Being all of Parcel B shown the plat entitled "Hawes Road Church Subdivision," recorded the 21<sup>st</sup> day of March 2007 in Book 908, at Page 19, Maricopa County Records.

Section 4: Upon the completion of the Improvements, the Superintendent of Streets shall assess upon and against each Property, the actual cost of the Improvements as described in Section 3 of this Resolution.

Section 5: The assessments shall refer to this Resolution, shall state the total expense incurred by the City of Mesa in construction of the Improvements, the amount assessed against each Property, the name of the owner, if known, and there shall be attached to the assessment a statement signed by the Superintendent of Streets and countersigned by the Mayor, which shall be in the following form: "By virtue hereof, I, ELIZABETH HUNING, Superintendent of Streets of the City of Mesa, Maricopa County, Arizona, by the authority vested in me pursuant to the provisions of A.R.S. Section 9-243, and by Resolution No. \_\_\_\_\_ of the City of Mesa do

hereby assess upon the property described in the foregoing assessment the amounts designated therein, and do declare that the total amount assessed for these Improvements as described in this Resolution is not greater than the actual expense incurred by the City of Mesa and complies with the limitations in A.R.S. 9-243(B)(1) and (2).”

Section 6: Upon completion of the Improvements, the Superintendent of Streets shall notify the City Council of such fact, and the City Council shall fix a time when it will hear and pass upon the assessment and their proceedings theretofore, which shall not be less than twenty (20) days thereafter. The City Council shall cause notice of the hearing to be given by five (5) publications in a daily newspaper published and circulated in the City, and shall cause notices of the time and place of the hearing to be mailed by first class mail at least twenty (20) days before the hearing date to all persons owning real property affected by the assessments as the names and addresses appear on the last certified tax roll for the State and County purposes. If no address appears for any person on the last certified tax roll, then no notice needs to be mailed to such person. The Superintendent of Streets shall make an affidavit of the mailing and shall recite therein that the persons to who notices were mailed constitute all persons whose names and addresses appear upon the tax roll as owning property within the assessment district, which affidavit shall be conclusive proof that notice was mailed to each person to whom notice is required to be mailed. Failure to receive notice shall not constitute any jurisdictional defect invalidating any proceeding or assessment if notice has been sent pursuant to this section.

Section 7: The owners and all other persons directly interested in the Improvements or in the assessment who have any objection to the legality of the assessment or to any of the previous proceedings connected herewith, or who claim that the Improvements have not been performed according to the plans and specifications therefore, may, prior to the time fixed for the

hearing, file a written notice briefly specifying the grounds of their objections. At the time fixed for the hearing or at any time not later than ten (10) days thereafter to which the hearing may be postponed, the City Council shall hear and pass upon the objections. The decision of the City Council shall be final and conclusive upon all person's entitled to object as to all errors, informalities, and irregularities which the City Council might have remedied or avoided at any time during the progress of the proceedings.

Section 8: If the City Council finds that the amount assessed against each property in the assessment district exceeds the actual expense incurred by the City of Mesa for constructing the Improvements or does not comply with the assessment limitations in A.R.S. 9-243(B)(1) and (2), it may modify the assessments after hearing. It may also order that the assessments be recomputed if it finds error with the computations. When re-computing the assessment, the Superintendent of Streets shall again levy the assessment as instructed by the City Council, notwithstanding the fact that reduction of any assessment may cause a corresponding increase in other assessments.

Section 9: If assessments are modified and recomputed, the Superintendent of Streets shall modify in the same respect the original assessment and a duplicate of the recomputed assessment shall be recorded in lieu of the original assessment. If the assessments are not modified, the Superintendent of Streets shall record the original assessment.

Section 10: The amount assessed against each property shall become due when application of a building permit for development of the property assessed is applied for. The word "development" in the prior sentence shall mean as that word is defined in A.R.S. 9-243(E)(1). A building permit for such property shall not be issued until payment in full of the amount of the assessment with respect to any individual lot. The amount of the assessment shall

not bear interest. If any property assessed pursuant to this Resolution is not developed within ten (10) years from the date of recording the assessment with the Maricopa County Recorder's Office, the lien of the assessment shall automatically expire and such property may be developed without payment of the assessment.

PASSED AND ADOPTED by the City Council of the City of Mesa, Maricopa County, Arizona, this 16<sup>th</sup> day of June, 2014.
