

GROVES OF HERMOSA VISTA REZONE & REPLAT

Citizen Participation Plan

2137 & 2138 East Menlo Circle

Purpose

The purpose of this Citizen Participation Plan is to inform adjacent property owners and other interested parties in the vicinity of the subject property of the proposed rezoning and replat applications. The subject property is located at 2137 & 2138 East Menlo Circle, Mesa, Arizona (the “Property”). The Property is currently vacant land zoned RS-15 & RS-35. The applicant, Michael Stephan (“Applicant”), seeks to rezone the Property from RS-35 to RS-15 and replat it with the existing lots for two larger lots.

Parties Affected by the Application

North & East of the Property is Groves of Hermosa Vista, a single-family residential community in the City of Mesa zoned RS-15. South of the Property are single-family homes zoned RS-15. West of the Property is a private home zoned RS-35.

This application proposes two large lots that are compatible with the City of Mesa’s General Plan and the development patterns in the area. The proposed density of the project (1 du/ac) is consistent with Mesa’s Suburban sub-type. This plan provides a sensible transition from the multi-acre estate to the west and the Suburban lots that surround it.

Notification and Information Procedures

Within thirty (30) days of the date of the rezoning and replat submittal, a notification letter will be mailed to all property owners within 1000 feet of the Property, and any other potentially affected citizens in the target area who have requested that they be placed on the routing list maintained by the Planning and Development Department. This letter will describe the proposed rezoning and replat request and may provide additional exhibits which support the request. This letter will provide the contact information for the applicant with an invitation to contact the applicant to discuss the project via e-mail, telephone, regular mail or in person.

The applicant will host a neighborhood meeting as part of the neighborhood outreach process. Information about the neighborhood meeting will be contained either in the initial notice letter outlined above or in a separate notice letter. In light of the ongoing COVID-19 pandemic, the applicant may host a virtual neighborhood meeting in lieu of an in-person neighborhood open house meeting. If the applicant elects to host a virtual neighborhood meeting, the notice letter described above will contain instructions outlining how property owners may participate. The meeting will be hosted utilizing a web-based conferencing platform such as WebEx, GoToMeeting, ZOOM, or another comparable platform. For the virtual meeting, the applicant will begin the meeting with a live presentation describing the project and sharing project plans and exhibits. Following the presentation, participants will be able to ask questions via the meeting platform chat function. Questions will be answered live by the development team as they are submitted.

In addition, the applicant will post a sign on the Property that describes the rezoning and replat request and provides the applicant contact information. The postings shall be visible from the nearest public right-of-way. The postings will remain in place for the entire application period. The notice shall be a minimum

of six square feet in area unless combined with the public hearing notices. The posting shall include, at a minimum, a brief description of the area of the proposed Zone Change and Replat, a general explanation of the nature of the proposal, the name of the owner or authorized agent, and contact information for the owner or authorized agent.

A copy of the notice as well as a signed and notarized “Affidavit for the Citizen Review Process” along with photographic evidence demonstrating proof of posting and a map illustrating posting sites shall be submitted to staff within 30 days of application submittal.

