the laws of the State of Arizona.

42. Pronouns, Etc. References to a Member or Manager, including by use of a pronoun, shall be deemed to include masculine, feminine, singular, plural, individuals, partnerships or corporations where applicable.

43. Counterparts. This instrument may be executed in any number of counterparts each of which shall be considered an original.

44. Specific Performance. Each Member agrees with the other Members that the other Members would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that monetary damages would not provide an adequate remedy in such event. Accordingly, it is agreed that, in addition to any other remedy to which the nonbreaching Members may be entitled, at law or in equity, the nonbreaching Members shall be entitled to injunctive relief to prevent breaches of this Agreement and, specifically, to enforce the terms and provisions of this Agreement in any action instituted in any court of the United States or any state thereof having subject matter jurisdiction thereof.

45. Further Action. Each Member, upon the request of the LLC, agrees to perform all further acts and to execute, acknowledge and deliver any documents which may be necessary, appropriate, or desirable to carry out the provisions of this Agreement.

46. Method of Notices. All written notices required or permitted by this Agreement shall be hand delivered or sent by registered or certified mail, postage prepaid, addressed to the LLC at its place of business or to a Member as set forth in the records of the LLC (any Member may from time to time give notice changing his address for that purpose), and shall be effective when personally delivered or, if mailed, on the date set forth on the receipt of registered or certified mail.

47. Facsimiles. For purposes of this Agreement, any copy, facsimile, telecommunication or other reliable reproduction of a writing, transmission or signature may be substituted or used in lieu of the original writing, transmission or signature for any and all purposes for which the original writing, transmission or signature could be used, provided that such copy, facsimile telecommunication or other reproduction shall have been confirmed received by the sending Party.

48. Computation of Time. In computing any period of time under this Agreement, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, Sunday or legal holiday, in which event the period shall run until the end of the next day which is not a Saturday, Sunday or legal holiday.

WHEREFORE, the Parties have executed this Agreement effective on the date stated above.
