Title: Use of a Cooperative Contract for the Purchase of Seven Ambulances (5 Replacements and 2 Additions) for Mesa Fire and Medical Department (Citywide)

This purchase will support the transition to providing both Basic Life Support and Advanced Life Support transport services and will increase the City’s fleet to 30 vehicles. One ambulance is a demo unit which is advantageous due to the immediate availability of the unit.

Mesa Fire and Medical Department and Procurement Services recommend authorizing the purchase using the Houston-Galveston Area Council (H-GAC) cooperative contract with Professional Sales and Service, LLC at \$2,728,374.83, based on estimated requirements. This purchase is funded by the Ambulance Transport Fund.
