

# CITIZEN PARTICIPATION REPORT

June 9, 2026

## Evergreen Mixed-Use Development.

Case Numbers: ZON25-00693 (Companion Case by Brookfield Residential: ZON26-00155).  
Eastmark Planned Community, Development Units 5/6S.  
Southwest Corner of South Signal Butte Road & East Rubidium Avenue.  
Approximately 11.7 Acres (APN: 313-28-804) - Vacant Land.

### **A. Case Numbers: ZON25-00693 (Companion Case by Brookfield Residential: ZON26-00155).**

**Overview:** The purpose of this Citizen Participation Report is to summarize the citizen participation process conducted for the proposed Evergreen mixed-use development, consisting of multifamily residential and retail uses, associated with the Site Plan review and approval for approximately 11.7 acres of vacant land located at the southwest corner of South Signal Butte Road and East Rubidium Avenue (APN: 313-28-804) (the “Property”).

The City of Mesa Development Services Department, Planning Division, received last year an application request for Site Plan approval for a multifamily residential development and 2 acres for neighborhood retail uses compatible with the existing retail center located along Signal Butte Road within the Planned Community (“PC”), Eastmark Community Plan for Development Units 5/6S. This year, the City of Mesa Development Services Department, Planning Division, informed us that we will need a modification to the Development Unit Plan (“DUP”) for DU 5/6S to designate a Land Use Group (“LUG”) for the Property. The Eastmark Community document was not clear and the City requested an additional update. Thus, a LUG D – District is being proposed for our proposed uses/development plan consistent with the existing district designation for the retail center on Signal Butte Road. The new request/submittal will also update the DU 5/6S boundary to align with the existing Rubidium Drive.

With that said the property owner (DMB Mesa Proving Grounds LLC; a.k.a., Brookfield Residential) submitted a request for LUG D – District designation (Case: ZON26-00155) to the City of Mesa Development Services Department, Planning Division, this year to be processed concurrently with our original site plan request (Case: ZON25-00693).

The proposal by Evergreen is to develop a 261-unit apartment community and associated retail. The proposed community will have a myriad of features including a lounge for the residents, full common area automation, heated pool and spa with cabanas, barbecue grills and fireplace, indoor/outdoor workout areas, dog park, car charging stations, mail kiosks and more. The community will be a mix of one-, two- and three-bedroom floorplans ranging from approximately 750 to 1,300 square feet.

## **B. Contact Lists**

The Contact Lists for the cases are included as noted below. See **Tab A** for the notice area map and mailing lists.

1. Contact lists as provided by the City of Mesa Planning Division.
    - All property owners within 1,000 feet of the site as determined by the Maricopa County Assessor for the Neighborhood Meeting and future public hearing notices, when those dates are determined.
    - Any Homeowners Associations within ½-mile of the project.
    - Registered Neighborhoods within 1-mile and Interested Parties list provided by the City of Mesa.
  2. The City of Mesa Planning Division, City of Mesa Senior Planner, Jennifer Merrill, provided an updated master notice list for the Brookfield case (ZON26-00155) which was much larger and encompassing. This updated master notice list was used for both April 16, 2026, and May 13, 2026, Neighborhood Meeting Open House notices. This updated master notice list will also be used for the public hearing notice.
  3. Updated Master Notice list.
    - All property owners within the boundaries of DU 5/6S and a minimum 300-foot radius of the boundaries of DU 5/6S, per the Eastmark Planned Community document. The property owners' names/contact information were provided by the City of Mesa Planning Division.
    - Homeowner associations and registered neighborhoods as well as any interested parties were provided by the City of Mesa Planning Division.
    - Additional contacts.
      - a) Queen Creek Unified School District, 20217 East Chandler Heights Road, Queen Creek, AZ 85142.
      - b) Mesa Public Schools, 63 East Main Street, Mesa, AZ 85201.
      - c) Gilbert Public Schools District, 140 South Gilbert Road, Gilbert, AZ 85296.
      - d) Mesa Gateway Airport Authority, 5835 South Sossaman Road, Mesa, AZ 85212-6014.
      - e) Mark Gaspers, Boeing Company, 5000 East McDowell Road, Mesa, AZ 85215.
- ❖ The above contacts are in a combined master contact list (2,155 total contacts). See **Tab B** for the updated master contact list.

## **C. 1<sup>st</sup> Neighborhood Meeting Open House Notification**

### ***Notice of 1<sup>st</sup> Neighborhood Meeting Open House Letter***

On December 1, 2025, Gammage & Burnham, P.L.C. (the “Applicant”) handled the mailing of the Evergreen letter for the 1<sup>st</sup> Neighborhood Meeting Open House notification. The mailing lists for the notification letter included all parties within 1,000 feet, Homeowners Associations within ½-mile, and Registered Neighborhoods within 1-mile and Interested Parties list provided from the City of Mesa. The content of the letter included a description of the request; case number; site location and acreage; the date, time, and location of the neighborhood meeting; contact information for the Applicant and City planner assigned to the case; and copies of the site plan and building rendering for the proposed development were also provided with the letter. See **Tab C** for a copy of the letter mailed.

