4. Take action on the following contracts:

*4-a. Purchase of Workstation Furniture for the Police Department. (Citywide)

This purchase will provide updated modular furniture and workstations for the Police Evidence section. The workstations in the Evidence section are more than 20 years old and have reached the end of their useful life. New workstations will enhance and improve organizational efficiency as well as providing a modern and professional image. Herman Miller systems furniture is the city standard for modular furniture and is used throughout the City.

Police Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Goodmans Inc., at \$31,524.74.

*4-b. One-Year Renewal Contract for the Software Subscription for Electronic Patient Care Reporting (ePCR) for the Fire and Medical Department. (Citywide)

This hosted ePCR solution has provided accurate and reliable patient care information, which is core to Fire and Medical's evolving medical service delivery model and the new data requirements from the HHS Medicare Grant. The Zoi Software-as-a-Service solution has provided a top of the line ePCR product with the ability to uniquely and quickly configure the system to meet Mesa's specific Community Care Program needs.

Additionally, the technology has provided data to our Information Technology Department for Fire and Medical's much needed data analytics.

The Fire and Medical Department and Purchasing recommend authorizing the renewal contract with StarWest Associates LLC, at \$120,750, based on estimated requirements.

*4-c. One-Year Term Contract for Hexagon Computer Aided Dispatch (CAD) Licenses and Services for the Police and Mesa Fire and Medical Departments (Sole Source). (Citywide)

Under this contract, the Police and Mesa Fire and Medical Departments will be able to purchase additional CAD licenses and services as-needed. On February 24, 2013 Council approved the purchase of a CAD System Upgrade with Intergraph Corporation. Upgrades included I/CAD, Mobile for Public Safety capability improvements, workflow efficiency and a redundancy plan for the CAD system. Additional licenses are needed to accommodate increases in system load and mobile units.

The Police and Mesa Fire and Medical Departments, and Purchasing recommend awarding the contract to the sole source vendor, Intergraph Corporation, dba Hexagon Safety and Infrastructure, at \$300,000 annually. The initial purchase (\$38,464.72) for the Police Department is funded by IT Lifecycle Funds.

*4-d. One-Year Renewal Contract for Uniform Garment Rental for various City Departments. (Citywide)

This contract provides uniform garment rental to approximately 280 City employees from various City Departments. The services furnished by the contractor include routine laundering, pressing and repairing to provide a neat and clean appearance for City personnel.

Purchasing recommends authorizing the renewal with Unifirst Corporation, at \$160,000, based on estimated requirements.

*4-e. Four-Month Extension for the Term Contract for Elevator/Vertical Transportation Unit Maintenance for Citywide Facilities as requested by the Parks, Recreation and Community Facilities Department. (Citywide)

In April of 2017, the City attempted to acquire these services through a new Request for Proposals (RFP) and after receiving a protest, Purchasing authorized a two-month contract extension with ThyssenKrupp Elevator Corporation through 9/15/2017 to give time to respond to the protest. After review of the protest, the City has decided to cancel the solicitation and issue a new RFP. A four-month extension is needed to allow for continued service while the RFP is completed.

The Parks, Recreation and Community Facilities Department and Purchasing recommend authorizing the four-month extension, at \$31,224.72, with ThyssenKrupp Elevator Corporation.

*4-f. Lifecycle Replacement Purchase of Wi-Fi Technology for the Police Department as requested by the Information Technology Department. **(Citywide)**

This purchase will replace/upgrade Cisco hardware, software and equipment from the Police Department's initial Wi-Fi implementation in 2008 through ITD's Lifecycle Replacement program. It will allow for centralized management and control of Wi-Fi networking across all Police Department facilities where Wi-Fi is deployed.

The Information Technology Department, Police Department, and Purchasing recommend authorizing a purchase from the State of Arizona cooperative contract and lowest-quoted vendor, Insight Public Sector at \$65,541.88; and the Maricopa County cooperative contract and lowest-quoted vendor, CDW-G at \$55,097.42; for the combined total award of \$120,639.30. This purchase is funded by ITD Lifecycle Program Budget.

*4-g. PC Cycle Replacement Program for Purchase of Computers, Ruggedized Laptops and Tablets for Various City Departments as requested by the Information Technology Department. (Citywide)

The contract award amount reflects the IT Department's funded and forecasted Lifecycle amounts for Cycle Replacement for FY18 and FY19, plus estimated supplemental purchases that individual departments may need outside of the cycle program.

