

City Council Report

Date: August 17, 2026
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Three-Year Term Contract with Two-Year Renewal Options for Ball Valves for the Materials and Supply Warehouse (for the Energy Resources Department) **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Business Services Department and Procurement Services recommend awarding the contract to the lowest, responsive, and responsible bidders, Broen, Inc., and Kerotest Manufacturing Corporation, in a combined total amount not to exceed \$1,550,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

This contract will provide weld-end ball valves for the Materials and Supply Warehouse to support the Energy Resources Department's gas construction and maintenance projects. Ball valves provide rapid, leak-tight shut-off and flow control of natural gas within gas lines. The valves will be used for upcoming gas work and to maintain adequate emergency inventory for critical operational needs.