### ***Summary of Neighborhood Meeting Open House***

The neighborhood meeting was held on Wednesday, December 17, 2025, 5:30 PM, Fire Station 221, Eastmark - Meeting Room, 9320 East Point Twenty-Two Blvd, Mesa, AZ 85212, and lasted about 1-1/2-hours. In addition to the development team and City of Mesa Senior Planner, Jennifer Merrill, ten (10) individuals attended the meeting. An open-house format was set up to allow for greater engagement, which was successful. See **Tab D** for copies of the original sign-in sheet/typed sign-in sheet for the 1<sup>st</sup> Neighborhood Meeting Open House.

Below are some of the comments received and answers provided by the development team during the neighborhood meeting.

**Q.** It is difficult for users of the existing commercial plaza to make a left turn onto Signal Butte Road. Will the proposed development make it more challenging to make a left onto Signal Butte Road? Also, stopping the shopping carts from the existing commercial plaza from making their way west into our neighborhood or onto the proposed pedestrian pathway.

**A.** The City Engineering/Streets Dept. has reviewed the capacity/street circulation for the proposed use(s) and they have not expressed any issues. Regarding the shopping carts, your concern was noted by the City Staff in attendance.

**Q.** It appears that some grading has already been done on your site?

**A.** No grading associated with the proposed development has occurred to date, however, the Great Park construction by the City of Mesa will need to have access to the site for maneuverability of their construction traffic/moving some of their dirt around (temporarily) for construction purposes, which the current landowner will allow.

**Q.** Can residents of the multifamily access (vehicularly) the site from the existing single-family neighborhood?

**A.** No, it is important to note that the site cannot be accessed from the south which means the existing neighborhood will not have vehicular traffic from the project.

**Q.** Where is access to the site?

**A.** Access to the site is from Rubidium Road where there will be one (1) ingress/egress for the multifamily project and one (1) shared ingress/egress for the retail and multifamily.

**Q.** Do we know what the retail might be?

**A.** We have had interest from Chipotle as one (1) of the potential end-users but are working on identifying the final users. No ultimate decisions have been made.

**Q.** How many units will there be?

**A.** There will be 261 units, with the majority being 1 and 2 bedrooms. They are anticipated to range from 750 SF up to 1,300 SF.

**Q.** How many parking spaces will there be?

**A.** There will be 488 parking spaces with 261 of those spaces being covered. With 261 units, this averages out to each unit having one (1) covered space.

**Q.** How far back will the southernmost buildings be?

**A.** While only 10' is required, the two closest buildings are approximately 87' and 172' from the southern property lines.

**Q.** Why did you change the layout of the southernmost buildings?

**A.** Reorienting them to their current layout further protects the privacy of the existing houses to the south.

**Q.** There won't be two (2) walls between the pedestrian path and the parking lot, correct?

**A.** That's correct, the existing wall will remain, except for the City Staff requesting a small access point from the small park area south of the site connecting to the future Great Park.

**Q.** Will there be access to the park from the site?

**A.** Yes, three (3) access points are proposed. Moreover, in response to the Park's Department, adding signage reminding residents that the park is public and pet waste stations will be provided for residents as they enter the park.

The general consensus appeared to be limited regarding the proposed use/layout and many concerns raised were answered and/or will be addressed by the final design.

#### **D. Neighborhood Meeting Open House Notification/Update (2<sup>nd</sup>)**

##### *Notice of Neighborhood Meeting Open House Letter*

On February 25, 2026, Gammage & Burnham, P.L.C. (the “Applicant”) handled the mailing of the Evergreen letter for the Neighborhood Meeting Open House notification/update. The mailing lists for the notification letter included all parties within 1,000 feet, Homeowners Associations within ½-mile, and Registered Neighborhoods within 1-mile and Interested Parties list provided from the City of Mesa. The content of the letter included a description of the updated request; case numbers for both Evergreens proposal and Brookfield Residentials proposal; site location and acreage of the update; the date, time, and location of the neighborhood meeting; contact information for the Applicant and City planner assigned to the cases; and copies of the location and acreage exhibits of the update for the proposed development were provided with the letter. See **Tab E** for a copy of the letter mailed.

##### *Summary of Neighborhood Meeting Open House*

The neighborhood meeting was held on Thursday, March 12, 2026, at the Sequoia Pathfinder Academy at Eastmark, Classroom 103, at 4816 South Eastmark Parkway, Mesa, AZ 85212, from 6:00 PM – 7:30 PM. **Note:** The classroom location was changed by the Sequoia Pathfinder Academy from classroom 210 **to** 103, signage was placed throughout to guide people to the correct room. In addition to the development team and City of Mesa Staff, Evan Balmer, Assistant Planning Director Development Services, the Vice Mayor Scott Somers, District 6 - Southeast Mesa and four (4) individuals attended the meeting. An open-house format was set up to allow for greater engagement, which was successful. See **Tab F** for copies of the original sign-in sheet/typed sign-in sheet for the Neighborhood Meeting Open House.

