This Agreement (Agreement) by and between the Maricopa Association of Governments (MAG) and the City of Mesa (City), an Arizona Municipal Corporation, will become effective on the day that it is executed by the MAG Executive Director. MAG and the City are referred to in this Agreement each individually as a "Party" and collectively as the "Parties."

RECITALS

A. MAG is the regional planning agency for Maricopa County. MAG is governed by a regional council, which includes the mayor or chief executive of each member agency (Regional Council). Pursuant to state law, MAG has developed, and the necessary parties have approved, a twenty-year comprehensive, performance based, multimodal and coordinated Regional Transportation Plan (RTP) in the County. The arterial street component of the RTP includes major arterial streets and intersection improvements (Arterial Street Improvements) with a revenue allocation.

B. In November 2004, the voters of Maricopa County approved a transaction excise tax for the purpose of implementing the RTP. Federal Highway Administration (FHWA) Surface Transportation Block Grant Program (STBGP) and Congestion Mitigation and Air Quality (CMAQ) Funds are also allocated to the MAG region and administered by the Arizona Department of Transportation (ADOT) and are eligible to be used to implement the RTP.

C. MAG is required by state law to adopt a program that provides for life cycle management for the funding and programming of the Arterial Street Improvements (Arterial Life Cycle Program). On June 24, 2015 the Regional Council approved the Arterial Life Cycle Program (ALCP) Policies and Procedures, and on August 26, 2020 the Regional Council approved the Fiscal Year 2021 ALCP. The June 24, 2015 Policies and Procedures, as they may from time to time be amended by the MAG Regional Council (henceforth, the "Policies and Procedures"), are incorporated into this Agreement as fully as if set forth in this Agreement. Copies of the Policies and Procedures are available from MAG. Capitalized terms that are not defined in this Agreement have the meaning set forth in the Policies and Procedures

D. Funds for ALCP are administered by ADOT through its Regional Arterial Road Fund (RARF) sub-account for arterial streets, and through allocations of FHWA STBGP and CMAQ Funds that are allocated to the MAG region and administered by ADOT. Funds will be disbursed by ADOT once federal requirements are satisfied, as applicable, and upon the presentation of an invoice approved or reviewed with concurrence by MAG as provided in this Agreement.

E. The ALCP includes an arterial capacity improvement project on Ray Road between SR24 and Ellsworth Road. The Project is described in greater detail in the Project Overview submitted by the City, dated September 3, 2020 and on file in the offices of the City and MAG. The regional share in this agreement and the Project Overview are subject to change in the annually adjusted ALCP.

F. The Project will be designed and constructed in accordance with the standards adopted by the City.

G. When applicable, the regional reimbursement schedule will reflect the current ALCP that Regional Funds are first programmed. The current funding schedule for the Project is as follows:

WORK PHASE	Fiscal Year for Work	Regional Reimbursement	Type of Reimbursement Funds	Fiscal Year for Reimbursement
Design	2023	\$535,155.60	RARF	2023
ROW	2021-2022	\$1,400,000.00	RARF	2021
Construction	2024	\$ 2,788,195.20	RARF	2024
Savings	2024	\$ 2,118,626.95	RARF	2024
Total Programmed for Reimbursement		\$6,841,977.75		

H. The regional reimbursement, when applicable, will be expressed in the current year dollars that Regional Funding is programmed and may be adjusted annually for inflation based on the current Regional Council approved ALCP. Adjusted costs will be incorporated into the ALCP and by reference into this Agreement. Cost adjustments, for inflation and as otherwise specifically provided in the Policies and Procedures, do not require a modification of this Agreement.

I. The Parties are authorized to enter into this agreement by the provisions of Arizona Revised Statutes Section 28-6301 et seq.

AGREEMENTS

NOW, THEREFORE, for good and sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

A. Purpose. The purpose of this Agreement is to identify and define the responsibilities of the City and MAG for the design, construction and financing of the Project, as established in the ALCP.

