The following citizens indicated opposition to Agenda Item 7-a:

- Ted Sparks, a Mesa resident
- Ray Leo, a Mesa Resident
- Jeff R., a Mesa resident
- Dorothe Sparks, a Mesa resident
- Scott Bring, a Mesa resident
- Scott Boder, a Mesa resident

- Philip Rodriguez, a Mesa resident
- Dwight Bare, a Mesa resident
- Roger Jenkins, a Mesa resident
- Karen Jenkins, a Mesa resident
- Craig Vossler, a Mesa resident
- J. Wickstrom, a Mesa resident

The speakers offered a series of comments including, but not limited to, the following:

- The application for rezoning is not about the food trucks, it is about preserving the integrity and nature of the neighborhood.
- The neighborhood encouraged the developer to rezone the land to Office Commercial (OC) in anticipation of the plans submitted.
- Neighborhood residents do not support living next to land zoned for food trucks.

- The developer purchased RS-35 zoned land adjacent to RS-35 zoned land and is now seeking to change the zoning for the second time allowing the food truck operation to continue.
- Developers could make two to three times the original purchase price if alternative zoning is obtained.
- Developers have removed several trees which served as a barrier to Power Road.
- Light towers shine into the homes and backyards of the surrounding houses.
- When the lots are full, the traffic and parking is redirected through the neighborhood.
- Food truck waste is discarded on the neighborhood streets.
- The food trucks continue to operate in an unregulated and unconfirming manner.
- The developer ignores the rules and has graded the property illegally with no permit.
- The Good Neighbor Policy (GNP) has yet to be completed.
- Noise from the DJ booth is within 25 feet of homes.

Mayor Giles clarified the developers are still working on the GNP, which should be filed by February 7, 2022.

Mr. Smith stated the Development Agreement (DA) is being drafted and the attorney representing the neighborhood residents is also creating a GNP in response to the property owners. He stated certain topics not covered in the GNP will be covered in the DA.

In response to a question from Mayor Giles, City Manager Christopher Brady stated he hopes there will be an agreement with the property owner before the meeting is posted. He added a week prior to the meeting, the residents will have the opportunity to view the DA. He mentioned in the event an agreement is not made before February 7, 2022, staff would be recommending against the item.

Mr. Brady clarified the DA covers items agreed upon between the property owner and the City, and the GNP is a separate document between the neighbors and the developer. He said the GNP could be attached as an exhibit to the DA.

In response to comments from Mr. Sloan, Mr. Brady shared the advantage of having a zoning case and a DA is the leverage provided to enforce the concerns that have been shared by the City and the neighborhood. He advised the neighbors to continue working with Development Services Director Nana Appiah.

It was moved by Councilmember Freeman, seconded by Vice Mayor Duff, that Agenda Item 7-a be approved.

Upon tabulation of votes, it showed:

AYES – Giles-Duff-Freeman-Heredia-Spilsbury-Thompson

NAYS – Luna

Mayor Giles declared the motion carried by majority vote and Agenda Item 7-a adopted.

Ms. Ashworth highlighted the City's revenues for Fiscal Year 2021. She shared the City's overall revenues increased by \$113.2 million and noted the increases came primarily from receiving \$30 million in extra federal funds, sales tax revenues, and increases in charges for services. She said the total assets for the City increased to \$4.9 billion with the biggest component being capital assets. (See Pages 3 and 4 of Attachment 1)

Ms. Ashworth remarked the City's liabilities increased to \$4.3 billion. She noted the long-term obligations are either revenue bonds or general obligation bonds, as well as pension and post-employment benefits. (See Page 5 of Attachment 1)

Vice Mayor Duff reiterated to the public the presentation was a high-level summary and the entire presentation is available for review online. She suggested anyone interested in how the City is doing should review the executive summary.

Mayor Giles thanked staff for the presentation.

It was moved by Councilmember Luna, seconded by Councilmember Thompson, that the City of Mesa Fiscal Year 2021 Comprehensive Annual Financial Report be approved.