The Information Technology Department and Purchasing recommend authorizing purchases using the State of Arizona, National IPA and US Communities cooperative contracts with Dell Marketing LP; Apple Computer, Inc.; Panasonic Solutions; and Insight Public Sector; cumulatively not to exceed \$1,875,000 annually, based on estimated quantities.

*4-h. Purchase of One Replacement Asphalt Paver for the Transportation Department. (Citywide)

This purchase will provide a small 'parking lot' paver. The paver being replaced is a lightduty paver and has experienced significant down time and high maintenance cost due to heavy use.

The Transportation Department and Purchasing recommend authorizing the purchase using the City of Tucson National Intergovernmental Purchasing Alliance (IPA) cooperative contract with Empire Southwest LLC (a Mesa business), at \$154,871.28. This purchase is funded by the Local Streets Sales Tax Fund.

*4-i. One-Year Renewal Contract for Emergency Response, Non-Emergency Response and Household Hazardous Waste Event Support for the Environmental Management and Sustainability Department. **(Citywide)**

This contract provides services for emergency response, non-emergency response and on-site technical support. The Environmental Management and Sustainability Department is currently completing the design of a permanent City household hazardous waste (HHW) collection facility. Construction is anticipated to begin in the fall of 2017 and will be completed by fall of 2018. Once the facility is constructed, it will significantly reduce the need for the HHW contractor support portion of this contract. A one-year renewal will allow the City to continue operating the HHW events until the permanent facility is constructed.

The Environmental Management and Sustainability Department and Purchasing recommend authorizing the renewal with Kary Environmental Services, Inc. (a Mesa

business); Environmental Response, Inc.; and Clean Harbors Environmental Services, Inc.; cumulatively not to exceed \$580,000 annually, based on estimated requirements.

*4-j. Dollar-Limit Increase to the Term Contract for C-Cure Security Access System Upgrades as Requested by the Police and Water Resources Departments. **(Citywide)**

The increase will allow the Police Department - Information Technology (PDIT) to utilize the labor services included in the current agreement to make repairs to C-Cure hardware. This is temporary to supplement work being done by PDIT, which experienced temporary reductions in staffing. The increase requested will also allow for the increased usage of C-Cure Citywide. Water Resources has requested an increase for C-Cure upgrades needed in their lobby at the Charles K. Luster building.

The Police and Water Resources Departments and Purchasing recommend authorizing the dollar-limit increase of \$110,000, increasing the annual contract amount from \$85,000 to \$195,000 for the third-year of the three-year term.

*4-k. Purchase of Workflow Software, Support and Training for the SCADA (Supervisory Control and Data Acquisition) System and the CMMS (Computerized Maintenance Management System) as requested by the Water Resources Department (Sole Source). (Citywide)

This purchase provides the software along with training for key personnel who will be administering the software. Mesa currently uses the Proficy Software Suite to run the SCADA system for monitoring and controlling the water, wastewater, gas and electric utilities. This software allows SCADA to tie directly into CMMS Cityworks, the City's maintenance management system, and will allow work orders to be triggered in CMMS based on events or alarms in SCADA.

The Water Resources Department and Purchasing recommend authorizing the purchase with the sole source vendors, GE Intelligent Platforms Inc., for software, at \$29,956.49, and Technical Marketing Mfg., Inc., for training, at \$9,500, for a total of \$39,456.49.

*4-I. Three-Year Term Contract for Major Repair Services for Caterpillar Generators for the Water Resources Department. **(Citywide)**

A significant number of generators in water and wastewater facilities to provide standby power and/or peak shaving are Caterpillar generators. This contract will provide a source for major repairs that fall outside the scope of the City's contract for routine maintenance and minor repairs.

Water Resources and Purchasing recommend awarding the contract using the City of Tucson National IPA cooperative contract with Empire Southwest LLC, dba Empire Power Solutions (a Mesa business), at \$200,000 annually, based on estimated requirements.

