

City Council Report

Date: October 18, 2021
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Brandy Andersen, Acting Procurement Administrator
Subject: Ratification of the Emergency Purchase of a Dispatch Console (Addition) for the Mesa Police Department **(Fully funded by the Regional Dispatch System IGA with the Town of Queen Creek) (Citywide)**

Recommendation

Council is requested to approve the emergency purchase as recommended.

The Police Department and Purchasing recommend ratifying the purchase using the State or Arizona contract with Motorola Solutions, Inc. at \$88,355.83.

Background / Discussion

This purchase of a Motorola 7500 console is for Police Communications. The additional console is an important part of on-boarding dispatch services for the Queen Creek Police Department. Without the console being in place, the expansion would be negatively impacted, and dispatch resources would need to be pulled from MPD functions.

The emergency purchase was approved by the City Manager's office as provided in the City Code for the immediate preservation of the public peace and the public safety.
