

City Council Report

Date: April 6, 2026
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Three-Year Term Contract with Two-Year Renewal Options for Street Sweeping Services for the Transportation Department (**Citywide**)

Recommendation

Council is requested to approve the award as recommended.

A committee representing the Transportation Department and Procurement Services evaluated responses and recommend awarding the contract to the highest scored proposal from C&S Sweeping Services, in an amount not to exceed \$1,421,080 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

This contract provides arterial and collector street sweeping services for the Transportation Department, ensuring more than 16,000 center lane miles of arterial and collector streets are swept routinely or no less than monthly. Regular sweeping removes particulates, dust, and debris, helping to maintain stormwater infrastructure free and clear of debris during storm events. It also prevents debris and litter from entering the stormwater system and helps maintain clean and safe streets. This contract also provides as-needed special event and emergency response sweeping.

City staff issued a Request for Proposals (RFP) to all registered and known street sweeping service providers. Three proposal responses were received, all of which met the minimum qualifications and were evaluated and scored in accordance with the City's established policies and procedures and relative to the scoring criteria in the solicitation. Scoring criteria included qualifications and experience, proposed solution/method of approach, and proposed pricing. Based on the evaluation results, the committee recommend awarding the contract to the highest-scoring respondent.
