

City Council Report

Date: September 20, 2021
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Renewal to the Term Contract for Commercial Grade Fitness Equipment for the Mesa Fire and Medical, Parks, Recreation and Community Facilities and Other Departments **(Citywide)**

Recommendation

Council is requested to approve the contract renewal as recommended.

Mesa Fire and Medical and Parks, Recreation and Community Facilities (PRCF) and Purchasing recommend authorizing the renewal with Fitness 4 Home Superstore, Inc. dba Commercial Fitness Superstore at \$145,000 annually, based on estimated usage.

Background / Discussion

This contract provides commercial-grade fitness equipment such as treadmills, elliptical/cross trainers, stationary and recumbent bikes, leg extension machines, Olympic straight bars, plyometric stands and other cardio and strength fitness equipment.

Departments purchase fitness equipment as needed to replace equipment that has reached end of life, and new equipment if needed. PRCF purchases fitness equipment for the Red Mountain Multigenerational Center's fitness area as needed to replace end-of-life equipment. Fire and Medical will need to purchase equipment for Fire Station 221 that is due to open in October, and PRCF needs to purchase some new equipment for the Eagles Recreation Facility.

This is the last renewal option available, and it is in the City's best interest to renew for this last year. Commercial Fitness Superstore continues to provide exceptional services. The vendor is willing to renew without a price increase.
