

# City Council Report

**Date:** April 5, 2021  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Ratification of the Emergency Purchase of AZ Labs Chiller Rental for the Parks, Recreation and Community Facilities Department (PRCF) **(Citywide)**

## Recommendation

Council is requested to ratify the emergency purchase of AZ Labs Chiller Rental as recommended.

The Parks, Recreation and Community Facilities Department and Purchasing recommend ratifying the purchase with Aggreko at \$26,034.60.

## Purchase

The chiller at AZ Labs had a catastrophic failure and could no longer be repaired, parts are obsolete. Temporary cooling was needed so PRCF procured a chiller rental until new Chillers are installed, which is estimated to be February 2021. The City of Mesa rents space at AZ Labs and cooling is essential to their business. The chiller also services a building at Phoenix-Mesa Gateway Airport.

PRCF contacted four vendors for quotes and only one vendor, Aggreko, had the ability to deliver the chiller during a reasonable timeframe. The rental quote through Aggreko is \$22,803.64, however, variable charges and sales tax were not included.

This emergency purchase was approved by the Deputy City Manager on 12/7/2020, as necessary for the immediate preservation of the public health.
