

City Council Report

Date: April 5, 2021
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Purchase of a Forklift/Front Loader (Addition) for the Mesa Fire and Medical Department (MFMD) **(Funded by General Fund Capital) (Citywide)**

Purpose and Recommendation

Council is requested to approve the award as recommended.

The Fleet Services and Mesa Fire and Medical Department, and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Bingham Equipment Company (a Mesa business) at \$59,060.86.

Background / Discussion

This purchase for a Bobcat T76 Track Loader will be used by Mesa Fire and Medical's Training Division for their daily operations, to perform heavy auto lifting both on and off road. This unit will also be used for moving CONEX boxes and storing material on top of them.

MFMD chose this particular brand because the configuration is the most economical option. Other brands such as John Deere, and Kubota only offer specs that either only come with some features standard, requires upgrades to meet spec surpassing current quote; or units that meet required spec are a much larger unit that is overkill in both capabilities and cost.

The State of Arizona contract was competitively bid and meets the City's procurement requirements.

Purchase Information

Action: Award
Procurement Type: Cooperative Contract Use
Contract Number: 2021161
