

City Council Report

Date: May 15, 2023
To: City Council
Through: Scott J. Butler, Assistant City Manager
From: Sharon Skinner, Grants Coordinator
Subject: Resolution of support for the submittal of a grant application Desert Sounds Performing Arts to the Tohono O'odham Nation in the amount of \$15,000.00 for their Musical Mentors program and approving the City Manager to accept and administer subsequent awarded funds as a pass-thru grant.

Purpose and Recommendation

This request is seeking a City Council resolution of support for Desert Sounds Performing Arts application to Tohono O'odham Nation for Proposition 202 funding. If awarded, the grant will provide \$15,000.00.00 in funding for their Musical Mentors program. A Council Resolution supports this effort to secure a grant and commits the city to receive it on behalf of the non-profit and pass it through in its entirety to them if awarded. As these programs serve the needs of City of Mesa residents, staff recommendation is for Council to adopt this resolution.

Background

Desert Sounds Performing Arts is a local nonprofit agency whose purpose is to support kids around the valley learning music today and gaining life skills for tomorrow.

The Musical Mentors program gives children k-12 private music lessons, mentoring, and support

If awarded, the funding will serve 30-40 Mesa children in a year-round Musical Mentors program.

Discussion

A resolution of support for this grant request will complete the necessary documentation for the organization to file their application by the funder's deadline and be considered for funding. Mesa's participation in Proposition 202 Indian Gaming Grants has returned over \$1 billion to Arizona communities since its passage in 2002 from four surrounding

tribal governments.

Alternatives

The only alternative to adopting this resolution would be to not adopt. Such an action would deny Mesa sponsorship for this request and require the organization to seek an alternate local government for access to this funding source.

Fiscal Impact

The fiscal impact on the City of Mesa, should this grant be awarded, will be negligible except overhead expenses in accounting to accept and reissue the grant check. The City does not administer the grant and signs an MOU or IGA with each tribe to limit our liability to only the pass-through transaction.