B. Responsibilities of the Parties.

1. MAG's Responsibilities. MAG agrees to:

- a. Administer the ALCP, pursuant to the Policies and Procedures as approved by the MAG Regional Council;
- b. Provide to the City the required format for submitting requests for payment, invoices, progress reports, and backup documentation;

- c. Review and approve invoices for projects to be reimbursed with Regional Area Road Funds or review and concur with invoices for projects to be reimbursed with federal funds, subject to the terms of this Agreement;
- d. Submit the approved Request for Payment form to ADOT for payment by ADOT to the City. The payments from ADOT to the City will be based on the reimbursement amounts and schedule as noted in the Recitals, Section G. The basis for payment to City shall be reimbursement for costs in conformance with the ALCP and the Policies and Procedures.

2. City's Responsibilities. The City agrees to:

- a. Be responsible for all project costs and submit invoices to MAG for reimbursement. The City will: 1) be responsible for the completion of all surveys, design, plans and specifications, including contractor selection documents; 2) conduct contractor selection process(es), award contract(s) for construction pursuant to the applicable laws, and provide necessary construction management and inspection; 3) if necessary, purchase or condemn right of way required for the completion of the Project; 4) be responsible for all utility relocations, and 5) review and approve invoices from its contractors and subcontractors before submitting an invoice to MAG;
- b. Abide by the Policies and Procedures as approved by the MAG Regional Council throughout the completion of the Project;
- c. Be responsible for meeting all applicable project development requirements for the Project;
- d. Obtain appropriate indemnifications and insurance from all contractors and subcontractors involved in the Project;
- e. Be responsible for all Project costs in excess of the maximum amount of the regional funds allocated for the Project in the amount of \$6,841,977.75 (Allocated Regional Funds). The amount of funds to be paid to the City pursuant to this Agreement will not exceed the Allocated Regional Funds. The allocated regional funds are expressed in current year dollar amount in which the Regional Funds are first programmed. The Regional Funds may be adjusted annually for inflation pursuant to the procedure set forth in the Policies and Procedures and the current Regional Council-approved ALCP;
- f. Provide invoices and progress reports to MAG pursuant to the project schedule provided in the Project Overview;
- g. Otherwise comply with all requirements of this Agreement; and
- h. Have the City's authorized representative, the City's Public Works and Utilities Director or designee, sign, approve and submit invoices to MAG.

C. Records and Audit Rights. The City's work and accounting records (hard copy, as well as computer readable data), and any other supporting evidence deemed necessary by MAG to substantiate charges and claims related to this Agreement shall be open to inspection and subject to audit and/or reproduction by authorized representatives of MAG, the Arizona Department of Transportation and the Auditor General of the State of Arizona (Auditors), as applicable, to the extent necessary to adequately permit evaluation

and verification of the performance and cost of the work, and to conduct and prepare all audits and reports required by law. Auditors shall be afforded access, at reasonable times and places, to all of the City's records and personnel, pursuant to the provisions of this Section, throughout the term of this Agreement, and for a period of five (5) years after last or final payment.

D. Term and Termination. The Agreement is valid through the payment of the final invoice for completion of construction, as noted in the regional reimbursement schedule of the Recitals, section G, subject to change based on the current Regional Council-approved ALCP unless terminated earlier as specifically provided herein.

1. Termination by MAG. MAG reserves the right to terminate this Agreement in the event that MAG determines, in its reasonable discretion, that local or regional funds are not available to meet the City's financial responsibilities in regard to the Project or in the event of an act of God or act of war or terror that makes continuation of work pursuant to this Agreement no longer in the public interest. MAG will give sixty (60) days advance notice of such termination, unless such notice is impracticable, in which case MAG will provide such notice as is practicable under the circumstances. In the event of such termination, MAG will recommend to ADOT that it reimburse the City as provided in this Agreement, for work satisfactorily performed to the date of termination.