Below are some of the comments/statements received.

- Push the park construction traffic towards the main streets north and limit impact to neighborhood.
- Like the overall design of the multifamily.
- Prefer no connectivity to small neighborhood park and the future Great Park.
- No “yellow” flowering trees/Palo Verde trees, think about Pistache trees.
- Provide more landscaping (trees), buffer setback along the abutting wall of the southern five (5) lots.

Again, the general consensus appeared to be limited regarding the proposed use/layout and the concerns about tree type and providing an enhanced buffer/more trees separating the five (5) lots will be discussed further with the City Staff regarding the tree type and an enhanced buffer setback has been incorporated into the current site plan design.

#### **E. Brookfield Case (ZON26-00155) Neighborhood Meeting Open House (3<sup>rd</sup>)**

##### *Notice Neighborhood Meeting Open House Letter – Brookfield Case (ZON26-00155)*

April 2, 2026, Brookfield Residential Land prepared and mailed the letter for the Neighborhood Meeting Open House notification. The contents of the letter included a description of the request; approximate site location; Development Unit Plan map with DU 5/6S area started on the map; the date, time, and location of the Neighborhood Meeting Open House, and contact information for the Applicant. See **Tab G** for a copy of the letter mailed.

##### *Summary of Neighborhood Meeting Open House – Brookfield Case (ZON26-00155)*

The neighborhood meeting was held on Thursday, April 16, 2026, from 3-7 PM, in the Classroom at the Mark Resident Community Center of Eastmark at 10100 East Ray Road, Mesa AZ, 85212, and lasted 4 hours. In attendance were representatives from Brookfield Residential Land, Evergreen, and Gammage & Burnham, P.L.C. as well as the City of Mesa Senior Planner, Jennifer Merrill. Twenty-five (25) individuals attended the open house meeting, they were able to review the boards and ask questions with the team, which was successful. See **Tab H** for copies of the original sign-in sheet/typed sign-in sheet for the Neighborhood Meeting Open House.

See also **Tab I** for copies of the seven (7) individual comments received at the open house meeting.

The consensus appeared to be limited regarding the proposed use/layout of the apartments (e.g., density, traffic, etc.) and some preferred “no development” at all. However, those concerned about the proposed apartments were appreciative of the greater open space buffer abutting the existing five (5) residential lots and setbacks proposed for the apartment buildings closest to those residential lots and no vehicular access into the residential subdivision south.

#### **F. Combined Cases (ZON25-00693 & ZON26-00155) Neighborhood Meeting Open House (4<sup>th</sup>)**

##### *Notice of Neighborhood Meeting Open House Letter - Combined Cases (ZON25-00693 & ZON26-00155)*

April 27, 2026, Gammage & Burnham, P.L.C. (the “Applicant”) handled the mailing of this Neighborhood Meeting Open House notification/combined cases (Cases: ZON25-00693 & ZON26-00155) for Evergreen and Brookfield Residential. The content of the letter included a description of the two (2) requests; case numbers for both the Evergreen’s and Brookfield Residential’s proposals; site location and acreage; the date, time, and location of the neighborhood meeting; contact information for the Applicant and City planner assigned to

the cases; and exhibits of the property location map, the proposed Evergreen site plan/building perspectives, and the proposed LUG-District map/open space map were included with the letter. See **Tab J** for a copy of the letter mailed.

***Summary of Neighborhood Meeting Open House - Combined Cases (ZON25-00693 & ZON26-00155)***

The Neighborhood Meeting Open House was held on Wednesday, May 13, 2026, in the Classroom at the Mark Resident Community Center of Eastmark at 10100 East Ray Road, Mesa AZ, 85212, from 5:30 – 6:30 PM. In attendance were representatives from Brookfield Residential Land, Evergreen, and Gammage & Burnham, P.L.C. as well as the City of Mesa Senior Planner, Jennifer Merrill. Eight (8) people attended the Neighborhood Meeting Open House. See **Tab K** for copies of the original sign-in sheet/typed sign-in sheet for the Neighborhood Meeting Open House.

See also **Tab L** for copies of the three (3) individual comments received at the open house meeting.

Again, concerns regarding the proposed use/layout of the apartments with some preferring “no development.” Tepid support by others for the use and some liked the Electrical Vehicle (EV) charging stations being provided, which can be used by anyone including the residents of Eastmark as well as those visiting both the apartments/retail development. Again, there was support/appreciation of the greater open space buffer abutting the existing five (5) residential lots, the setbacks proposed for the apartment buildings closest to those residential lots, no vehicular access into the residential subdivision south, and amenities onsite for the future renters.

**G. Inquiries / Responses to Date**

To date, Gammage & Burnham, P.L.C. has received directly and responded to three (3) emails. Copies of those emails and responses are included for reference. In addition, the City of Mesa Planning Division received and forwarded to us eleven (11) emails regarding the proposed use. Those emails provided were opinions regarding the proposed mixed-use apartment development. The City of Mesa Senior Planner, Jennifer Merrill responded to each advising them that there was another neighborhood meeting open house scheduled for May 13, 2026. See **Tab M** for copies of emails and/or responses, as applicable.

