

City Council Report

Date: July 8, 2021
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Purchase of Two Replacement Technical Search and Rescue Color Cameras for the Mesa Fire and Medical Department **(Grant Funded) (Single Response) (Citywide)**

Purpose and Recommendation

Council is requested to approve the award as recommended.

The Mesa Fire and Medical Department and Purchasing recommend authorizing the purchase from the single, responsive and responsible bidder, L.N. Curtis and Sons dba Curtis Tools for Heroes at \$38,200.

Background / Discussion

This purchase will provide two replacement thermal search and rescue color cameras. These cameras supplement and accelerate investigations to focus on hot points and contrasts in temperatures, helping to locate victims or their thermal signature. They are used to find victims following natural disasters or other major incidents.

Purchasing issued a Request for Bid on May 17, 2021, with responses due on June 2, 2021. L.N. Curtis and Sons was the only response received. Purchasing contacted other Vendors notified of the opportunity. Responses were generally that they didn't sell equipment that met our requirements. It is in the City's best interest to award the contract to the sole respondent, L.N. Curtis and Sons whose pricing is fair and reasonable.
