

City Council Report

Date: May 22, 2017
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, MPA, C.P.M., CPPO, Business Services Director
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator
Subject: Ratification of an Emergency Purchase of a 911 Back-up Recording System as requested by the Mesa Fire and Medical Department (Funded by authorized 2013 Public Safety Bonds) **(Citywide)**

Purpose and Recommendation

Council is requested to ratify the Emergency Purchase for a 911 Back-up Recording System as recommended.

Mesa Fire and Medical, and Purchasing recommend ratifying the emergency purchase with Goserco Inc (a Mesa business) at \$54,793.08.

Background / Discussion

This system will provide a redundant 911 recording system. The system is necessary because the City is required to record all dispatch communications. The current system must occasionally go off-line. This redundant system will ensure that dispatch communications are always being recorded. The purchase was expedited to comply with regulations.

On April 5, Mesa Fire and Medical obtained a quote for the 911 back-up recording system from Goserco Inc. The quoted pricing was fair and reasonable. The emergency purchase was approved by the Fire Chief and the City Manager's Office.

Alternatives

The purchase is already in progress.

Fiscal Impact

This emergency purchase is funded by authorized 2013 Public Safety Bonds.

Coordinated With

Mesa Fire and Medical, and Purchasing
