

City Council Report

Date: May 16, 2022
To: City Council
Through: Scott J. Butler, Deputy City Manager, Government Relations
From: Sharon Skinner, Grants Coordinator
Subject: Resolution of support for the submittal of a grant application by Over-Flo Missions to the Tohono O'odham Nation in the amount of \$15,000 for their Over- Flo Missions Outreach and Training Center and approving the City Manager to accept and administer subsequent awarded funds as a pass-through grant.

Purpose and Recommendation

This request is seeking a City Council resolution of support for Over- Flo Missions application to Tohono O'odham Nation for Proposition 202 funding. If awarded, the grant will provide \$15,000 in funding their Over- Flo Missions Outreach and Training Center. A Council Resolution supports this effort to secure a grant and commits the city to receive it on behalf of the non-profit and pass it through in its entirety to them if awarded. As these programs serve the needs of City of Mesa residents, staff recommendation is for Council to adopt this resolution.

Background

Over-Flo Missions is a faith based non-profit 501(c)(3) organization built on Biblical principles: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Over-Flo Missions' purpose is to be a community organization supporting individuals and families re-establish their lives. They provide meals, water, personal hygiene packages, and other resources that help individuals and families during their temporary situation.

The purpose of the Mission's Training Center is to create and build lifelong habits, thereby increasing better learning abilities and skills to help promote self-sufficiency. Through this program, Over-Flo Missions anticipates serving Mesa individuals 18 years of age and up with job readiness, adult literacy, GED program, resume writing and interview coaching, digital literacy and financial literacy programs through experienced volunteers and professionals that are willing to serve the community.

Discussion

A resolution of support for this grant request will complete the necessary documentation for the organization to file their application by the funder's deadline and be considered for funding from Tohono O'odham Nation. Mesa's participation in Proposition 202 Indian Gaming Grants has returned over \$1 billion to Arizona communities since its passage in 2002 from four surrounding tribal governments.

Alternatives

The only alternative to adopting this resolution would be to not adopt. Such an action would deny Mesa sponsorship for this request and require the organization to seek an alternate local government for access to this funding source.

Fiscal Impact

The fiscal impact on the City of Mesa, should this grant be awarded, will be negligible except overhead expenses in accounting to accept and reissue the grant check. The City does not administer the grant and signs an MOU or IGA with each tribe to limit our liability to only the pass-through transaction.
