**Date:** November 7, 2022  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Kristy Garcia, Procurement Administrator  
**Subject:** Use of a Cooperative Contract for the Purchase of an Additional Twenty (20) Handheld Mobile Fingerprint Recognition Identification Devices for the Mesa Police Department **(Sole Source) (Funded by Capital General Fund) (Citywide)**

## Purpose and Recommendation

Council is requested to approve the award as recommended.

The Police Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with the sole source vendor, IDEMIA at \$38,500, based on estimated requirements.

## Background / Discussion

The Police Department has 122 MorphoIDent devices in use. The devices give personnel the ability to confirm identity via a two-fingerprint scan. These units enable real-time identity verification based on MorphoTrak's fingerprint recognition technology which acts as the State's identification system (AZAFIS) at the Arizona Department of Public Safety (AZDPS). This helps officers make better choices in the field, improves officer safety, and allows cite and releases to be completed in the field instead of transport to the Holding Facility.

IDEMIA does not have other sales channels, partners, or resellers. The proposed solution (hardware, software, and support) can only be procured and implemented directly from IDEMIA.
