

City Council Report

Date: November 7, 2022
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Three-Year Term Contract with Two Years of Renewal Options for Pavement Marking for the Transportation Department **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Transportation Department and Purchasing recommend awarding the contract to the lowest, responsive, and responsible bidder, Hulxe Construction Services (a Mesa business) at \$400,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

The City of Mesa maintains nearly 2,000 miles of mainline striping and over 10,000 shortline markings.

This contract will provide for the installation and removal of mainline and shortline pavement markings on an as-needed basis at various locations within the City. Thermoplastic or waterborne traffic paint is used for mainline pavement markings for center lines, lane lines, and edge lines. Waterborne traffic paint, thermoplastic or preformed tape are used for shortline pavement markings, symbols, and legends for crosswalks. The Contractor is needed to supplement City crews installing and removing pavement markings.

Purchase Information

Action: Award
Procurement Type: Request for Bids
Contract Number: 2023051
Local Consideration: The Mesa bidder was already the lowest, responsive and responsible bidder
Protests Received: None
Initial Contract Term: Three Years
Possible Renewals: Up to a maximum of two years subject to Administrative review and approval
Funding Source: Transportation Department operating budget through the Local Streets Fund
