

City Council Report

Date: May 18, 2026
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: One-Year Use of a Cooperative Term Contract with Three, One-Year Renewal Options for the Purchase of Epoxy Coating Services for the Transportation Department **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Transportation Department and Procurement Services recommend authorizing the purchase using the City of Scottsdale S.A.V.E. cooperative contract with Creative Paving Solutions, Inc. in an amount not to exceed \$150,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

Background / Discussion

This contract provides epoxy coating refresh services for existing and new roadway sections. Epoxy coating is a durable, high visibility pavement treatment used to improve safety and extend the life of roadway markings, bike lanes, and micromobility corridors. The department has an ongoing need for these services, making a formal contract necessary.

The City of Scottsdale S.A.V.E. cooperative contract has been competitively bid and meets the City's procurement requirements. Utilizing the City of Scottsdale contract allows the City to receive competitive rates based on a formally solicited agreement. The City believes the pricing is fair and reasonable and soliciting for these services would not result in the City receiving more favorable pricing or terms.
