

City Council Report

Date: January 11, 2021
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Purchase of One, CNG Powered Heavy-Duty Front-Loading Refuse Truck (Replacement) for the Environmental Management and Sustainability Department (Funded by the Utility Replacement Extension and Renewal Fund) **(Citywide)**

Recommendation

Council is requested to approve the purchase as recommended.

The Fleet Services and Environmental Management and Sustainability Departments and Purchasing recommend authorizing the purchase from the existing contract with Rush Truck Centers of Arizona, dba, Rush Truck Center Phoenix, at \$400,124.62.

Background / Discussion

This purchase will provide one, CNG powered front-end loader for solid waste collection. Solid Waste Management has been replacing diesel loaders for solid waste collection with CNG trucks as part of the conversion of the fleet to CNG. The refuse truck that is being replaced has met established criteria and will be either traded, auctioned, sold, or deployed to special uses.
