Narrative for 731 N Alma School Rd., Mesa, AZ 85201

20TMP-001905

To: City of Mesa Planning & Zoning

Regarding: 731 N. Alma School Rd, Mesa AZ 85201

Purpose: Rezone from C-O to R1-6

From: Randy Courtney, Owner 602-615-6500

This property has always been a residential home and has never been used as a commercial office.

I desire to change the zoning back to the original zoning of R1-6 so I may add a garage and potentially a guest quarters for my aging parents.

I have been informed it is currently non-conforming residential and NO improvements can be made unless zoning is changed back to residential, R1-6.

My intent is to make this our family home for many years to come and to enjoy the remaining years left with my parents.

Please consider our simple & logical request to rezone our property to R1-6.

Thank you,

Randy Courtney

Citizen Participation Plan for 731 N Alma School Rd, Mesa AZ 85201

Purpose: The purpose of this Citizen Participation Plan is to inform citizens, property owners, neighborhood associations, agencies, schools, & businesses in the vicinity of 731 N Alma School Rd of the request to rezone the parcel from CO to R1-6. Prior to the current CO zoning, the parcel was R1-6 and is consistent with the general plan & matches similar sized lots surrounding the subject parcel. The existing home is within the current setbacks (15ft front, 15ft sides, 25ft rear), and the percentage of dwelling lot coverage is approximately 6.5%.

Pre-application Meeting: The pre-application meeting with the City of Mesa planning staff was held on Tuesday, May 5th at 9:00am via Zoom video call.
Staff reviewed the application and requested general information about the parcel & dwelling that I subsequently provided (e.g., utility services), and Staff also recommended that neighbors & associations nearby be contacted.

Action Plan: In order to provide effective citizen participation in conjunction with their application, the following actions will be taken to provide opportunities to understand and address any real or perceived impacts from the re-zoning of this parcel that members of the community may have.

1. A contact list will be developed for citizens and agencies in this area including:

- All registered neighborhood associations within one mile of the property address.
- Homeowners Associations within one half mile of the property address.
- Interested neighbors - focused on 1,000 feet from site but may include more.
- [Mesa School District] in writing.

2. All persons listed on the contact list will receive a letter describing the project, project schedule, site plan, and invitation to a series of (2) neighborhood meetings to be held at the subject property, 731 N Alma School Rd

- The first meeting will be an introduction to the Proposal to Rezone and opportunity to ask questions and state concerns. A sign-in list will be used, and comment forms provided.

Copies of the sign-in list and any comments will be given to the City of Mesa Planner assigned to this project.

- The second meeting will be held [2] weeks later and will include responses to questions and concerns of the first meeting. A sign-in list and comment cards will copy to the City of Mesa Planner.

3. Neighborhood Associations, Homeowners Associations, and Neighbors within 1,000 feet of the parcel will be called by telephone to inform them personally of the project and receive comments.

4. Presentations will be made to groups of citizens or neighborhood associations upon request.

HELLO NEIGHBOR…

Our family purchased the home located at 731 N. Alma School last January 2020.
We soon realized the property is zoned Commercial. We would like to build a simple garage and possibly attach a small guest suite for my aging parents.

We have been informed by the City of Mesa the property will have to be zoned back to its original zoning of Residential to make improvements.

This should not affect anyone near any of our property lines. Zoning the property back to the original Residential will be more conforming to the Suburban Nature the City had originally intended.

Tony,

So happy you could make our initial meeting on the 14th of December, at our property at 731 N. Alma School Rd., Mesa.

I am grateful for your support of our request to the City to change our OC zoning to RS-6, like it was originally.

If you would be so kind as to respond to this email with your written support, I would be very appreciative.

Also, on the 13th of January, there will be a zoning hearing and would invite you to attend at the City with Marcelina and I if at all possible.

It is wonderful neighbors like you guys that make our community special! We appreciate you and all you have done on our behalf.

Have a wonderful Holiday Season as well!

By the way, I noticed your last name of Sola. I had past clients by the names of Val & Jim Sola that I

helped sell their Tempe property years ago. Any relation by chance? I know it is not a common last name but do know it is a small world.

Randy
Is was so nice to meet you, your wife and daughter. Welcome to the neighborhood! We have lived in our home, close to yours for 34 years and are happy you have chosen our area to make your new home. We much prefer families over businesses in the homes around us.
I also love that you want to make a place for your parents close to you.

Good luck in your endeavor and let us know if we can help you with anything.

Again, welcome to our neighborhood,

Lorene,

Thank you for your kind support! We appreciate you taking the time to reply.

We have received overwhelming support and like many, wonder why they zoned this parcel to office in the first place!

It started as residential and should have remained. We are just taking it back to the suburban use that is was intended.

We are also happy to have great neighbors such as you!! If you can join in on the City Zoning hearing on the 13th, that would be wonderful.

You and your family have a wonderful & Happy New Years! We will keep you posted as we go.

City of Mesa Planning and Zoning Committee,

I want to express my support of returning the zoning on the property at 731 N. Alma School Road back to residential. Although it is located on a busy road, it does impact our neighborhood. Keeping this beautiful home as a residence, not a commercial enterprise, will help in the goal we, in Emerson Manor, have to improve our neighborhood as it continues in its rejuvenation.

Thank you,
