Specialties

We are a food truck park which has 6-8 food trucks each weeknight (Monday - Thursday) and 15-18 food trucks on the weekends (Friday - Saturday). We have the BEST food truck food in the industry.

History

Established in 2020.

David & Ray decided to build a food truck park so that all of the small business food trucks could have a place to come and serve their incredible food. It has been a huge success for ALL of our food trucks! We want all of the small businesses in the Phoenix area to come and serve what makes them special!