Finally, we received copies of three (3) support letters/emails. See **Tab N** for copies of emails and/or letters of support for the proposed mixed-use apartment development.

**H. Procedures Going Forward**

Gammage & Burnham, P.L.C., Evergreen, and Brookfield Residential will continue to engage, as needed, with the community and respond to inquiries going forward. Should we receive any additional telephone calls, emails, letters, or meeting requests from the community/residents we will update this Citizen Participation Report.

## **I. Public Meeting Notice and Postings**

### *Notice of Planning & Zoning Board Meeting Letter and Site Posting*

On June 8, 2026, Gammage & Burnham, P.L.C. handled/completed the notice mailing of the Planning & Zoning Board Meeting scheduled for June 24, 2026, (Cases: ZON25-00693 & ZON26-00155) for Evergreen and Brookfield Residential. Per the City of Mesa Planning Division, the two (2) separate letters for each case were allowed to be in one (1) envelope and mailed. The combined master contact list (2,155 total contacts) included with this Citizen Participation Report was used for this mailing. The content of the letter included a description of the request; case number(s); site location and acreage; the date, time, and location of the Planning & Zoning Board Meeting; contact information for Gammage & Burnham, P.L.C. and the City planner assigned to the case, and applicable attachments were provided with each letter. See **Tab O** for a copy of the letter mailed/affidavit of mailing for ZON25-00693 (Evergreen).

Dynamite Signs completed the one (1) onsite sign posting requested by the City of Mesa Planning Division. See **Tab P** for a copy of the photograph/affidavit and location map of both cases sign postings.

Re: Notice of Site Plan Application Filed / Neighborhood Meeting.  
City of Mesa Reference Number: ZON25-00693.  
Zoned Planned Community (PC) – Eastmark Community Plan.  
Development Units 5/6S.  
Southwest Corner of South Signal Butte Road & East Rubidium Avenue.  
Approximately 11.7 Acres (APN: 313-28-804) - Vacant Land.

Dear Property Owner:

Evergreen is seeking site plan approval for approximately 11.7 acres of vacant land located Southwest Corner of South Signal Butte Road & East Rubidium Avenue (APN: 313-28-804) (the “Property”). (See the Attached: Property Location Map) We have submitted to the City of Mesa Development Services Department, Planning Division, an application request for site plan approval for a multifamily residential development within the Planned Community (“PC”), Eastmark Community Plan, Development Units 5/6S. The proposed multifamily residential development is an allowed use within the Eastmark PC zoning district Development Units 5/6S. No rezoning is being requested or necessary for the proposed use. In addition, Evergreen will be developing 2 acres at the immediate corner for neighborhood retail uses, which are also allowed under Development Units 5/6S, and are compatible with the existing retail center located along Signal Butte Road.

As stated, the Property is currently vacant and proposed to be developed with a 261-unit apartment community and associated retail by Evergreen. Contemporary architecture, attention to detail, cutting edge amenities, along with a proven team ensure the apartment community will meet the design aesthetics required to be within Eastmark. The proposed community will have a myriad of features including a lounge for the residents, full common area automation, heated pool and spa with cabanas, barbecue grills and fireplace, indoor/outdoor workout areas, dog park, car charging stations, mail kiosks and more.

The community’s one-, two- and three-bedroom floorplans range from approximately 750 to 1,300 square feet and feature many eco-conscious, tech-forward amenities including Energy Star appliances, low-flow plumbing fixtures, LED lighting, and dual-pane Energy Star windows. The proposed site plan intentionally orients the apartment buildings primarily towards East Rubidium Avenue and the future “great park”, allowing increased setbacks of the buildings along the southern portion of the property (adjacent to the residential homes). The minimum required building setback from the single family homes is 10 feet and instead the proposed site plan places the buildings 172 feet and 87 feet away. (See Attached: Site Plan, Landscape Plan, & Building Elevation Samples).

Multifamily residential housing, which again is a permitted use within the existing Development Units 5/6S zoning, is an integral transition to Eastmark’s Employment Core as well as aligns with the existing buildings, landscaping, and amenities (i.e., future park) within the area. Evergreen looks forward to being a part of and working with the community.

With that being said, please accept this letter as an invitation to attend a Neighborhood Meeting, which is being held to discuss Evergreen’s development proposal.

**Approximately 11.7 Acres (APN: 313-28-804) - Vacant Land.**

Dear Property Owner / Interested Parties:

As you may recall, Evergreen is seeking site plan approval for approximately 11.7 acres of vacant land located Southwest Corner of South Signal Butte Road & East Rubidium Avenue (APN: 313-28-804) (the “Property”). (See the Attached: Property Location Map) We have submitted to the City of Mesa Development Services Department, Planning Division, an application request for site plan approval for a multifamily residential development and 2 acres for neighborhood retail uses compatible with the existing retail center located along Signal Butte Road within the Planned Community (“PC”), Eastmark Community Plan for Development Units 5/6S. We held a neighborhood meeting on December 17, 2025, at the Fire Station 221 - Eastmark - Meeting Room (9320 E Point Twenty-Two Blvd, Mesa, AZ 85212) to discuss our proposal. We appreciated everyone’s time, input, and consideration at that meeting.