Items not on the Consent Agenda

- 3. Take action on the following liquor license application:
 - 3-c. <u>Makitto Sushi</u>

A restaurant that serves lunch and dinner is requesting a new Series 12 Restaurant License for JT Food Services LLC, 1055 North Dobson Road, Suite 106 - Taek Gul Nam, agent. There is no existing license at this location. **(District 1)**

Marvin Manross, Attorney for J&M Food Services, LLC, commented that Taek Nam, applicant, employs Jay Chung as the head sushi chef and in his opinion is a critical employee. He stated that Mr. Chung has received a Driving Under the Influence (DUI) and places residents at risk. He added that the protest documents should convince the Council to not recommend approval for this application. (See Attachment 1)

City Attorney Jim Smith explained that State Statute and the State Liquor Board govern the liquor license application and that Council acts in an administrative function that provides a recommendation, however, the State Liquor Board makes the final determination and has investigation authority. He clarified that Mr. Nam is not involved in any pending legal action. He noted that there is a pending bankruptcy between two former partners, Ms. Maggie Liao and Mr. Chung, which includes the dissolution of assets.

Mr. Smith pointed out that Council has three options, to recommend approval, no recommendation, or recommend denial.

In response to a question posed by Councilmember Whittaker, Mr. Smith replied that State Statute provides 12 grounds for recommendations of denial, however, the only one that is potentially applicable is the one that states that the people that live or lease property within onemile of the business can provide testimony. He added that there are no specific criteria for an employee and noted that an applicant that has a DUI misdemeanor conviction and not a felony conviction can still receive a liquor license.

Mr. Taek Nam, applicant, commented that the issue is between Ms. Liao and Mr. Chung and stated that Makitto Sushi is his restaurant and that Mr. Chung is only his employee.

In response to a question posed by Councilmember Whittaker, Mr. Nam confirmed he is the sole owner of the restaurant.

It was moved by Councilmember Freeman, seconded by Councilmember Thompson, that the liquor license application for Makitto Sushi be approved.

Vice Mayor Luna declared the motion carried unanimously by those present.

Conduct a public hearing on approval and adoption of the Mesa Southwest Redevelopment 9. Area Plan:

9-a. Conduct a public hearing on approval and adoption of the Mesa Southwest Redevelopment Area Plan.

Vice Mayor Luna announced that this is the time and place for a public hearing regarding the creation of the East and West Redevelopment Areas.

There being no citizens wishing to speak on this issue, the Vice Mayor declared the public hearing closed.

9-b. A resolution approving and adopting the Mesa Southwest Redevelopment Area Plan. (Districts 3 and 4) (2/3 vote required) - Resolution No. 11033.

It was moved by Councilmember Thompson, seconded by Councilmember Freeman that Resolution No. 11033 be adopted.

Vice Mayor Luna declared the motion carried unanimously by those present.

10. Items from citizens present.

Jerry Barron, a Mesa resident, thanked the City for their assistance on the bill for the Ghostrider Subdivision, however, the bill did not pass and requested assistance for development of their property.

11. Adjournment.

Without objection, the Regular Council Meeting adjourned at 6:17 p.m.

DAVID LUNA, VICE MAYOR

> Liquor License Application #1207B117 JT Food Services, LLC (applicant)

To Whom IMay Concern:

These comments are provided as background on the above-referenced liquor license application. The applicant, JT Food Services, LLC ("JT Food Services") is seeking a new Series 12 liquor license for its restaurant located at 1055 N. Dobson Road, Suite 106. Mesa, AZ. The sole member of JT Food Services is Taek Nam ("NAM"). The name of the proposed restaurant is Makitto Sushi.

According to the Corporation Commission, the only member of JT Food Services is NAM. Nevertheless, the liquor application indicates that the restaurant will employ two sushi chefs. Social media advertising the opening of the Makitta restaurant identifies these two sushi chefs as (J)ay Chung and (T)aek Nam.

A LIQUOR LICENSE FOR THIS RESTAURANT WILL ENDANGER THE COMMUNITY

A licensee or an employee of a licensee that becomes intoxicated while working in an establishment that holds a liquor license is violating the law. An employee who takes even one drink while serving alcoholic beverages in retail establishment that serves liquor is also a state-law violation. A.R.S. §4-244(13).

The liquor license application at issue indicates that NAM worked as a sushi chef for four months at the SUSHI J restaurant in Scottsdale and for two months at the J's KAIYO restaurant, also in Scottsdale. NAM worked at both of these restaurants alongside his more experienced brother-in-law, Jay Chung ("CHUNG").

