(Citywide)

Recommendation

Council is requested to approve the award as recommended.

The Parks, Recreation and Community Facilities Department and Purchasing recommend awarding the contract to the sole source vendor, SkyLogix at \$65,000 annually, based on estimated usage.

Background / Discussion

This contract will provide SkyLogix ARC-10 systems, components, wireless services, and support used for sports remote-controlled field lighting systems.

ARC-10 wireless service and support is sole sourced from SkyLogix due to the nature of the items covered under its wireless service and support policy.
