

# City Council Report

**Date:** April 5, 2021  
**To:** City Council  
**Through:** Natalie Lewis, Assistant City Manager  
**From:** Christine Zielonka, Development Services Director  
Nana Appiah, Planning Director  
**Subject:** Introduction of an Ordinance for annexation of a portion of South 222<sup>nd</sup> Street and East Williams Field Road right-of-way (Case# ANX20-00463). *Council District 6*

## **Purpose and Recommendation**

The purpose of this agenda item is for the introduction of an ordinance for a proposed annexation of 6.74± acres of Maricopa County right-of-way located within the 6000 block of South 222<sup>nd</sup> Street and within the 10500 to 11000 blocks of East Williams Field Road (See Exhibit A).

City Staff is recommending approval of the annexation of this portion of 222<sup>nd</sup> Street and Williams Field Road.

## **Background**

On June 18, 2018, the City Council approved a zoning request for the “Destination at Gateway” Planned Area Development (Destination at Gateway PAD-Case# ZON17-00247), which is a 243± acre mixed-use development located on the south side of Williams Field Road, specifically between 222<sup>nd</sup> Street and Meridian Road. The proposed annexation is for a portion of Williams Field Road right-of-way that is required to be constructed as part of the infrastructure improvements for the Destination at Gateway PAD development.

## **Discussion**

The proposed annexation area consists entirely of public right-of-way. Per Section 9-471(N) of the Arizona Revised Statutes, a county right-of-way or roadway may be transferred to an adjacent city or town by mutual consent of the governing bodies of the county and city or town if the property transferred is adjacent to the receiving city or town and if the city or town and county each approve the proposed transfer as a published agenda item at a regular public meeting of their governing bodies.

After review and approval of the annexation ordinance by the Mesa City Council, the Maricopa County Board of Supervisors will also be required to review and approve the annexation for it to become effective. The City of Mesa will be responsible for the maintenance of the roadway after the approved annexation.

**Planning**

Annexation of this portion of 222nd Street and Williams Field Road will facilitate the development of the required roadway infrastructure improvements of the Destination at Gateway mixed-use development. The annexation is only for right-of-way dedication and does not include any zoning designation.
