

CITIZEN PARTICIPATION REPORT FOR GATEWAY QUADS

August 23, 2022

Purpose: The purpose of the Citizen Participation Plan is to inform citizens, property owners, neighbor associations, agencies, schools, and businesses in the vicinity of the site of an application for the Gateway Quads. This site is located at 8150 E. Germann Road and is an application for the following items:

- 1. Design Review Approval for four multi tenant spec office/warehouse buildings in one site**
- 2. Site Plan approval**
- 3. Planning and Zoning Board approval**

This plan ensures that those affected by this application will have adequate opportunity to learn about and comment on the project.

Presubmittal meeting: The pre-application meeting was held with the City of Mesa on October 15, 2021. Staff informed the applicant of the need for a Citizen Participation Plan.

Action Plan: In order to provide effective citizen participation in conjunction with the application, the following actions have been taken to provide opportunities for feedback from surrounding property owners and citizens:

 - All registered neighborhood associations within one mile of the project (provided by the City of Mesa)
 - Homeowners Associations within one half mile of the project (Provided by the City of Mesa)
 - Property owners within 1,000 feet from site, (prepared from the Maricopa County Assessor records) The list is included at the back of this report
 - Mesa Public School District in writing (via email), with copies to Mountain View High School, Stapley Junior High School, and Hermosa Vista Elementary School, who may be affected by this application
 - The total number of envelopes mailed to Registered Neighborhoods, HOA's, and owners was 311 neighbors, 3 neighborhoods, and 7 HOA's. The list is included at the back of this report.
- 2. All persons listed on the contact list were sent a letter (to address of record) describing the project, elevations, site plan and invitation to a neighborhood meeting to be held virtually via Go-To-Meeting**
 - a. The Citizen Participation virtual meeting was held on August 2, 2022 via Go-To-Meeting**