Schedule for Completion

Citizen Participation Plan Submittal: 12/7/2020

Initial Notification Letters Mailed: TBD

Affidavit for the Citizen Review Process Submittal: TBD

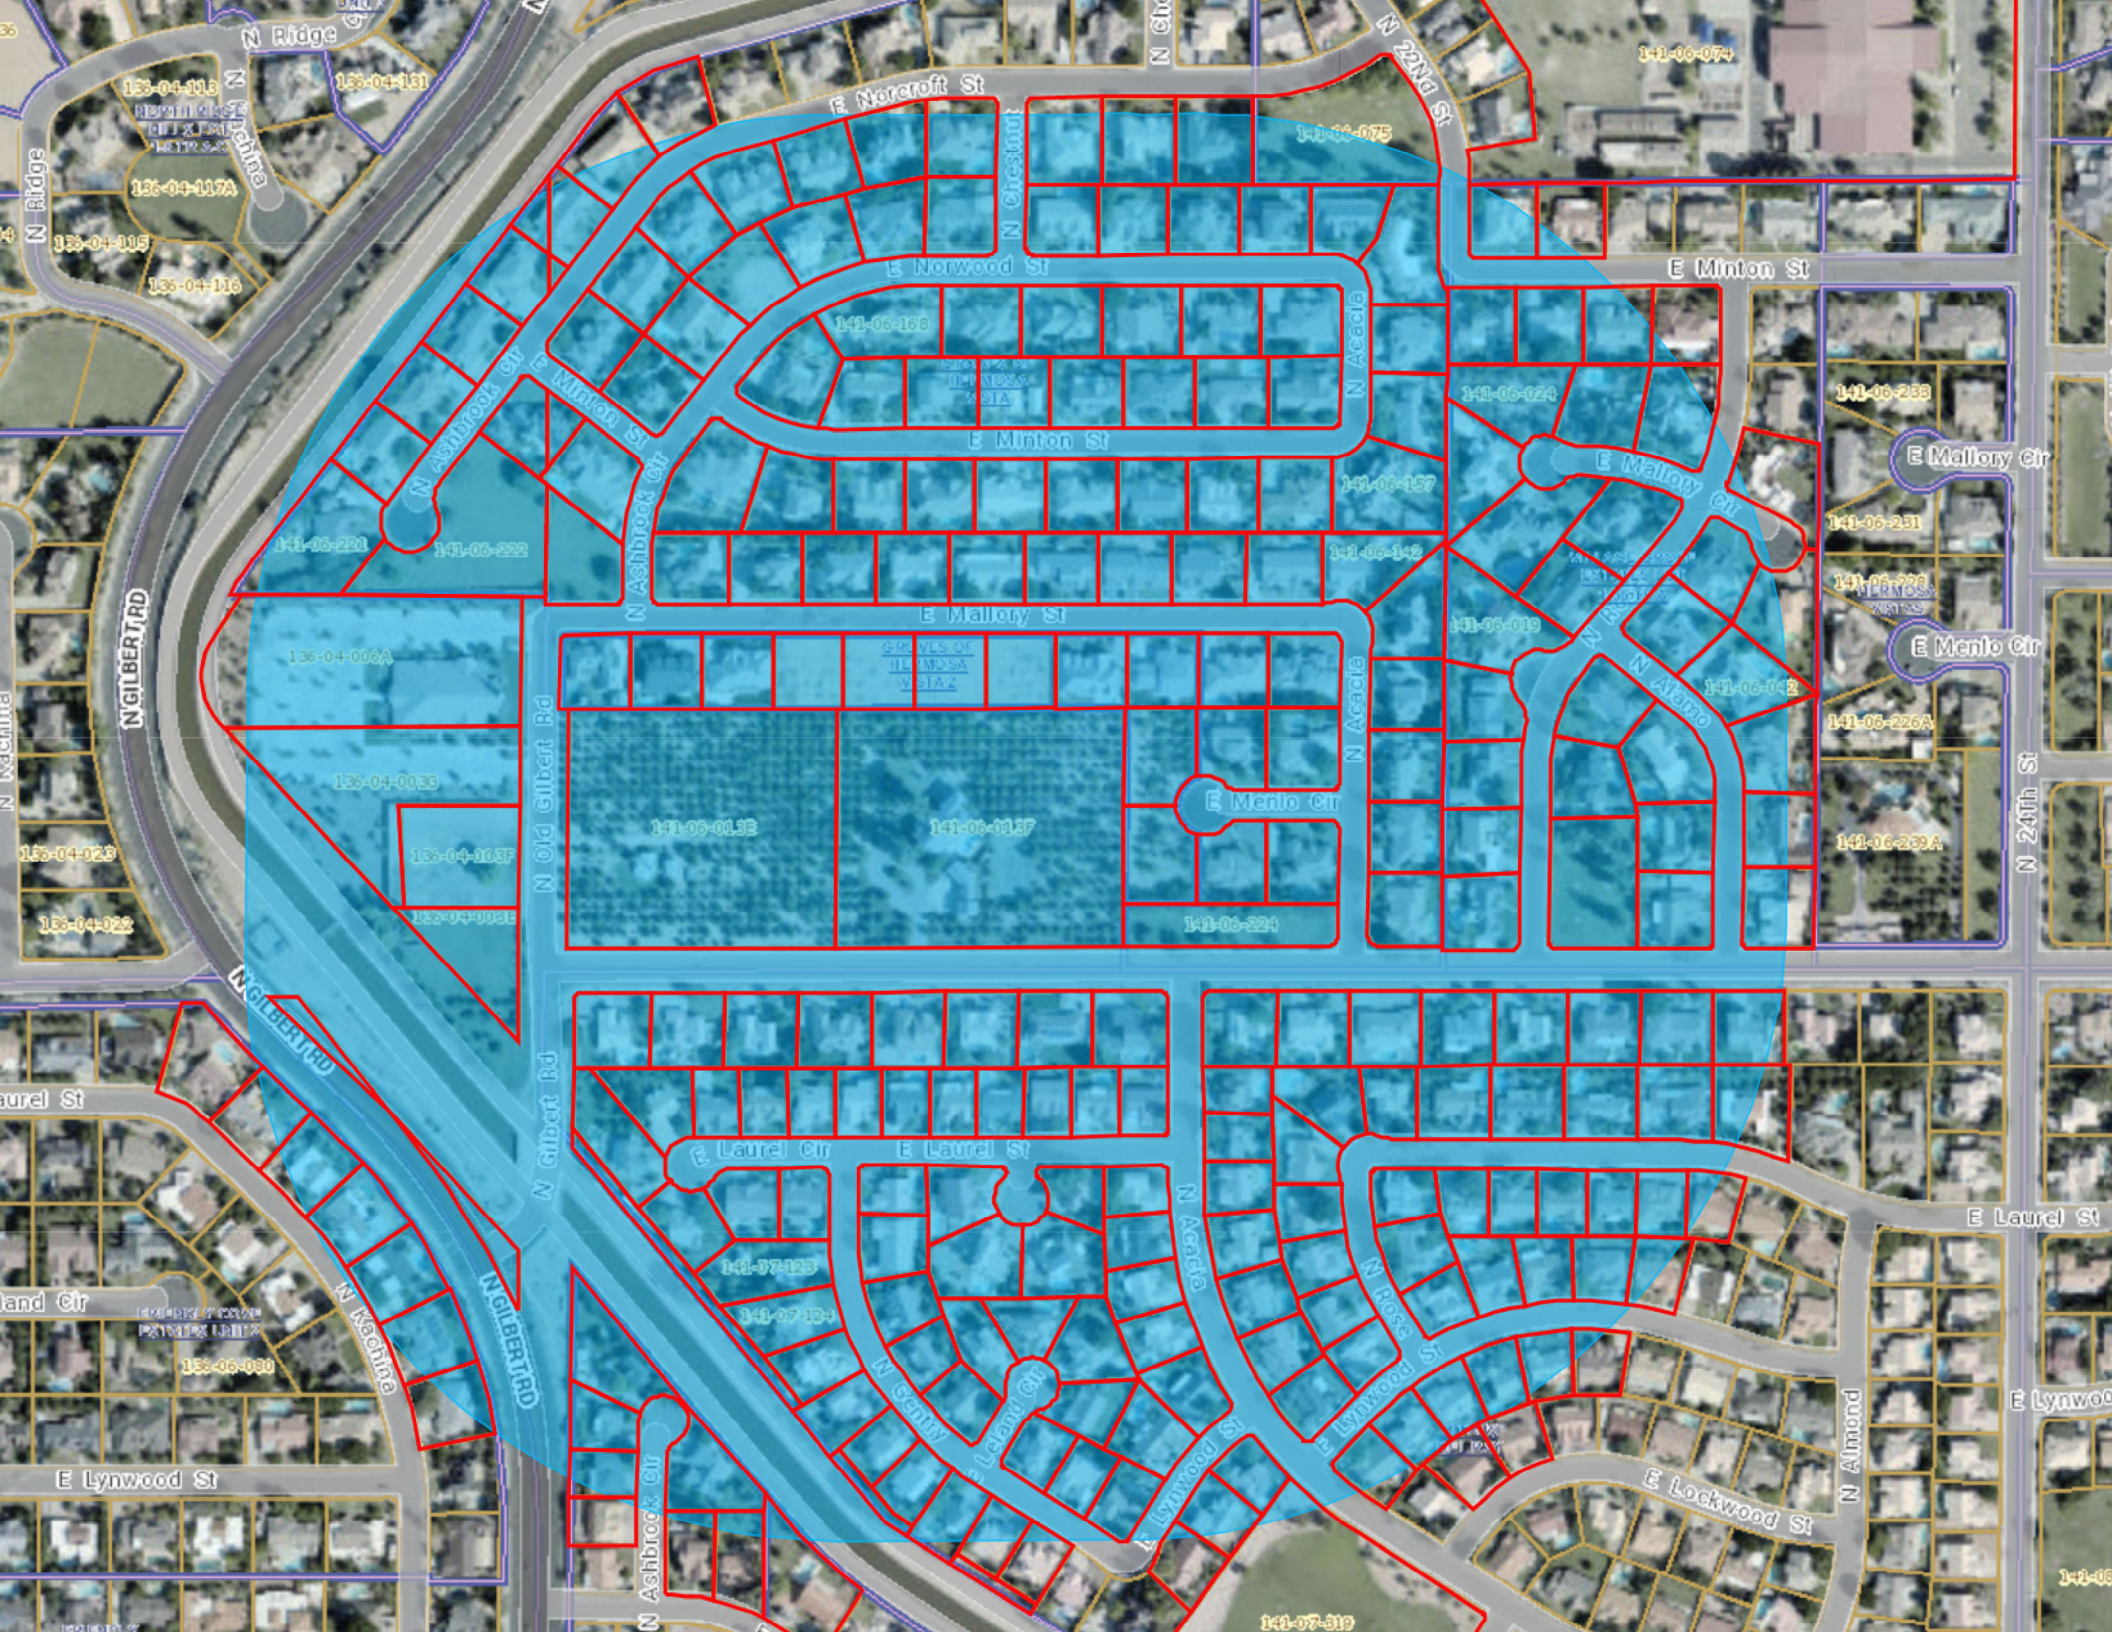

Neighborhood Meeting: TBD

Citizen Participation Report Submittal: TBD

Affidavit of Public Hearing Notification: TBD

Status Procedure

The applicant will provide periodic status updates to the Planning and Development Department via email regarding citizen participation and contact with inquiring parties.