Both NAM AND CHUNG were fired from J's KAIYO at the same time. CHUNG apparently has a drinking problem and it didn't take long for J's KAIYO to realize that CHUNG's drinking problem was a severe problem. The general manager at J's KAIYO has described CHUNG as a "psycho drunk."

CHUNG was convicted of Extreme DUI in 2016 following his arrest after leaving work from the SUSHI J restaurant in the early morning hours by the Gilbert police department. According to the police report, CHUNG tried to justify his inebriation to the arresting officer by claiming that drinking on the job was a cultural thing for sushi chefs:

"I'm a sushi chef, it is part of the culture to drink while working, like tonight"

CHUNG had also been fired for drinking on the job by two previous employers. After being fired for drinking on the job at the Sakana and Otaku restaurants in Scottsdale, CHUNG and his partner Maggie Liao ("LIAO") opened the SUSHI J restaurant; however, CHUNG continued to drink on the job as he had done before.

The restaurant and the liquor license were held in the name of J&M Food Services, LLC ("J&M") When LIAO objected to his drinking on the job at that restaurant, CHUNG created other entities in the hopes of moving to yet another restaurant

9/20/2016	JTS Food Services LLC	(Members: Susan Hwang and Jay Chung)
2/22/2017	P&J Food Service, LLC	(Members: Pajman Malihi & Jay Chung)

Despite lease negotiations, neither of these two entities actually opened a new restaurant. The J's KAIYO restaurant that CHUNG had hoped to own was opened in March, 21017, and is being operated by an entity named PJ Food Services, LLC that is apparently owned solely by Pajman Malihi, ("MALIHI"), a convicted felon.

On February 8, 2017, CHUNG resigned as an owner of SUSHI J and, together with NAM and two others, loaded up three pickup trucks full of restaurant equipment and supplies taken from the SUSHI J restaurant, together with seafood and \$500 worth of McCallan scotch that had just been delivered to that afternoon -- taking these three truckloads to MALIHI's home.

The following morning, MALIHI's attorneys delivered a notice signed by CHUNG, indicating that CHUNG had withdrawn as a member of J&M prior to closing the business on the previous day, leaving the restaurant premises, the business entity, and all of the restaurant debt left behind by CHUNG in the hands of LIAO. When LIAO was finally able to access the Sushi J premises, it was apparent that virtually no food (and none of the liquor) remained on the premises. In addition to the food and beverages, essential restaurant equipment needed to operate a restaurant, including menus, uniforms, and the restaurant's POS system were missing. Both NAM and CHUNG are now defendants in a Federal lawsuit arising out of their actions in connection with the Sushi J restaurant.

In short, if CHUNG is not in fact a silent partner in JT Food Services, it is clear that the two of them are working closely together. CHUNG has a long history of alcohol abuse and NAM has condoned, enabled, and empowered CHUNG's embezzlements and his drinking on the job. It is believed that the combination of NAM and CHUNG in an establishment that hosts a liquor license will endanger the community.

Sincerely,

J&M Food Services, LLC

/s/ Maggie Liao

NARRATIVE

Synopsis:

On 12/24/14 at 0246 hours, Jay Chung was arrested for DUI in the area of Alma School Rd./ Queen Creek Rd. (Chandler).

Narrative:

On 12/24/14 at approximately 0240 hours, I was travelling south on Alma School Rd., approaching Queen Creek Rd. in my assigned, unmarked Gilbert Police vehicle (PDP2145), while participating in the East Valley DUI Task Force, when I observed a white Honda Civic with no rear lights travelling slowly southbound on Alma School Rd. straddling the center of the number 1 and 2 lanes. As I positioned my vehicle behind the Honda, I observed it to be travelling 12 mph. The posted speed limit on this roadway is 45 mph. I also noted that the car was leaning heavily to the drivers side.

The driver was slow to respond to the red light at Queen Creek Rd. and stopped with the entire vehicle past the painted limit line, at an unusual angle to the left. Due to this angle, I was able to see that both left tires were flat and I observed damage to the wheels.

As the light turned green, the Honda had a delayed response of 5-6 seconds before proceeding through the intersection while performing a slow sweeping wide left turn into the number 3 lane of eastbound Queen Creek Rd., almost striking the curb with the right wheels.