MAG also reserves the right to terminate this Agreement in the following circumstances: 1) no Material Project Reimbursement Request (MPRR) has been submitted to MAG for a period of at least eighteen (18) months from the date of the last Project Reimbursement Request (PRR) or the effective date of this Agreement, whichever is later; 2) no Substantial Project Reimbursement Request (SPRR) has been submitted to MAG for a period of thirty (30) months from the date of the last PRR or the effective date of this Agreement, whichever is later; 3) in the event of a Substantial Project Change, or 4) if the City fails to observe or perform any of the material covenants, conditions or provisions of this Agreement to be observed or performed by the City, where such failure shall continue for a period of thirty (30) days after the City receives written notice of such failure from MAG, however, such failure shall not be a default if the City has commenced to cure the default within such 30-day period and thereafter is diligently pursuing such cure to completion, but the total aggregate cure period shall not exceed ninety (90) days unless the Parties agree in writing that additional time is reasonably necessary under the circumstances to cure such default. In the event the City fails to perform any of its material obligations under this Agreement and is in default pursuant to this Section, MAG, at its option, may terminate this Agreement. Further, upon the occurrence of any default and at any time thereafter, MAG may, but shall not be required to, exercise any remedies now or hereafter available to it at law or in equity.

2. Termination by the City. The City reserves the right to terminate this Agreement in the event that the City determines, in its reasonable discretion, that local funds are not available to meet the City's financial responsibilities in regard to the Project or in the event of an act of God or act of war or terror that makes continuation of work pursuant to this Agreement no longer in the public interest. The City will give sixty (60) days advance written notice of such termination, unless such notice is impracticable under these circumstances, in which case the City will provide such notice as is practicable. If MAG fails to observe or perform any of the material covenants, conditions or provisions of this Agreement to be observed or performed by MAG, where such failure shall continue for a period of thirty (30) days after MAG receives written notice of such failure from the City, however, such failure shall not be a default if MAG has commenced to cure the default within such thirty (30)-day period and thereafter is diligently pursuing such cure to completion, but the

total aggregate cure period shall not exceed ninety (90) days unless the Parties agree in writing that additional time is reasonably necessary under the circumstances to cure such default. In the event MAG fails to perform any of its material obligations under this Agreement and is in default pursuant to this Section, the City, at its option, may terminate this Agreement. Further, upon the occurrence of any default and at any time thereafter, the City may, but shall not be required to, exercise any remedies now or hereafter available to it at law or in equity.

3. Termination by Mutual Consent. The Parties may terminate this Agreement by mutual consent in the event that they determine that such termination is in furtherance of the goals of the Arterial Life Cycle Program and is in the best interests of the Parties.
 4. In the event of termination pursuant to this Section "D," the City agrees that it will leave the Project in condition that is safe for use by the public.
- E. Availability of Funds. Each Party's obligations under this Agreement are conditioned upon the availability of funds, appropriated or allocated, for the payment of such obligation. No liability shall accrue to MAG in the event MAG declines to review and/or approve invoices for payment on the basis that funds are not available for payment of such invoices and MAG terminates the Agreement in accordance with section D.1.
- F. Indemnification. Each Party to this Agreement (Indemnitor) agrees to defend, indemnify and hold harmless the other Party, and such Party's officers, officials, employees, agents, and directors (collectively, the Indemnitee) from and against any and all claims, demands, losses, liabilities, causes of action and costs (including expert witness fees, attorney's fees and costs of defense and appellate appeal) (collectively, Claims), which may be imposed upon, incurred by or asserted against the Indemnitee, attributable (directly or indirectly) to, or arising in any manner by reason of, the negligence, error, or omission of any agent, officer, servant, or employee of the Indemnitor, or anyone for whom Indemnitor may be legally liable, in the performance of this Agreement.
- G. Conflict of Interest. This Agreement is subject to termination for conflict of interest, pursuant to the provisions of A.R.S. § 38-511.
- H. Ownership of Improvements upon Termination. Upon the expiration or other termination of this Agreement, ownership of the Project and the improvements constructed under this Agreement shall be vested in the City of Mesa.
