A convenience store is requesting a new Series 10 Beer and Wine Store License for Magna Solution LLC, 4360 East Broadway Road; Vaneet Sapra, agent. The existing Series 10 Beer and Wine Store License, held by Sapra Enterprises LLC, will revert to the State. **(District 2)**

4 **Take action on the following contracts:*****4-a** [21-0482](#) One-Year Renewal to the Term Contract for Parts and Services to Support the Closed-Circuit TV System for Various City Facilities **(Citywide)**

This contract provides parts and services to support the closed-circuit TV (CCTV) projects throughout City facilities and allows the Police Department to manage and maintain all CCTV systems in good working order.

City staff and Purchasing recommend authorizing the renewal using the State of Arizona cooperative contract with Corporate Technology Solutions, at \$150,000 annually, based on estimated usage.

***4-b** **21-0485** Dollar-Limit Increase to the Term Contract for Flooring Products and Services for the Parks, Recreation and Community Facilities Department (**Citywide**)

This contract provides for the supervision, labor, equipment, materials, tools, and transportation necessary for the installation, repair or replacement of various flooring systems maintained by the Parks, Recreation and Community Facilities Department - Facilities Maintenance. The dollar-limit increase is for completing the Mesa Arts Center flooring replacement project prior to the Mesa Arts Center reopening this September.

The Parks, Recreation and Community Facilities Department and Purchasing recommend increasing the dollar-limit using the 1GPA cooperative contract with Continental Flooring Company; Diversified Flooring Services-Phoenix LLC; Resource Arizona, LLC, dba, InteriorWorx Commercial Flooring; and Wholesale Floors LLC, by \$600,000 for Year 3, from \$500,000 to \$1,100,000.

***4-c** **21-0490** Purchase of PSTrax Modules (Additions) for the Mesa Fire and Medical Department (MFMD) (Sole Source) (**Citywide**)

PSTrax offers six modules for asset management - Vehicles, SCBA, PPE, Critical Assets, Stations and Controlled Substances. Each module can be tailored to MFMD needs and modules can be added as needed. This system will allow MFMD to better manage multiple operational areas benefiting from a cost savings.

Currently, MFMD utilizes two of the modules to manage radios and turnouts. The Department will be adding a vehicle module and pay a one-time implementation fee of \$18,300 using allocated FY 2021 funds, and then purchase the vehicle module licensing using allocated FY 2022 funds. The department intends to purchase additional modules (SCBA, PPE, etc.), if the funding is available in FY 2022. MFMD will also renew the annual licensing fee of \$11,275 in FY 2022 for the two modules they currently have.

The Mesa Fire and Medical Department and Purchasing recommend awarding the sole source contract to Station Automation, Inc., dba PSTrax, at \$50,000, based on estimated requirements.

***4-d** **21-0491** Purchase of Three Rapidly Deployable Camera System Kits (Additions) for the Mesa Police Department (Sole Source) **(Citywide)**

Currently, the Department utilizes the KTAC deployable camera system that was purchased in 2016 with seven camera kits. The cameras feed into a receiver that can decode the encrypted signals from all the cameras simultaneously and then separate each camera feed to display them onto multiple screens in a command center setting. These kits are deployed from a tripod for emergencies and events of large gatherings such as sporting events, holiday events, protests, etc. The same KTAC camera system is also utilized by Phoenix, MCSO, Tempe, and Scottsdale; therefore, can be shared by the agencies to construct a much larger system, should one be needed.

City staff and Purchasing recommend awarding the contract to the sole source vendor, KTAC Communications, at \$102,885. This purchase is fully grant funded by the Arizona Department of Homeland Security.

***4-e** **21-0342** Two-Year Term Contract with a One Year Renewal Option for Four Remote Observation Platforms (Additions) for the Mesa Police Department **(Citywide)**

This contract will provide remote observation platforms with cameras that are entirely solar and can be positioned in any part of the City with short notice. They provide the ability for one officer to have a visual on many areas at one time. This equipment will be used to increase police presence in multiple places, monitor high crime areas, and help identify a significant event versus an innocuous gathering. The recorded video will assist in researching crimes and providing evidentiary information. The Police Department has requested the initial purchase of four systems. The Department has requested the annual contract amount for additional systems should funding be identified.

An evaluation committee recommends awarding the highest scored proposal response from Air Comm Corporation, dba Air Comm, at \$300,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index.

***4-f** **21-0489** Purchase of a Portable X-Ray System (Replacement) for the Mesa Police Department (Sole Source) **(Citywide)**

X-ray systems are the primary tool for the bomb technician for examining suspicious devices. This system is versatile x-ray equipment with the ability to scan small items, and when used with a mosaic system (multiple x-ray plates), it can be used to scan larger items and devices.

City staff and Purchasing recommend awarding the contract to the sole source vendor, Scanna MSC, Inc., at \$30,547.11. This purchase is grant funded by the Arizona Department of Homeland Security (\$30,000) and by the Police Department operating budget (\$547.11).

***4-g** **21-0484** Dollar-Limit Increase to the Term Contract for Emergency Vehicle Equipment and Installation Services for the Fleet Services Department **(Citywide)**

The contract provides for the purchase and installation of emergency vehicle equipment and lighting, and an established hourly labor rate. The dollar-limit increase is needed for refurbishing/repairing older Police vehicles that are now remaining in the fleet longer.

The Fleet Services Department and Purchasing recommend increasing the dollar-limit with Kenco, OR LLC, dba LSH Lights (Primary); and Arizona Emergency Products (Secondary), by \$50,000 for Year 3, from \$1,000,000 to \$1,050,000.