I activated my emergency lights and siren to initiate a traffic stop and the vehicle abruptly accelerated and swerved to the left into the number 1 lane while continuing to travel east. I repositioned my vehicle behind the Honda and it slowly drifted to the right and yielded with the front left tire resting against the curb.

I contacted the driver and sole occupant, later identified as Jay Chung with his Arizona Driver's License, and informed him of the reason for the stop. Jay seemed to be extremely disorientated and confused. While speaking to him, I noticed his eyes to be very red and watery, his speech to be seemingly heavily slurred, and could smell the strong odor of an alcoholic beverage emitting from the vehicle. I asked Jay how much alcohol he consumed prior to driving and he replied, "I'm ok. I had a lot but I'm coming from my restaurant in Scottsdale. I'm the owner."

I asked Jay to exit the vehicle, which he did on his own using the door and body of the vehicle to brace himself. He took slow and seemingly deliberate steps to a nearby sidewalk and tripped over the curb almost falling.

While outside of the vehicle, I continued to smell the strong odor of alcohol emitting from his breath in an open air environment from an approximate distance of 3 feet. Jay had an approximate 3"+ circular sway while Gilbert PD Records - COPY

attempting to stand still.

I asked Jay why he was driving with two flat tires and he replied, "It's a long story but only one is flat and I'm a restaurant owner. That's where I was. I know Larry Fitzgerald."

At approximately 0245 hours, Jay agreed to perform a series of Field Sobriety Tests (FST's). Prior to the performance of the Horizontal Gaze Nystagmus (HGN) test, Jay removed his glasses. I confirmed that he was not wearing contacts and was not currently suffering from a head injury or taking prescription medications. I checked Jay's eyes for equal pupil size and equal tracking indicative of a head injury. I observed his pupils were the same size and eyes tracked together. I performed HGN and observed 6 clues (lack of smooth pursuit in both eyes, distinct nystagmus at maximum deviation in both eyes, onset of nystagmus prior to 45 degrees). Vertical nystagmus was also noted. Jay continued his approximate 3+" circular sway during the test and had to be reinstructed multiple times to keep his head forward and still. I am currently trained and certified in the performance of the HGN test.

Due to Jay's extremely unsteadiness and him being unable to stand in one place for any length of time without almost falling, no further FST's were administered for his safety.

Jay refused completed a PBT.

Based on the odor of alcohol on Jay's breath, red, watery eyes, HGN results, physical actions, slurred speech, admissions, and driving behavior, he was arrested for DUI at 0246 hours.

While I was placing Jay into handcuffs, he attempted to pull away and yelled, "I'm a restaurant owner you can't do this."

Jay was placed on his knees, handcuffed (double locked) and secured into my patrol vehicle without further incident.

While seated in the patrol vehicle, I attempted to read Jay his Miranda Rights, but was unable to because he became argumentative. He repeatedly said "I live right here let me go" and "I am a restaurant owner."

As I was starting to transport Jay to the Gilbert PD Santan Detention center for processing, he spontaneously yelled, "I only had one flat tire." I stopped my patrol vehicle next to Jay's Honda so he could see that both his front and rear left tires were flat. His response was, "Oh shit they are."

Jay's vehicle was inventoried and towed from the scene by Tri City Towing per ARS 28-872.

During transport to the GPD Santan station, Jay rambled, incoherently at times, about multiple topics including: His sushi restaurant, divorce, children and NFL football. He repeatedly bounced back and forth between these topics and never completed a complete thought or sentence.

Upon arrival to GPD Santan Detention, Jay apologized for arguing and "wasting time." At 0312 hours, I read him his Miranda Rights. His quoted response to understanding his rights was "Yes." At 0313 hours, I read Jay Admin Per Se/Implied Consent. Jay's quoted response to providing a blood sample was, "Yes," consenting to provide a blood sample.

Incident/Investigation Report

Agency: Gilbert Police Department

Case Number: 14-000021699

Notes/Narratives

At 0336 hours, I completed Jay's blood draw from his left antecubital median vein without incident. I packaged and sealed the blood kit. Sgt. Gillis impounded the kit to be sent to the Mesa PD Lab for analysis.

(Phlebotomy Report attached)

Jay declined a DUI Interview, but repeatedly told me that he was the owner of "Sushi J" in Scottsdale and requested that I watch his You Tube videos to prove it.