After that December neighborhood meeting the City of Mesa Development Services Department, Planning Division, informed us that we will need a modification to the Development Unit Plan (“DUP”) for DU 5/6S to designate a Land Use Group (“LUG”) for the Property. The Eastmark Community document was not clear and the City has requested this additional update. Thus, a LUG D – District is being proposed for our proposed uses/development plan consistent with the existing district designation for the retail center on Signal Butte Road. This new request/submittal will also update the DU 5/6S boundary to align with the existing Rubidium Drive. (See the Attached: Proposed LUG-District Map)

With that said the property owner (DMB Mesa Proving Grounds LLC; a.k.a., Brookfield Residential) has submitted this request for LUG D – District designation (Case: ZON26-00155) to the City of Mesa Development Services Department, Planning Division, to be processed concurrently with our original request (Case: ZON25-00693). It should be noted that as previously stated and shown at the December neighborhood meeting, the Property is proposed to be developed with a 261-unit apartment community and a 2-acre associated retail at the immediate corner of Signal Butte Road and Rubidium Drive. This is not changing.

**RE: Eastmark – Request for approval for an amendment to Development Unit Plan (“DUP”) for Development Units (“DU”)s 5 and 6 South (“DU5/6s”)**

Dear Neighbor,

The purpose of this letter is to provide you with information associated with a request to amend the DUP for DU5/6s that has been made to the City of Mesa (the “City”).

In accordance with the Community Plan for Eastmark, we have submitted a request to the City’s Planning Department to amend the DUP for DU5/6s. This area is shown below. The amendment will address the area located south and east of the intersection of Signal Butte and Rubidium and will provide for designations of the District Land Use Group. Additionally, street alignments for Eastmark Parkway, Mesquite, Binary, and Rubidium have been added to reflect their existing locations. A copy of a map showing the location of DU5/6s is included with this letter.

In consideration of this request, an *informational drop in open house* will be held on **Thursday, April 16<sup>th</sup>, 2026 from 3:00 p.m. to 7:00 p.m.** You can drop in anytime at your convenience to learn about the updates. The meeting will be held in the Classroom at **the ‘Mark Resident Community Center of Eastmark at 10100 E Ray Road, Mesa AZ 85212.** Should overflow space be required, the Pavillion and Great Lawn of the Great Park immediately north-adjacent will be utilized.

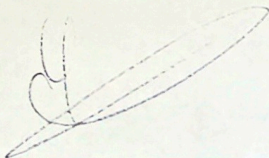

Additional information can be obtained at the City of Mesa Planning Department. Alternatively, if you have questions, please email me at [Christian.Orr@brookfieldrp.com](mailto:Christian.Orr@brookfieldrp.com).

Sincerely,

Christian Orr

- (1) Evergreen's Mixed-Use Multifamily Residential/Commercial Retail Development (Case: ZON25-00693).
- (2) Eastmark Planned Community, Development Units 5/6S, Development Unit Plan Amendment (Case: ZON26-00155).

Property Located at the Southwest Corner of South Signal Butte Road & East Rubidium Avenue. Approx. 11.7 Acres (APN: 313-28-804) - Vacant Land.

Dear Property Owner, Neighborhood Representative, or Interested Party:

As you may recall, Evergreen is seeking site plan approval for approximately 11.7 acres of vacant land located Southwest Corner of South Signal Butte Road & East Rubidium Avenue (APN: 313-28-804) (the "Property"). (See the Attached: Property Location Map) We have submitted to the City of Mesa Development Services Department, Planning Division, an application request for site plan approval for a mixed-use multifamily residential and +2-acre commercial retail development (Case: ZON25-00693). Evergreen's proposal is to develop a 261-unit apartment community with an enhanced open space buffer abutting the five (5) residential lots, and a +2-acre associated retail at the immediate corner of Signal Butte Road and Rubidium Drive. (See the Attached: Evergreen Site Plan & Building Perspectives)

In addition, as you may also recall, an amendment to the Eastmark Development Unit Plan ("DUP") for DU 5/6S was submitted by DMB Mesa Proving Grounds LLC; a.k.a., Brookfield Residential ("Brookfield") to City of Mesa Development Services Department, Planning Division. (Case: ZON26-00155) This submittal request will designate a Land Use Group ("LUG") for the Property. A "LUG D – District" is being proposed consistent with the existing LUG D – District designation for the retail center (i.e., Safeway Center) on Signal Butte Road and to accommodate the proposed mixed-us development by Evergreen. This submittal will also update the DU 5/6S boundaries to update street alignments to match existing built streets, and the Open Space Map to reflect the location of the Great Park. (See the Attached: Proposed LUG-District Map & Overall Existing/Proposed Open Space Map)

Dear Sedric and Sarah Rodgers:

Thank you for your email and interest with Evergreen's multifamily development. We appreciate hearing from you!

