This Agreement (Agreement) by and between the Maricopa Association of Governments (MAG) and the City of Mesa (City), an Arizona Municipal Corporation, will become effective on the day, which it is executed by the MAG Executive Director. MAG and the City are referred to in this Agreement each individually as a "Party" and collectively as the "Parties."

RECITALS

A. MAG is the regional planning agency for Maricopa County. MAG is governed by a regional council, which includes the mayor or chief executive of each member agency (Regional Council). Pursuant to state law, MAG has developed, and the necessary parties have approved, a twenty-year comprehensive, performance based, multimodal and coordinated Regional Transportation Plan (RTP) in the County. The arterial street component of the RTP includes major arterial streets and intersection improvements (Arterial Street Improvements) with a revenue allocation.

B. In November 2004, the voters of Maricopa County approved a transaction excise tax for the purpose of implementing the RTP. Federal Highway Administration (FHWA) Surface Transportation Program (STP) and Congestion Mitigation and Air Quality (CMAQ) Funds are also allocated to the MAG region and administered by the Arizona Department of Transportation (ADOT) and are eligible to be used to implement the RTP.

C. MAG is required by state law to adopt a program that provides for life cycle management for the funding and programming of the Arterial Street Improvements (Arterial Life Cycle Program). On August 24, 2022 the Regional Council approved the Arterial Life Cycle Program (ALCP), and on February 24, 2021 the Regional Council approved the ALCP Policies and Procedures. The February 24, 2021 Policies and Procedures, as they may from time to time be amended (henceforth, the "Policies and Procedures"), are incorporated into this Agreement as fully as if set forth in this Agreement. Copies of the Policies and Procedures are available from MAG. Capitalized terms that are not defined in this Agreement, have the meaning set forth in the Policies and Procedures.

D. Funds for ALCP are administered by the Arizona Department of Transportation (ADOT) through its Regional Arterial Road Fund (RARF) sub-account for arterial streets, and through allocations of Federal Highway Administration STP and CMAQ Funds that are allocated to the MAG region and administered by ADOT. Funds will be disbursed by ADOT once federal requirements are satisfied, as applicable, and upon the presentation of an invoice approved or reviewed with concurrence by MAG as provided in this Agreement.

E. The ALCP includes an arterial capacity improvement project on Ellsworth Rd: Posada Ave to Prairie Ave (Project). The Project is described in greater detail in the Project Overview (Project Overview) submitted by the City, dated September 20, 2022 and on file in the offices of the City and MAG. The regional share in this agreement and the Project Overview are subject to change in the annually adjusted ALCP.

F. The Project will be designed and constructed in accordance with the standards adopted by the City.

G. The regional reimbursement schedule for the Project are as follows:

Type of Work	Fiscal Year of Work	Regional Reimbursement	Type of Reimbursement Funds	Fiscal Year for Reimbursement
Design	2023	\$3,714.90	RARF	2023
ROW	2023	\$5,600.00	RARF	2024
Construction	2024	\$183,400.00	RARF	2024
Savings	2024	\$4,522,429.60	RARF	2024
Total Programmed for Reimbursement		\$4,715,144.50		

H. The regional reimbursement is expressed in 2022 dollars, and will be adjusted annually for inflation. Adjusted costs will be incorporated into the ALCP and by reference into this Agreement. Cost adjustments, for inflation and as otherwise specifically provided in the Policies and Procedures, do not require a modification of this Agreement.

I. The Parties are authorized to enter into this agreement by the provisions of Arizona Revised Statutes Section 28-6301 et seq.

D. Term and Termination. The Agreement is valid through the payment of the final invoice for completion of construction, as noted in the regional reimbursement schedule of the Recitals, section G, subject to change based on the current Regional Council-approved ALCP unless terminated earlier as specifically provided herein.

1. Termination by MAG. MAG reserves the right to terminate this Agreement in the event that MAG determines, in its reasonable discretion, that local or regional funds are not available to meet the City's financial responsibilities in regard to the Project or in the event of an act of God or act of war or terror that makes continuation of work pursuant to this Agreement no longer in the public interest. The City reserves the right to terminate this Agreement in the event that the City determines, in its reasonable discretion, that local funds are not available to meet the City's financial responsibilities in regard to the Project or in the event of an act of God or act of war or terror that makes continuation of work pursuant to this Agreement no longer in the public interest. The City will give 60 days advance written notice of such termination, unless such notice is impracticable under these circumstances, in which case the City will provide such notice, as is practicable.
3. Termination by Mutual Consent. The Parties may terminate this Agreement by mutual consent in the event that they determine that such termination is in furtherance of the goals of the Arterial Life Cycle Program and is in the best interests of the Parties.
4. In the event of termination pursuant to this Section "D," the City agrees that it will leave the Project in condition that is safe for use by public.

E. Availability of Funds. Each Party's obligations under this Agreement are conditioned upon the availability of funds, appropriated or allocated, for the payment of such obligation. No liability shall

  - 6. ATTORNEY'S FEES. In the event either Party brings any action for any relief, declaratory or otherwise, arising out of this Agreement, or on account of any breach or default of this Agreement, the prevailing Party shall be entitled to received from the other Party reasonable attorneys' fees and reasonable costs and expenses, as determined by the arbitrator or court sitting without a jury, which shall be deemed to have accrued on the commencement of such action and shall be enforceable, whether or not such action is prosecuted to judgment.
