Date: May 3, 2021
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Renewal to the Term Contract for Parts and Services to Support the Closed-Circuit TV System for the Mesa Police Department **(Citywide)**

Recommendation

Council is requested to approve the contract renewal as recommended.

City staff and Purchasing recommend authorizing the renewal using the State of Arizona cooperative contract with Corporate Technology Solutions at \$150,000 annually, based on estimated usage.

Background / Discussion

This contract provides parts and services to support the Closed-Circuit TV projects (CCTV) throughout City facilities. It allows the Mesa Police Department to maintain all CCTV systems in good working order.

Corporate Technology Solutions has agreed to renew the contract at last year's prices. The contractor has had good performance during the contract term. The Department has used this vendor for many years now. This is the last year of the contract and the State will rebid or the City will issue our own solicitation next year. This contract continues to be advantageous to the City and is recommended to be in the City's best interest to renew.