We will be having a neighborhood meeting in December to discuss the proposed Evergreen multifamily development further (i.e., site plan approval). We are finalizing the neighborhood meeting location/details, and the notice letters will be sent out by next week. We will email you a copy when done. In the meantime, if you want to schedule a telephone call or virtual meeting with me to discuss the development please let me know.

Thank you again for your time and consideration, we look forward to meeting and discussing this proposed development with you and your neighbors.

**Subject:** Absolutely NOT!

It has come to my attention that policies and protocols have not been followed by your company. As a home owner in Lunar Green residency in Eastmark, we have not received any communication via your company regarding any rezoning of the area near our home.

The Development Unit Plan (DUP) for the dirt area behind Lunar Green states "The residential neighborhoods of DU 6 South will be single family and/or mid- density single family that are organized around intimate neighborhood parks or, alternatively along linear open space linkages."

Per this, apartments or townhomes would not be allowed unless we had received information regarding a rezoning on the area. We have not received such notice.

We are voicing our disgust for the absolute disregard of Arizona policy. Per Arizona law (A.R.S. 9-462.04) and the community plan this qualifies as a rezoning and we have yet to be notified.

We are making our voice heard and clearly stating we are not in agreement with any apartments or rezoning of the area.

With concern,  
Sedric and Sarah Rodgers

Approximately 11.7 Acres (APN: 313-28-804) - Vacant Land.

Dear Property Owner:

Evergreen is seeking site plan approval for approximately 11.7 acres of vacant land located Southwest Corner of South Signal Butte Road & East Rubidium Avenue (APN: 313-28-804) (the “Property”). (See the Attached: Property Location Map) We have submitted to the City of Mesa Development Services Department, Planning Division, an application request for site plan approval for a multifamily residential development within the Planned Community (“PC”), Eastmark Community Plan, Development Units 5/6S. The proposed multifamily residential development is an allowed use within the Eastmark PC zoning district Development Units 5/6S. No rezoning is being requested or necessary for the proposed use. In addition, Evergreen will be developing 2 acres at the immediate corner for neighborhood retail uses, which are also allowed under Development Units 5/6S, and are compatible with the existing retail center located along Signal Butte Road.

As stated, the Property is currently vacant and proposed to be developed with a 261-unit apartment community and associated retail by Evergreen. Contemporary architecture, attention to detail, cutting edge amenities, along with a proven team ensure the apartment community will meet the design aesthetics required to be within Eastmark. The proposed community will have a myriad of features including a lounge for the residents, full common area automation, heated pool and spa with cabanas, barbecue grills and fireplace, indoor/outdoor workout areas, dog park, car charging stations, mail kiosks and more.

The community’s one-, two- and three-bedroom floorplans range from approximately 750 to 1,300 square feet and feature many eco-conscious, tech-forward amenities including Energy Star appliances, low-flow plumbing fixtures, LED lighting, and dual-pane Energy Star windows. The proposed site plan intentionally orients the apartment buildings primarily towards East Rubidium Avenue and the future “great park”, allowing increased setbacks of the buildings along the southern portion of the property (adjacent to the residential homes). The minimum required building setback from the single family homes is 10 feet and instead the proposed site plan places the buildings 172 feet and 87 feet away. (See Attached: Site Plan, Landscape Plan, & Building Elevation Samples).

Multifamily residential housing, which again is a permitted use within the existing Development Units 5/6S zoning, is an integral transition to Eastmark’s Employment Core as well as aligns with the existing buildings, landscaping, and amenities (i.e., future park) within the area. Evergreen looks forward to being a part of and working with the community.

With that being said, please accept this letter as an invitation to attend a Neighborhood Meeting, which is being held to discuss Evergreen’s development proposal.

Jennifer,

Thank you for your email and interest with Evergreen's multifamily development. We appreciate hearing from you!

We will be having a neighborhood meeting in December to discuss the proposed Evergreen multifamily development further (i.e., site plan approval). We are finalizing the neighborhood meeting location/details, and the notice letters will be sent out by next week. We will email you a copy when done. In the meantime if you would like to schedule a telephone call with me I am happy to speak with you.

Thank you again for your time and consideration, we look forward to meeting and discussing this proposed development with you and your neighbors.

Good morning,

It has come to our attention that there is an apartment building in its final approval process for the area behind our home. We have been inquiring about this area for years, and were previously told that "there was nothing planned as of yet". Then all of a sudden, we find out that this area which we thought was zoned for "single family and or mid-density single family homes", is slated for a 300 unit apartment complex! It is my understanding that in order to change the zoning of a property, there needs to be a hearing of the land owners within 300 feet of the area. This was not done. This is especially disheartening in that the community officials are well aware of our concerns. The original community plan was "blacked out" and the changed were made without our input! This is illegal and we are strongly urging out city council man to not approve this project.

I would like to respectfully encourage you to hold a public meeting to discuss this matter with ALL the people who's property would be effected by this project.

