

City Council Report

Date: November 21, 2022
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Kristy Garcia, Procurement Administrator
Subject: Purchase of Two (2) Gas Delivery and Breaching Systems for Armored Vehicles (Additions) for the Mesa Police Department (Sole Source) (Funded by Public Safety Sales Tax) **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Fleet Services and Police Departments and Purchasing recommend authorizing the purchase with the sole source vendor, JN Tactical, for \$44,296.

Background / Discussion

This purchase will provide DRACO breaching operational equipment for the two (2) Lenco Bearcat armored vehicles being purchased by the Department.

The new DRACO gas delivery system (GDS) will equip operators with a gas delivery system capable of remotely delivering up to eight (8) chemical gas canisters and two noise flash diversion devices from the safety of an armored vehicle. It is a multi-use tool designed specifically for the safe delivery of command-initiated, indoor safe baffled chemical grenades, and noise flash diversion devices into a hostile environment, including hardened structures and/or vehicles. DRACO GDS was engineered to be seamlessly coupled to the ram bars sections of a Lenco BearCat.

JN Tactical is the sole source manufacturer and distributor of DRACO Gas Delivery and Breaching System.
