

# City Council Report

**Date:** January 10, 2022  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Kristy Garcia, Procurement Administrator  
**Subject:** Purchase for Axon Interview File Migration for the Mesa Police Department  
**(Sole Source) (Grant Funded) (Citywide)**

## Purpose and Recommendation

Council is requested to approve the award as recommended.

The Police Department and Purchasing recommend awarding the contract to the sole source vendor, Axon Enterprise, Inc. at \$30,000, based on estimated requirements.

## Background / Discussion

In April 2020, Council approved a contract with Axon Enterprise for an Interview Rooms Camera solution. This system replaced the VideOversight Interview room solution. At this time, the VideOversight server has recordings dating back to 2010 and the server is at end of life and is no longer supported.

This purchase will migrate interview room recordings from VideOversight into Evidence.com. Axon Interview/Evidence.com can house the VideOversight recordings and will allow for an all-in-one location for recordings. Evidence.com is cloud based and does not require on-site hardware to sustain. The migration process has been tested on a sample of recordings with successful results. Axon provided a quote for the migration at \$30,000.

Axon Enterprise, Inc. is the sole source and manufacturer of Taser Energy Weapons, Axon brand products and Axon Evidence (Evidence.com) Data Management solutions. Axon is the sole distributor and retailer of all Taser brand products for the Mesa Police Department.