Thank,

Jennifer Castillo

Dear Property Owner:

Evergreen is seeking site plan approval for approximately 11.7 acres of vacant land located Southwest Corner of South Signal Butte Road & East Rubidium Avenue (APN: 313-28-804) (the “Property”). (See the Attached: Property Location Map) We have submitted to the City of Mesa Development Services Department, Planning Division, an application request for site plan approval for a multifamily residential development within the Planned Community (“PC”), Eastmark Community Plan, Development Units 5/6S. The proposed multifamily residential development is an allowed use within the Eastmark PC zoning district Development Units 5/6S. No rezoning is being requested or necessary for the proposed use. Hello again, Steve,

Our client heard back from Brookfield, and they confirmed that the dirt moved on our site is for the proposed park. I'm also glad to see that they have water trucks on site to help minimize dust, which shows they are being responsible and considerate of the surrounding area.

Please let me know if you have any other questions.

If we don't connect before the holidays, I wish you and Jennifer a wonderful holiday season.

Thank you,

Steve,

Thanks for the photos. I connected with our client, and they've confirmed we are not grading the site. Based on the photos, it is possible Brookfield has graded a pathway for their vehicles on our site and are dustproofing it with the water truck. We've reached out to Brookfield (park developer) for confirmation and will let you know what they say.

Thank you,

I'm not sure we are talking about the same thing here. I am adding a couple of photos of grading that is occurring this morning (Dec. 22, 2025) just north of my Eastmark home. No two of the photos are taken to the east where the Safeway is on Signal Butte. The other is taken to the east toward Parc Joule.

Good morning, Jennifer,

Thank you for attending the neighborhood meeting on Wednesday. We wanted to follow up on your question regarding potential grading on our site.

Our client, Evergreen, has agreed to allow the park developer, Brookfield, temporary access to the site so construction traffic can maneuver during park construction. No grading is occurring on our site; it is being used solely for construction access related to the future park.

If you have any additional questions, please don't hesitate to reach out.

To Whom It May Concern:

We do not support and strongly object to the proposed Evergreen Mixed use development (apartments). Apartments are inconsistent with the overall demographic of Eastmark. We disagree that high density residential is appropriate for this area for a multitude of reasons.

- **Traffic and Road Safety:** The increased volume of traffic is too high for existing roads (Signal Butte and neighborhood arterial roadways), which will result in congestion, dangerous access points for children and families traveling, playing in the community shared areas with increased (and more serious) accidents than we are already currently dealing with, considering there is a high population of families with children in this vicinity.
- **Overloaded Schools & Services:** Area schools, water supplies, emergency services (police/fire), are already taxed on this area .
- **Overdevelopment/Density:** The project is disproportionately large (density, bulk, or height) for the site, creating an overbearing presence.

This proposal once more enforces the belief that the city has no concern for the property owners in the Eastmark community that were marketed one master plan for the area over ten years ago that has continuously had modifications that dramatically conflict with the shared vision. It would go a long way with taxpayers/property owners if for once our opinions were considered.

Thank you for taking these opinions into consideration with your current and future planning.

Hello,  
I'm writing to voice my concerns for the Evergreen project. As an Eastmark resident I am disinterested in additional apartments being built in an area that should have retail shopping. The neighborhood already has a good number of less expensive rental lodging and additional apartments are for profit not need or wants of the greater area. What would be more beneficial to this area is small retail.

I oppose the proposed apartment project. The developer appears incentivized to maximize revenue per square foot by increasing density within the mixed-use zone; however, this approach is inconsistent with Eastmark's planned design and character. As proposed, the project would likely exacerbate traffic congestion and place additional strain on an area that is already experiencing significant growth and crowding.

As an Eastmark resident, city of Mesa resident and parent of children who attend the local GPS school, I strongly OBJECT to the proposed apartments in Eastmark. These apartments do not align with the vision or demographics of Eastmark.

Bringing an additional 250-600 people to our already congested parks, streets, stores and schools is a terrible idea for the local residents.

The apartments being located near a newly constructed park will bring about safety concerns for the local residents. We are concerned about loitering, vandalism, the safety of children playing in the park, increased traffic, I could go on.

It is currently not zoned for high density housing, and the majority of Eastmark residents are not in agreement to change this zoning to allow these apartments. This was a poorly thought out plan and is only based on money for the developer.

Thank you for listening to the residents of Eastmark and not putting in the apartments.

We do not want more apartments.

Sincerely,  
Gina Failla

**Subject:** Formal Opposition to Proposed Residential Development in Eastmark

To City Planning Representatives,

I am writing to formally express my opposition to the proposed high-density apartment project currently under consideration for the Eastmark community. While I understand the developer's interest in maximizing the land's utility, I believe the project, as proposed, is fundamentally incompatible with the established demographic and residential profile of this area.

