

# City Council Report

**Date:** March 15, 2021  
**To:** City Council  
**Through:** Natalie Lewis, Assistant City Manager  
**From:** Christine Zielonka, Development Services Director  
Nana Appiah, Planning Director  
**Subject:** Introduction of an Ordinance for annexation case ANX20-00242, located north of Pecos Road and east of Ellsworth Road (337.0± acres). *Council District 6*

## Purpose and Recommendation

The purpose of this agenda item is for the City Council to conduct a public hearing on the proposed annexation of 337.0± acres (see Exhibit “A”).

The subject annexation request was initiated by the applicant, Paul Gilbert, Beus, Gilbert, McGroder, PLLC for the owner, Pacific Proving, LLC. The annexation petition was released for signature on January 14, 2021.

Staff Recommends approval of the annexation.

## Background

The annexation area consists of one undeveloped parcel generally located on the south side of the Williams Field Road alignment, specifically between Ellsworth Road and the Crismon Road alignment as well as the Crismon Road alignment right-of-way located on the eastern side of the property (see Exhibit ‘A’). The applicant is requesting annexation to develop the parcel within the corporate limits of the City of Mesa. Currently, the site consists of two zoning districts within Maricopa County. Specifically, 295.3± acres of the subject property (Area 1) are zoned Industrial 2 (IND-2) with the remaining 41.7± acres (Area 2) zoned Single Residence 43 (RU-43). The annexation ordinance will establish City of Mesa zoning designation of Light Industrial (LI) on the 295.3± acre portion of the site that is currently zoned IND-2 in Maricopa County and City of Mesa zoning designation of Agriculture (AG) on the remaining 41.7± acre of the site currently zoned RU-43 in Maricopa County. Subsequent to the annexation, the applicant will submit an application to rezone the AG portion of the property to Leisure and Recreation (LR).

## Discussion

The proposed annexation area is completely surrounded by the existing City of Mesa

corporate boundaries and is within the City of Mesa Planning Area. The subject property has a General Plan character area designation of “Mixed Use Community”. Upon annexation, any development of the subject property will be required to comply with City of Mesa development standards, including storm water retention, street improvements, landscaping, screening, and signage. The City will also collect the development fees as well as supply water and gas utilities. Utilities and City services are already provided in the area and extension of these services will have minimal impact on the City.

The City of Mesa Departments/Divisions of Transportation, Fire, Solid Waste, and Water Resources have provided comments related to the future development of the property; however, none of the comments pertain to the annexation of the current vacant land.

**Planning**

State Statute requires the City to adopt a zoning classification that permits densities and uses no greater than those permitted by the County on newly annexed land (A.R.S. §9-471-L). The property is currently zoned IND-2 and RU-43 in Maricopa County. City of Mesa zoning designations of LI and AG will be established through the annexation ordinance.

**Fiscal Impact**

Annexation of this land will result in the collection of any future secondary property tax, construction tax, and development fees generated from the land.

**Notification**

The annexation site has been posted and notifications have been sent to all property owners and county agencies as required by state statute (A.R.S. §9-471).

**GENERAL INFORMATION**

Area .....	337.0± Acres
Population .....	0 People
