Mike,

I would like to voice my support for your activities involving your citrus orchard on your property at the above address. As I have enjoy citrus from this property for over 50 years, I am delighted that your efforts now make that citrus available to not only the local neighborhood but to various charitable organizations here in Mesa, Wyoming, and Mexico.

My full support extends to your receiving from the City of Mesa the Building Variances that you have requested so that you might continue building the wall in the front of your property with a minimum impact on the grove and your citrus trees. I am sure that this wall will provide better and well deserved security and peace of mind for you and your family.

Sincerely,