Jay was processed and issued a criminal citation (#337436) for: 28-1381a1 DUI-Slightest Degree (M) 28-1381a2 DUI-.08 BAC or Greater (M)

After providing Jay with a copy of the citation and his vehicle tow paperwork, Jay apologized again and said "I'm a sushi chef, its part of the culture to drink while working, like tonight."

Jay's ride got lost while enroute to the station, so I provided him with a courtesy ride to the area of Riggs/Cooper (Chandler) to meet his girlfriend.

This concludes my contact with Jay Chung.

Conclusion:

On 12/24/14 at 0246 hours, Jay Chung was arrested for DUI in the area of Alma School Rd./ Queen Creek Rd. (Chandler). Jay committed this act by operating a motor vehicle under the influence of alcohol. Based on the odor of alcohol on Jay's breath, red, watery eyes, HGN results, physical actions, slurred speech, admissions, and driving behavior, he was processed and cited into the Santan Justice Court for:

28-1381a1 DUI-Slightest Degree (M) 28-1381a2 DUI-.08 BAC or Greater (M)

Per Gilbert PD policy, restitution in the amount of \$116 is requested for DUI processing related expenses.

This report will be forwarded to the Maricopa County Attorney's Office upon return of the blood analysis.

This case will also be forwarded to the AZ Liquor Board for review.

AFFIDAVIT OF RICHARD V. GREENE

RICHARD V. GREENE, being first duly sworn, upon his oath deposes and says as follows:

- 1. I am a resident of Maricopa County, Arizona.
- 2. I am familiar with the Sushi J restaurant located at 4320 N. Miller Road in Old Town Scottsdale, as my wife has worked at the restaurant. I have met and know the principal owners of the Sushi J restaurant who were Maggie Liao and Jay Chung.
- 3. On February 9, 2017, I testified at a hearing in certain litigation Maggie Liao filed against Jay Chung, among others, in Superior Court. My testimony concerned what I had seen in the evening of February 8, 2017.
- 4. On Wednesday, February 8, 2017, at about 6:00 PM, | dropped off my wife at the TJ Maxx in the Camelback and Miller Shopping Plaza, which is where the Sushi J restaurant is located. The TJ Maxx store is just north of Sushi J.
- 5. I saw Jay Chung with four (4) Individuals in front of Sushi J at that time. The four (4) people with Mr. Chung were Clayton Hanley, Edson Granados, Antonio Ortiz, and Taek Gul Nam. Mr. Chung and the other people were loading boxes from inside the restaurant into three (3) trucks. I have some knowledge of the litigation between Maggie Liao and Jay Chung, so I called Ms. Liao and her attorney, James LaGanke, and both suggested that I see where Mr. Chung was taking the personal property from the restaurant.
- 6. I specifically saw Mr. Chung and the others take boxes from the Sushi J restaurant and load them into the three (3) trucks. Some of the boxes were marked as containing liquor, such as saki and other types of alcohol.
- 7. I watched Mr. Chung and the others until they finished loading the trucks, then followed Mr. Chung and the trucks to a parking lot on Drinkwater Boulevard in Scottsdale where Mr. Chung met with Jacob Hippensteel, his attorney. Mr. Hippensteel was In Court when I testified on February 9, 2017, and I specifically identified him as the person with Mr. Chung on February 8, 2017, during the meeting in the parking lot. Also, Mr. Hippensteel's office is at 4250 N. Drinkwater Boulevard. After ten or

fifteen minutes another man joined the conversation or meeting between Mr. Chung and Mr. Hippensteel. I believe that man is Kevin McCarthy, who is also an attorney representing Mr. Chung. During that meeting, the three (3) trucks that had been loaded at the Sushi J restaurant were parked directly in front of Mr. Chung, Mr. Hippensteel, and Mr. McCarthy.

8. The meeting lasted about forty-five minutes, then Mr. Chung left in and the gentlemen driving the trucks followed him to a a car residence located in Scottsdale at Redacted

. I followed Mr.

cnung and the trucks to that location where I saw the garage door open. Inside the garage was a large freezer. I saw Mr. Chung and the other gentlemen start unloading the trucks into the garage at that residence. I learned that the Redacted address is the residence of Pajman Mir Malihi.
