**Date:** October 18, 2021  
**To:** City Council  
**Through:** Michael Kennington, Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Brandy Andersen, Acting Procurement Administrator  
**Subject:** Purchase of Five Emergency Response Vehicles (Additions) for the Mesa Fire and Medical Department **(Funded by the American Rescue Plan Act Fund) (Citywide)**

## Recommendation

Council is requested to approve the award as recommended.

The Mesa Fire and Medical Department and Purchasing recommend authorizing the purchase using the Houston-Galveston Area Council (H-GAC) cooperative contract with Professional Sales and Service, L.C. at \$1,416,488.19.

## Background / Discussion

The Mesa Fire and Medical Department (MFMD) will purchase these ambulances with American Rescue Plan Act funds to address the current COVID public emergency. These ambulances will be rotated into service as other units are taken out of service for cleaning and disinfection. They will remain in the fleet after the pandemic subsides.

MFMD has verified the reasonableness of the H-GAC pricing. MFMD requires the Horton ambulances for the superior safety restraint systems, ability to re-chassis the patient boxes, and to maintain a standardized fleet.