***4-h** **21-0486** Award of Two Additional Vendors to the Term Contract for Heavy Duty Truck, Construction, Industrial Fleet and Equipment Parts, Services and Accessories for the Fleet Services Department **(Citywide)**

The City currently utilizes the Maricopa County cooperative contract with six vendors including Drake Truck Bodies, LLC, dba Drake Equipment of Arizona; Empire Southwest, Inc., dba Empire Truck and Trailer; Kenz & Leslie of Arizona, Inc.; Lubrication Equipment & Supply Company; Sanderson Ford; and Titan Machinery, Inc. Fleet Services requires the services of these two additional vendors. Their services are necessary as the department currently does not have any service contracts with either vendor.

The Fleet Services Department and Purchasing recommend awarding additional vendors using the Maricopa County cooperative contract with Freightliner of Arizona, LLC, dba Velocity Truck Centers, and W.W. Williams, dba Auto Safety House, at \$500,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

- *4-i [21-0481](#) Purchase and Installation of 19 Methane Detection Sensors (Replacements) for the Fleet Services Department (Sole Source) **(Citywide)**

Fleet Services' gas detection system was originally purchased and installed in 2016 by Benson Systems. The manufacturer's recommendation is to replace the sensors after five-years to prevent outages and to ensure the safety of personnel and equipment.

The Fleet Services Department and Purchasing recommend awarding the contract to the sole source vendor, Benson Systems, at \$85,366.40.

- *4-j [21-0498](#) Purchase of High Availability Data Storage (Replacement) for the Department of Innovation and Technology **(Citywide)**

Several of the City's data storage backup appliances have reached the serviceable end of life and need to be replaced. The requested devices are state of the art technology that will provide supportable and sustainable high availability data storage into the future.

The Department of Innovation and Technology and Purchasing recommend authorizing the purchase using the Mohave cooperative contract and the lowest quoted vendor, iT1 Source, LLC, at \$273,708.78. This purchase is funded by the Department of Innovation and Technology Lifecycle Program Budget.

- *4-k [21-0488](#) Three-Year Term Contract with Two Years of Renewal Options for PipeLogix Software, Hardware, Support, and Services for the Water Resources Department **(Citywide)**

Water Resources field staff currently process sewer inspection data using a computer installed in their sewer camera truck. This purchase for additional software licensing would allow office staff to process the data, allowing the sewer camera truck and field staff to focus efforts on data collection. It will also provide support services not previously available that could be utilized to improve efficiency and performance of coding pipe and manhole defects.

An evaluation committee recommends awarding the contract to the highest scored proposal from PipeLogix, Inc., at \$125,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

***4-l** **21-0480** Purchase of One Vector Truck (Addition) for the Transportation Department
(Citywide)

The additional vector truck will be used to support maintenance in the Transportation Department's storm drain and right-of-way work groups. It will be used to clean the City's approximately 10,000 storm drain catch basins, 400 dry wells, 34 pump stations, 509 retention basins, lateral lines, and culverts.

The Fleet Services and Transportation Departments, and Purchasing recommend authorizing the purchase using the Sourcewell cooperative contract with Norwood Equipment, at \$490,603.70. This purchase is funded by the Environmental Compliance Fee.

***4-m** **21-0483** Three-Year Term Contract with Two Years of Renewal Options for Industrial and Non-Industrial Electrical and Process/SCADA Equipment, Parts, Supplies and Services for various Citywide Departments **(Citywide)**

This contract will provide electrical process/SCADA controls, equipment, parts, supplies and tools to be used to maintain critical electrical infrastructure for water and wastewater sites for the Water Resources Department. Other departments may also use this contract for their purchases of electrical equipment, parts and supplies.

An evaluation committee recommends awarding the contract to the qualified proposals from Consolidated Electrical Distributors, dba Arizona Electrical Supply (a Mesa business); Elliott Electric Supply; Graybar Electric Company, Inc.; and Wesco, at \$2,740,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

***4-n** **21-0492** 16" Water Main - Signal Butte Road, Pecos Road to Germann Road Project
(District 6)

This project will install a new 16" water pipe between Pecos Road and Germann Road, in advance of the construction of the future Signal Butte Road. The project will also include installation of associated items such as valves, hydrants, corrosion protection, and connections to existing water pipes.

Staff recommends awarding the contract for this project to the lowest, responsible bidder, Revolution Industrial LLC, in the amount of \$1,325,704, and authorizing a change order allowance in the amount of \$132,570 (10%), for a total award of \$1,458,274. This project is funded by utility funds.

***4-o** **21-0496** Water Meter Vault Rehabilitations - Phase 12 (**Districts 2, 3, 4, 5 and 6**)

This is an ongoing improvement project in Water Resources to replace aging commercial water meter assemblies (WMAs) that are at the end of their service life. The project scope includes rehabilitation of 14 WMAs at 9 sites in the City. The existing WMAs located in underground vaults will be removed/abandoned and re-constructed above ground. The new WMAs will range in size from a dual 2-inch assembly to a single 4-inch, 6-inch or 8-inch assembly.

Staff recommends awarding the contract for this project to the lowest, responsive/responsible bidder, Fishel Construction Company, in the amount of \$1,061,000, and authorizing a change order allowance in the amount of \$106,100 (10%), for a total award of \$1,167,100. This project is funded by utility funds.

5 **Take action on the following resolutions:**
