Mesa's small and large business grow and create quality jobs by leveraging business and P-20 education partnerships, supporting a strong education continuum, and through a robust job skills training for Mesa's diverse population.

Placemaking

We cultivate unique spaces throughout Mesa that are culturally vibrant, safe, blight-free, and that are served equitably by quality infrastructure to attract and benefit residents, business, and visitors.

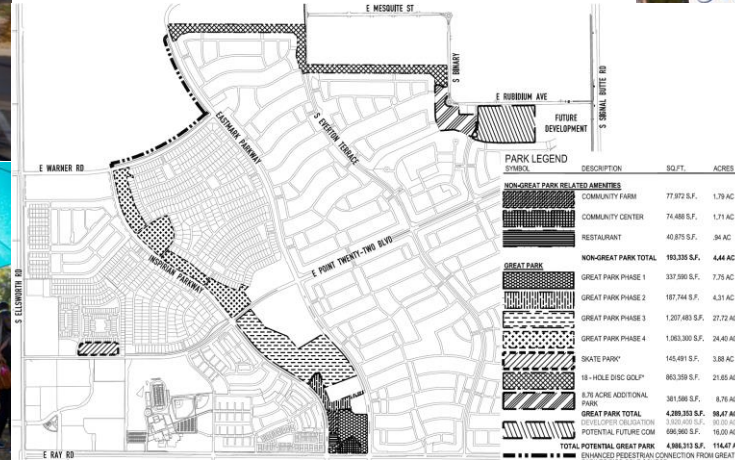

Transforming Neighborhoods

Mesa's neighborhoods are well connected socially, have equal access to health and technology solutions, are clean, safe, diverse and inclusive, and economically vibrant places where residents and businesses are engaged and informed, are welcoming, and where all take pride in their properties and community.

Sustainable Economy

Mesa will establish an inclusive path of continued economic growth and increased prosperity for all Mesa residents, including those living in poverty or within low-moderate income households.

Healthy Environment

We proactively and responsibly protect and conserve Mesa's environment and natural resources to reduce urban heat, carbon, and waste for a healthy community for all.