My objections are centered on the following critical concerns:

- **Infrastructure and Public Safety:** The Eastmark area is already experiencing significant traffic congestion. Introducing high-density housing will exacerbate these conditions, placing an untenable strain on our current roadway infrastructure. Furthermore, this corridor is already prone to traffic accidents; increasing vehicle volume in such a concentrated manner poses a direct threat to public safety.
- **Preservation of Community Character:** Eastmark was designed with a distinct single-family residential profile. Transitioning toward high-density residential use is inconsistent with the master-planned vision of this community. Such a shift would inevitably degrade the quality of life for existing residents who invested in this area based on its low-density, suburban character.
- **Economic vs. Civic Interest:** While I recognize the builder's drive for profitability, these private gains should not come at the expense of the long-term stability and well-being of the surrounding neighborhood.

I respectfully urge you to reconsider the appropriateness of high-density residential use for this specific site and to prioritize the safety and quality of life of the current Eastmark residents.

Sincerely,

Crystal Kolosick

Dear Ms. Merrill and Planning & Zoning Members,

As an Eastmark resident, I am writing to support Evergreen's proposed mixed-use development and the DUP amendment for DUs 5 and 6 South. This mix of apartments and retail is exactly what the area needs, providing walkable amenities to residents while bridging the industrial area and Signal Butte commercial strip.

I reviewed the plans and I believe this project will be a good addition to the neighborhood and community.

Hi Ms. Merrill and Planning Team,

I'm a resident here in Bella Via Eastmark Community, and I wanted to voice my support for the new mixed-use development by Evergreen (and the DUP amendment for DU5/6S).

After looking over the plans, I think more retail/restaurants are exactly what we need (as opposed to more industrial buildings/data centers). Mixing apartments with neighborhood next to the planned Great Park is a great idea. Plus, it seems like a perfect buffer between the industrial buildings to the north and the commercial spaces on Signal Butte.

As a local resident, I look forward to seeing our community expand and hope to see this project move forward.

Sincerely,

Paul Pedrosa

Eastmark Community Plan – Development Units 5 and 6 South  
SWC of South Signal Butte Road & East Rubidium Avenue

Dear Ms. Merrill and Members of the Planning & Zoning Department,

I am writing as a resident of the Eastmark community to express my support for the proposed mixed-use development by Evergreen, as well as the associated amendment to the Development Unit Plan for Development Units 5 and 6 South.

I was recently notified of both Evergreen's site plan application and Brookfield's request to amend the DUP for DU5/6S, and after reviewing the information provided, I believe this development is a positive addition to our community. The blend of multifamily residential apartments and neighborhood retail is an excellent mix of uses for this location. It provides residents with convenient access to services while contributing to the vibrancy of the area.

Additionally, I appreciate that the development will serve as a thoughtful transition and buffer between the industrial buildings to the north and the existing commercial uses along Signal Butte Road. This type of mixed-use project is well-suited to bridge those different land uses.

For these reasons, I support this project.

Sincerely,

James Justice

RE: Public Hearing Notice for Case Number: **ZON25-00693**.  
Evergreen's Mixed-Use Multifamily Residential/Commercial Retail Development.  
Property Located at the Southwest Corner of South Signal Butte Road & East Rubidium  
Avenue. Approx. 11.7 Acres (APN: 313-28-804) - Vacant Land.

Dear Property Owner, Neighborhood Representative, or Interested Party:

As you may recall, Evergreen is seeking site plan approval for approximately 11.7 acres of vacant land located at southwest corner of South Signal Butte Road & East Rubidium Avenue (APN: 313-28-804) (the "Property"). (See the Attached: Property Location Map) The proposed development of the Property is for a mixed-use multifamily residential and  $\pm 2$ -acre commercial retail development (Case Number: ZON25-00693). Evergreen's proposal is to develop a 261-unit apartment community with an enhanced open space buffer abutting the five (5) residential lots, and a  $\pm 2$ -acre associated retail ( $\pm 10,840$  square feet of development) at the immediate corner of South Signal Butte Road and East Rubidium Drive. (See the Attached: Evergreen Site Plan & Building Perspectives) This follow-up letter is being sent to approximately 2,155 addresses/property owners, at the request of the City of Mesa Planning Division, to advise you of the scheduled City of Mesa's Planning and Zoning Board's public meeting date/logistics.

In addition, as you may also recall, an amendment to the Eastmark Development Unit Plan ("DUP") for DU 5/6 South was submitted by DMB Mesa Proving Grounds LLC; a.k.a., Brookfield Residential ("Brookfield") to the City of Mesa Development Services Department, Planning Division. (Case Number: ZON26-00155) This submittal request will designate a Land Use Group ("LUG") for the Property. A "LUG D – District" is being proposed consistent with the existing LUG D – District designation for the retail center (i.e., Safeway Center) on Signal Butte Road and to accommodate the proposed mixed-use development by Evergreen. This submittal will also update the DU 5/6 South boundaries/street alignments to match the existing built streets, and the Open Space Map to reflect the location of the Great Park. This case is scheduled for the same City of Mesa's Planning and Zoning Board's public meeting date.

With that said, and as previously stated, the purpose of this follow-up letter is to inform you that the City of Mesa's Planning and Zoning Board's public meeting has been scheduled to review and consider the application (Case Number: ZON25-00693). The date, time, and location of the City of Mesa's Planning and Zoning Board's public meeting are as follows:
